

SAVE THE DATE!
JOINT TOWN HALL MEETING
 w/ Clark County Commissioners
Chris Giunchigliani & Marilyn Kirkpatrick

Tuesday, November 15, 2016
5:30 – 7:00 p.m.
Hollywood Recreation Center
1650 S. Hollywood Boulevard
Las Vegas, NV 89142

Come out and meet Commissioners Chris Giunchigliani and Marilyn Kirkpatrick for their 2nd joint town hall meeting! The Commissioners, along with Clark County staff and agency partners will provide updates on the following:

- ❖ **Public Works Road Projects** – Clark County Public Works staff will present road projects planned for the northeast area.
- ❖ **Sunrise Manor Land Use Update** – On August 3, 2016, the Board of County Commissioners directed staff to begin updating the Sunrise Manor Land Use Plan. Staff from Clark County Comprehensive Planning will be present to get your input.
- ❖ **Las Vegas Valley Water District**–To protect the community from losing access to nearly all of its water supply, the Integrated Resource Planning Advisory Committee recommended construction of a new low lake level pumping station. The committee also recommended generating the revenue needed to design and build the pumping station through a fixed charge based on water meter size, phased in over a three-year period. LVVWD staff will discuss the rate increase to fund the pumping station.
- ❖ **General Q & A** – We want to hear your questions & concerns about your neighborhood!

* Animal spaying and neutering is mandatory in Clark County. To help our neighbors come into compliance, Heaven Can Wait Sanctuary, in partnership with Clark County, will offer low cost/no cost spay neuter of cats and dogs who meet certain criteria. For more information, please call (702) 655-4800.
