

# WELCOME TO DISTRICT B Newsletter

December 2025 Edition

Dear Residents,

Thank you for taking the time to stay engaged in District B. I want to apologize for skipping November, but time just got away from us. In this issue you will see some stuff from October just to share some fun from District B. With the holidays just around the corner I want to say thank you to everyone that is helping others in the community. From checking on your neighbor to donating a toy for an organization, all of these activities make a difference, and I appreciate it.

While we don't have an official roll with CCSD we partner where we can. Education is important for all families. I hope you find the information about preschool milestones and student success helpful.

In this issue, we hope that you will explore the resources from the Southern Nevada Health District about immunizations. They offer a lot of great services for low cost or free, depending on your income.

Please let us know if there are any specific topics that you would like to hear about.

*Marilyn*

# Lunch & LEARN

October was a busy month full of activities and opportunities to get out of the office and spend some time with our District B seniors as part of our quarterly Lunch & Learn series.

# DON'T GET SCAMMED

Scams are getting harder to detect on your computer, phone and even in the mail, and our seniors are often the first target. Here are 4 signs that you may be getting scammed:

Scammers say there's a **PROBLEM** or a **PRIZE**.

Scammers **PRETEND** to be from an organization you know

Scammers **PRESSURE** you to act immediately.

Scammers tell you to **PAY** in a specific way.

Give scammers the big

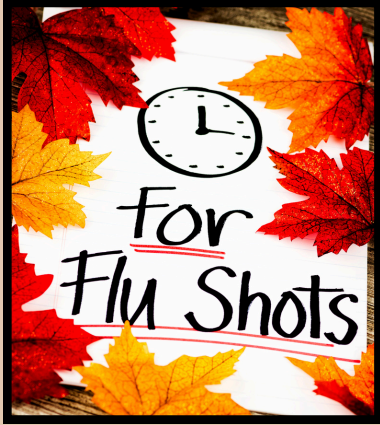

If you are worried you are being scammed, or have questions, you can find more tips at: <https://consumer.ftc.gov/articles/how-avoid-scam#signs>

# BOO!!!

## HALLOWEEN FUN

Not your average Trunk or Treat, "Nothing is Free in District B" was in full force for our annual Halloween parties and carnivals. We had lots of minute-to-win-it games, including a cake walk, haunted house (thanks to Metro) and Dracula's Donut Drop. Kids from District B played to get candy and had a great time doing it!

It's Flu season. Have you gotten your immunization updates? Southern Nevada Health District has immunizations available for Flu, RSV, Covid 19 and Pneumonia.

For more information or appointments, contact the Southern Nevada Health District here:

[www.southernnevadahealthdistrict.org/community-health-center/immunization-clinic/](http://www.southernnevadahealthdistrict.org/community-health-center/immunization-clinic/)

or Call (702) 759-0850.

#### SNHD Clinic locations:

Main Public Health Center – 280 S. Decatur Blvd., Las Vegas

East Las Vegas Public Health Center – 2950 E. Bonanza Rd., Las Vegas

Henderson Public Health Center – 220 E. Horizon Dr., Suites A & C, Henderson

Mesquite Public Health Center – 150 N. Yucca St., Suites 3 & 4, Mesquite

## Looking out for You

November is American Diabetes Month.

Diabetes is the leading cause of kidney failure, lower-limb amputations, and blindness.

**People with diabetes are also at greater risk of serious complications from flu and COVID-19.**

For more information about Diabetes, visit SNHD here:

<https://www.southernnevadahealthdistrict.org/Health-Topics/diabetes/>

#### Who Should Get Screened

- Adults age 35 or older.
- Adults who are overweight or have obesity.
- Anyone who has been previously diagnosed with prediabetes.
- Anyone who may be at risk for diabetes should follow up with a healthcare provider.

A listing of low-cost clinics that offer diabetes testing and treatment is available at [Low-Cost Clinics](#).

# 1 OCTOBER

8 YEARS  
VEGAS STRONG

togetherforbetter

## We Must Never Forget

This year, on the 8th anniversary of 1 October, our celebration of life and remembrance was especially meaningful. Seeing the faces of those from our community and beyond and hearing from our Elected Officials, Governor and loved ones made for a special tribute to the 58 lives lost that day and the two more who have passed since then.

# What is the Forever One Memorial ?

The Forever One Memorial will be a permanent monument honoring the 58 lives lost and the ones we have lost since their families, the more than 22,000 survivors, our emergency and first responders, and all those impacted by the tragedy that occurred on 1 October, 2017, at the Route 91 Harvest Festival in Las Vegas, NV.

With the site located on two acres of the festival grounds there is sacred significance to the land upon which the memorial will stand.

**Learn more about the Forever 1 Memorial and its impact here:**  
<https://foreveronememorial.org/>

**Learn more about the Path of Remembrance here:**

*Grab a postcard and learn how you can support by buying a commemorative paver or making a donation!*

FOREVER ONE MEMORIAL

REMEMBRANCE · RESILIENCE · COMMUNITY

LAS VEGAS, NV | OCTOBER 1, 2017

The Forever One Memorial will always be a part of our community as we have memories forever etched within our hearts. Whether you have been here for a long or short time, I hope that you will have a better understanding of the amazing place we call home.

## PATH OF REMEMBRANCE

# Helping Our Students

## SUCCEED

### Get **outside**

Physical Activity  
Increases  
Memory Function

Physical activity helps increase blood flow to the brain which increases memory function as well. To put it simply, once you get the blood pumping, you get the wheels turning.

Learning is a lifelong adventure and there are so many ways to do it. Here are some examples and information on ways kids can learn outside of school and build skills that will help them as they grow.

### *Crafting is Learning*

Crafts are a great family holiday activity. They reinforce many important school skills like attention to detail, following instructions, and maintaining focus. They also encourage creativity and imagination. Plus, kids end up with a great craft that they can feel proud of!

### Board Games

Playing board games can help kids develop critical thinking skills like strategy, analysis, and planning. They also help improve basic school skills such as addition, subtraction, and reading comprehension.

**Board Games Develop  
Critical Thinking Skills**

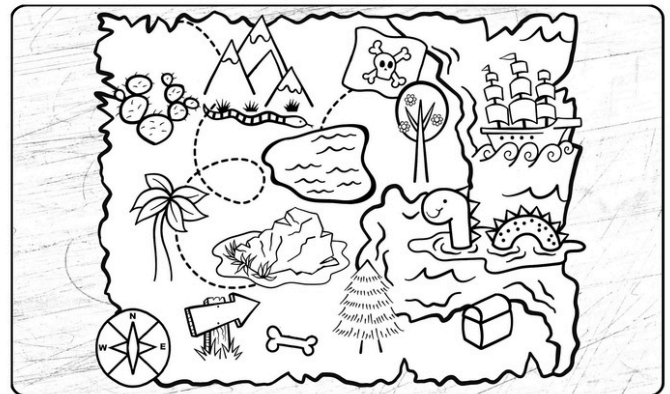

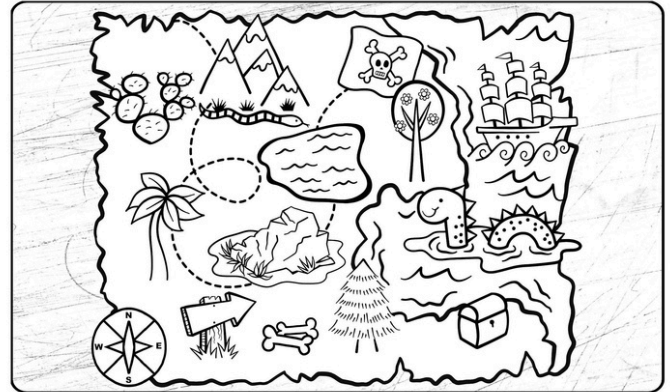

# WORK on a PUZZLE

Combine  
Problem-Solving  
Skills  
with Family Time

Jigsaws, sudoku,  
crosswords, search-  
a-words...puzzles  
are a great way to  
challenge the brain  
any time.

## SPOT THE DIFFERENCE

Can you spot the 13 differences between these two pictures?

## Toddler Play Building Blocks of FUN

PLAY  
is the Building  
BLOCKS of Life

### Different types of blocks:

Wooden Blocks  
Plastic Bricks  
(LEGO & Duplo)  
Foam Blocks  
Magnetic Tiles

Playing with building blocks helps preschoolers learn:

- Problem Solving
- Logical Thinking
- Hand-eye Coordination
- Communication
- Creativity
- Emotional Regulation

### Don't Have Blocks?

Cereal boxes  
Delivery boxes  
Books  
Food cans  
Soda cans  
Toilet Paper/Paper  
Towel rolls

Anything you can stack that will NOT hurt your toddler if/when it falls.

Putting it back together is half of the fun!

Clark County Parks and Recreation and the Bob Price Recreation Center Presents

## "Fill the Fire Truck" HOLIDAY TOY DRIVE

*New, Unwrapped Toys & Gift  
Cards for Kids & Teens*

Watch for off-duty firefighters collecting  
donations outside these Walmart stores on  
Saturdays & Sundays Dec. 6 - Dec. 21, 9-4 p.m.

- 6464 N. Decatur Blvd.
- 540 Marks St.
- 7200 Arroyo Crossing Pkwy.
- 1807 W. Craig Road
- 8060 W. Tropical Pkwy.

Donations can be dropped off at any Clark  
County Fire Station, 9 a.m. to 5 p.m. daily

December 1st, we turned the Welcome to Las Vegas sign **RED** for World AIDS Day.

On October 29th, we broke ground on the newest Las Vegas Metropolitan Police Department Substation near N. Hualapai and Grand Teton. We were joined by County and City officials, and Metro officers.

This substation is a huge step to bringing quicker responses and increased safety to people living in the area.
