

# Who says camp is just for kids?

# Camp Silver Pines

\*For ages 50+

The award-winning Camp Silver Pines is returning for another year to Clark County Parks and Recreation. This special three-day/two-night camping experience for Seniors\* takes place up at the County's Camp Lee Canyon. For many, it's the camping experience they didn't have as a child, or a great remembrance of Girl Scout/Boy Scout camping trips.

**For all, it's an experience of a lifetime!**

"Campers" stay in group cabins, eat all meals in the group dining hall and share group bathrooms. Activities such as hiking, outdoor cooking, drawing, bocce ball, pickle ball, Tai Chi, guest speakers, high & low challenge course, arts & crafts, line dancing, painting, card and board games make up the day's schedule. From sun up to sun down there are all sorts of activity options to keep everyone as busy as they want to be. However, if a good book in the quiet of the pine grove sounds like a better option, that's available as well.

**Delicious food, beautiful scenery, new friends to be made, and new activities to be experienced all combine to provide an incredible experience that participants will share with family and friends for years to come.**
