# Las Vegas Portraits Project 1 Oct. Exhibit

**September 17 through October 19, 2018**

**Location: Rotunda Gallery @ Clark County Government Center 8 a.m. to 5 p.m. daily**

**Public Reception: 6 p.m., Thursday, Oct. 4**

In conjunction with the one-year anniversary of 1 October, Clark County and the Vegas Strong Resiliency Center are hosting an exhibit of portraits of the 58 victims who perished in the shooting. The portraits were painted by artists across the United States and overseas. Organizers created a Facebook page in the immediate days after 1 October to solicit volunteer artists for the project as a way to pay tribute to those who died, and to provide families with the gift of a portrait of their loved ones, intended to build a bridge of hope and healing through art.
