

Be Kind to Cats

Kitten season is coming...

It's that time of year when countless numbers of unwanted kittens will be born and then turned in to local shelters. Some will find homes. Sadly, many will not.

All too often, these kittens are the off-spring of a beloved family pet that has not been spayed or neutered. One fertile female can produce 3 litters per year!

Please Don't "Litter!"

Help reduce the number of unwanted kittens. This spring, cat owners can save money, not to mention lives.

Female Cat Spay: \$35
