

REGISTERED USER GROUPS

REGISTERED USER GROUPS

All groups who desire to use the park must have a current Registered User Group application on file at the Park Office.

No person shall provide commercial firearms instruction or programs at the Clark County Shooting Park without being registered as a User Group.

Individuals may not register as a User Group unless they are a bonafide business.

The Clark County Shooting Park is managed as a recreational shooting facility. Requested uses that do not feature the shooting sports, or are not related to the shooting sports, or the accomplishment of the mission of Clark County will not be allowed on property.

All event shooters and Registered User Groups must pay the appropriate shooting park fees through designated event coordinators or match directors.

All Registered User Group event coordinators and match directors must sign in at the Park Office and obtain an invoice before set up or shooting.

All events, buildings and facilities must be requested for scheduling reservations through the Park Office at least 30 days in advance.

A gate code will be issued to Registered User Groups whose events begin before Clark County Shooting Park opening, or end after Clark County Shooting Park closing.

Registered User Groups may store items necessary for their events on property in a designated area, after receiving approval from the Park Office.

Paint ball and force on force training is prohibited except by law enforcement, security and military units as part of their official training.

All Registered User Groups must maintain a current Registered User Group application on file at the Park Office before being scheduled to use the Clark County Shooting Park.

All Registered User Groups must schedule and reserve event ranges and buildings for their events through the Park Office per established Clark County Shooting Park procedures.

All reservations and cancellations must be made in writing. Failure to cancel an event in writing within 48 hours of the event will result in a failure to cancel fee assessment. Reservations are unavailable to registered user groups with any outstanding fee balances.

All Registered User Groups must possess a current liability insurance certificate naming Clark County as additional insured before using the Clark County Shooting Park. A current copy of the certificate will be provided to Clark County Shooting Park and kept on file with the registered user group application. A lapse of insurance coverage nullifies the application and any scheduled events are subject to cancellation by Clark County Shooting Park.

All Registered User Groups must conduct their events with the highest standards of safety for participants and for others.

All Registered User Groups must provide trained safety officers to supervise their events. If a sanctioned event is being held, these officers must meet the standards set by the sanctioning authority.

All Registered User Groups are responsible for the actions, security and safety of participants and spectators, range safety, range conditions and cleanliness.

All Registered User Groups must ensure that participants and guests follow all shooting park rules and regulations.

All Registered User Groups must be responsible for match set up and clean up and ensure that their Clark County Shooting Park reserved areas are left in a clean condition. Clark County Shooting Park does not provide set up nor clean up services. Trash will be placed in trash bins or garbage cans as provided. In the case of a large event (four or more days) the registered user group will provide a roll off dumpster. Registered User groups will be charged a clean up fee if Clark County Shooting Park staff must clean up after an event.

All Registered User Groups must provide portable toilets if their event lasts more than six hours with 50 or more people (including participants and spectators). The first toilet must be ADA approved, with an additional toilet provided for every additional 25 people.

All Registered User Groups must hire a licensed security agency for the duration of the event, or rental of buildings, when the event includes participants, vendors and goods or services remaining on property beyond normal hours of operations. The security agency must be approved by and contact the Park Office in advance to obtain specific instructions on close up procedures, access, etc.

All Registered User Groups must disqualify any participant who consumes or is under the influence of alcohol or drugs or who violates any Clark County Shooting Park safety rule(s) during the event.

All Registered User Groups must pay Clark County Shooting Park all applicable fees within 10 working days after each event.

All Registered User Groups must ensure that participants do not use the reserved facilities before or after an event.

All Registered User Groups must understand that non-compliance with Clark County Shooting Park rules, procedures and instructions from Rangemasters or park personnel, or any safety violations, or late payment of fees, or lapse of insurance will result in loss of privileges to use Clark County Shooting Park.
