LIBRARY DISTRICT TO CELEBRATE TEEN TECH WEEK MARCH 6-12

Create it at your Library!

Las Vegas, NV – The Las Vegas-Clark County Library District celebrates Teen Tech Week March 6-12, 2016, to encourage teens to extend learning beyond the classroom where teens can explore, create and share content. From makerspaces and fun with crafts to digital production, teens can express themselves and connect with others who share their interests. Teen Tech Week is a national initiative designed to celebrate technology and help teens to learn how to use technology ethically and safely.

For more information on all the free programs, call 702.734.READ or visit the Library's web site at www.lvccld.org. Program highlights include:

Teen Tech Week Retro Tech Museum

Do you know what an 8-track is? Or a PalmPilot? See if you can correctly identify a variety of items that were once considered high technology.
