Due to the recent changes in the banking industry, the sample foreign issued money order is now considered foreign currency, and is treated differently as a medium of exchange.

In response to our banker's position regarding this matter, our office has been advised by the County Treasurer that they have opted to discontinue acceptance of said instruments or checks as a form of payment. Therefore, we will no longer accept Foreign issued money orders or checks for request for copies by mail.

Please go on line to our web page at www.clarkcountynv.gov/recorder and follow the instructions to place your order for copies via internet where you may use a debit or credit card for payment.

We apologize for this inconvenience. Thank you for your understanding and patience, and we look forward to serving you on-line.
