SENIORS UNITED CREED

ESTABLISHED BY JULIAN AND LILIAN WALLACE

Seniors United was created as an inspirational medium for seniors. Its purpose is to educate, promote and protect the rights of seniors.

The needs of seniors differ from younger citizens. It is important to have an organization devoted to our place in the community and to promote it's continued growth.

The members of Seniors United want to share experiences with others. Nonpartisan and nonsectarian, we are very actively involved in the political structure of our state and country. Forums are varied to benefit the needs of the community and to discuss political issues. Guest speakers come from all areas.

It is with pride that we are seniors and are doubly proud to be members of Seniors United. The pride continues in our many accomplishments and in the good name we have established in the community. Our goal is to develop plans for a great tomorrow and to make it happen.

Everyone is welcome, young to old and from every walk of life.

SENIORS UNITED MEANS SENIOR POWER

A monthly publication of Seniors United. A nonprofit organization serving thousands of senior citizens.

Seniors United has endorsed the following candidates for the general election. We wish them all good luck and thank them for their commitment to senior issues and service to the residents of Nevada.
