| **1. Andover Drive Local Area Drainage**  
Construction of storm drain facilities for the Andover Drive area, from the existing Duck Creek storm drain in Stephanie Street to Hacienda Avenue, then upstream Andover Drive to English Street. | Planned  | 2018-2022 CIP         |
| **2. Desert Inn Road, Nellis Blvd. to Hollywood Blvd**  
Roadway improvements on Desert Inn Road between Nellis Boulevard and Hollywood Boulevard include resurfacing existing pavement, a bridge crossing over the Las Vegas Wash, four travel lanes, medians, storm drain, curbs, gutters, sidewalks, street lighting, pavement markings, and signage. | Design   | August 2018           |
| **3. Boulder Highway Landscaping Maintenance**  
Median island landscaping.                                                                                                                                  | Ongoing  |                       |
| **4. Broadbent Storm Drain (Near Sam Boyd Stadium)**                                                                                                         | Planned  | 2018-2022 CIP         |
| **5. Denning Street, Tropicana Avenue to Hacienda Avenue**  
Striping improvements                                                                                                                                         | Design   | 2018-2019             |
| **6. Hacienda/Denning Storm Drain**  
Sewer project and repaving of roadway                                                                                                                               | Planned  | 2019                  |
| **7. Hacienda Avenue, Nellis Boulevard to Stephanie Street**  
Repave, add medians and streetlights                                                                                                                                  | Design   | 2019                  |
| **8. Harmon Avenue, McLeod Drive to Boulder Highway**                                                                                                          | Planned  | 2018-2022 CIP         |
| **9. Residential Streets Pavement Reconstruction #101**  
Reconstruct various neighborhood streets between Tropicana/Denning/Hacienda/Morris                                                                 | Design   | 2018                  |
| **10. Tropicana Ave Conveyance, Las Vegas Wash to Morris**                                                                                                       | Planned  | 2018-2022 CIP         |
