

Fall 2013 Softball Schedules

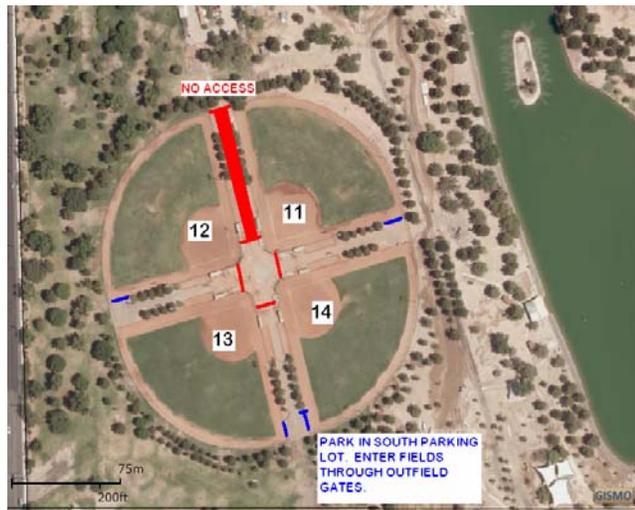

If you have any questions please call us at 455-8241 or email at CCPRsports@clarkcountynv.gov

Attention: Some fields have changed. Warm Springs fields are not being used.

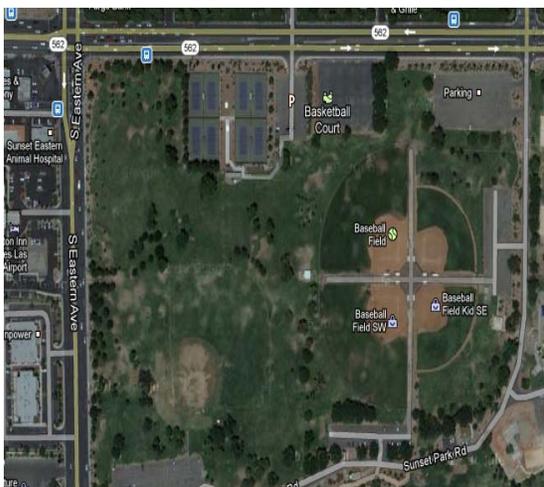

Attention: Construction of permanent restrooms will be ongoing throughout the season at Sunset 11,12,13,14. We are recommending parking in the southern parking lot. The bleacher areas will not be accessible. Spectators will need to provide their own seats and will need to sit near the outfield. Also, entrance to the fields may be restricted. Players may need to enter and exit the fields through the outfield fences. We apologize for any inconvenience this may cause.

Coaches:

We're sending out information to all of our softball teams who are playing at the Sunset Fourplex, Fields 11, 12, 13 & 14 this fall. As most of you are aware, we are in the process of constructing a restroom/concessions building at the fourplex. We've been working closely with the contractor to ensure that we would have access to the fields for our fall league. Unfortunately, there have been some delays in the trenching for the sewer and power to the new facility. All four fields will remain playable thus far, however access to the fields will be a bit tricky over the first couple of weeks of your league. I've attached a map that shows the specific areas that will remain closed off due to construction. Please share the following with your players

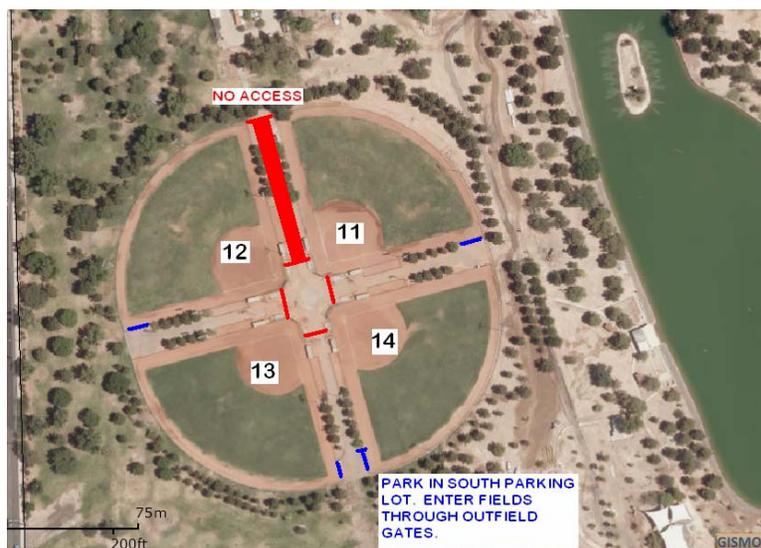

- All teams should park in the southernmost parking lot off of eastern and enter the complex from the south. The north entrance is completely fenced off and not accessible.
- Teams playing on fields 11 and 12 should walk around the outside of 13 and 14 and access their fields through the outfield gates which will be open by our field monitors.
- There will be No Access to any of the areas marked in red on the map.
- Spectators may want to bring chairs as bleacher seating may be limited or fenced off.
- As construction progresses, access to the fields through the dugouts should be available.

We understand that this construction will be an inconvenience for the teams over the next couple of weeks. Utilizing the fourplex is still our best option as opposed to moving these leagues to Paradise Park and/or the Silver Bowl.

We appreciate your assistance during this process. Our staff attends weekly construction meetings on this project and will continue to update our teams as needed.

Thank you.
