Community Highlight

In June we visited a great community of kids at The Tides apartment complex. We hung out, played games, enjoyed music and snow cones. The icing on the day was new bikes that we provided the kids at the complex.

The After Market at The Foundation Christian Center Grand Opening

June 13th we celebrated the Grand Opening of The After Market with the Foundation Christian Center, the market is located at 4337 Las Vegas Blvd N Building B, Las Vegas, NV 89115 near the Nellis Air force Base. This new grocery store, kitchen, and food pantry will provide access to fresh food and produce in a neighborhood that hasn't had a grocery store since a nearby Wal-Mart closed in 2016.

This was a community effort, six years in the making, with support from Clark County. The doors are now open and we encourage everyone to visit and support The After Market.

A dark grey chalkboard background with various school supplies scattered around. On the left, there's a red stapler, a green paperclip, and a white eraser. On the right, there's a wooden ruler, several colored pencils (green, pink, yellow, blue, purple), and a yellow highlighter. The text 'Back to school Tips' is written in a white, cursive font for 'Back to school' and a bold, sans-serif font for 'Tips'.

Back to school Tips

Be on time

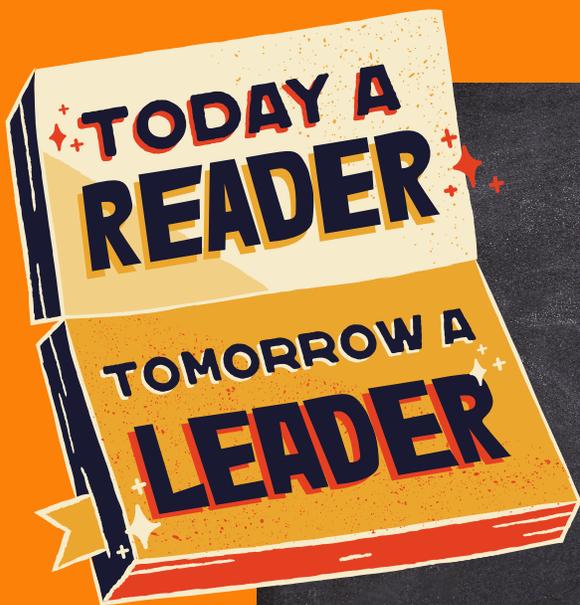

Have your children put their shoes in the same place every night

Leave your bookbag by the door after you have finished your homework

Set out your outfit the night before

Leave 5 minutes early in case of traffic (don't forget that you can receive a big ticket for speeding in a school zone)

Establish a nightly and morning routine

While we have No official role in the CCSD system, we stay engaged in the schools in our district. Literacy is very Important to me. We encourage kids to read 10 minutes a day.
