## September 8th - Grandparents Day

*They don't never say "hurry Up" and they wear glasses and funny underwear and can take their teeth and gums out.*

*Everybody should have grandparents especially if you don't have television cause they are the only grownups that actually like to spend time with us.*

*Grandparents are smart. They have to answer questions like "Why isn't God married?" and "How come dogs chase cats?"*

## SENIORS UNITED CREED ESTABLISHED BY JULIAN AND LILIAN WALLACE

*Seniors United was created as an inspirational medium for seniors. It's purpose is to educate, promote and protect the rights of seniors.*

*The needs of seniors differ from younger citizens. It is important to have an organization devoted to our place in the community and to promote it's continued growth.*

*The members of Seniors United want to share experiences with others. Nonpartisan and nonsectarian, we are very actively involved in the political structure of our state and country. Forums are varied to benefit the needs of the community and to discuss political issues. Guest speakers come from all areas.*

*It is with pride that we are seniors and are doubly proud to be members of Seniors United. The pride continues in our many accomplishments and in the good name we have established in the community. Our goal is to develop plans for a great tomorrow and to make it happen.*

*Everyone is welcome, young to old and from every walk of life.*
