Are you friendly, energetic, and enthusiastic? Do you enjoy being around other people? Are you interested in giving time to your community? Do you live near or enjoy visiting a Clark County Park? If so, Clark County Parks and Recreation has just the opportunity for you! We have an exciting NRPA award-winning Volunteer Ambassador Program to enhance the overall park experience for visitors.

The Volunteer Ambassador Program is designed to provide extended services to park participants. As a Volunteer Ambassador, you will interact with park users so they have positive experiences at Clark County parks. Ambassadors assist in the promotion of upcoming special events as well as provide a first-hand knowledge of the parks and safety concerns while enjoying the overall community interaction experience.
