## **Clark County District B Newsletter**

Dear Residents,

Here is your monthly update and calendar of upcoming events. This month we have included due dates for property taxes and a quick reference telephone directory.

We are making strides on the many projects in the works, and even shared pictures from the one at Cora Coleman Senior Center.

I want to thank those residents who did not participate in illegal fireworks. There is a much work to be done, but as a community we will continue to strive to make our valley safer.

Please do not hesitate to reach out if our office can be of assistance.

*Marilyn*

### **Back-to-School Safety Tips: School Starts Monday**

- **Please remember to watch for school zones, as there are big fines.**
- **Watch for children who may dart out in traffic.**
- **We'd love to join you at school events, so if you are planning something, please ask for our participation.**
- **Have fun!**

## Lunch & Learn

We kicked off the summer to a full house at our Sun City Aliante quarterly luncheon.

Our topic for this luncheon was healthy food and gardening. We were pleased to have Green Our Planet give a presentation on the school garden program, sharing the benefits of kids learning to grow their own food. We even had a free Farmer's Market of produce grown in the schools. Three Square Food Bank also joined us to share the work they are doing in the valley to provide food to those in need. They brought out a bounty of potatoes and onions and boxes of fresh peaches. By showing what they do, we hope that folks will want to volunteer to help these great organizations.

Keeping with the good food theme, we set up an amazing chopped salad buffet with all the fixings.

After lunch everyone was invited to fill a bag with fresh produce.

If your community would like to have Marilyn come out, please contact Vanessa at (702) 455-3522.

# VOLUNTEERS NEEDED!

## COMMUNITY GARDEN BUILD

### SOUTHERN NV ADULT MENTAL HEALTH SERVICES

#### DESCRIPTION

We are looking for volunteers to help build a community garden at Southern Nevada Adult Mental Health Services!

We will be building brick garden beds, spreading mulch, soil, and gravel, planting trees, and more! No gardening or teaching experience is required.

We will meet at the build site. It should be very obvious with already-built brick beds, big piles of gravel and soil. You can either park nearby on the street or in the parking lot.

Each volunteer will need to sign a waiver at the build. Volunteers under 18 must have a parent or guardian sign for them. All ages are welcome! Volunteers under 15 must have an adult present.

Be sure to bring water and wear closed toe shoes, sun protection, and work clothes. We will provide gloves and tools.

Any changes will be emailed out prior to the build!

#### DATE AND TIME

## Family Fun Out of the Sun

Even though school will be starting, it still feels like summer out there and you may want to get out of the house. Why not go bowling? Visit Santa Fe or Boulder Station and check out the bowling alley. Not only are the lanes designed for all ages and levels of experience, it is economical too.

Remember to visit your local library. Not only can you check out some great books for your back- to- school reports, you can sign up for homework help. Also be sure to stop by the DVD section for some movies. You can then head home to the cool air conditioning and have a free movie night for the whole family. This is the perfect way to catch up on movies you missed at the theater.

Visit <http://www.lvcclld.org> for more information and activities.

## Department of Family Services Luncheon

July 19, our office hosted the first of six luncheons with the Department of Family Services. The luncheons are a chance for the hard working employees of the Family Services Department to share ideas and work collaboratively with the commissioners, county managers and the district attorney's office. After enjoying some great food, employees were given the chance to voice concerns and offer suggestions in an open discussion. Our best chance at improvement is working together and we will share our progress as this project continues.

## Back to School

More than 300,000 CCSD students head back to school Aug. 13. Here's some information to help make the transition a little easier.

**Registration:** Visit <http://www.ccsd.net/parents/enrollment/> for all enrollment information, everything from finding the school your child is zoned for, and what documents you will need for enrollment, to necessary vaccines.

### Health District encourages parents to get children's school shots early

The Southern Nevada Health District urges parents and guardians to beat the back-to-school rush by bringing their pre-schoolers, kindergartners, and 7<sup>th</sup> graders for mandatory vaccinations to one of its public health centers. This year, the first day of school for students in Clark County is Monday, August 13. For information, contact the Health District's immunization clinic, (702) 759-0850 or visit the [Vaccines for School](#) page. For wait times, follow us on Twitter @SNHDinfo or visit our website, [www.SNHD.info](http://www.SNHD.info).

Parents vaccinating a child at a Health District clinic should bring immunization records. Parents who cannot locate their children's immunization records should contact their health care provider. If their children were immunized in Nevada, parents can also visit Nevada WebIZ, a statewide immunization registry, at <https://izrecord.nv.gov/public/Application/PublicPortal> or call Nevada WebIZ at 1 (877) 689-3249. Non-custodial adults may accompany a child; however, written consent must be provided to the Health District from the parent or guardian at the time of service. An administrative fee and cost of vaccine may apply depending upon insurance status. The Health District accepts most insurance plans. Not all immunizations are covered by insurance. Contact the Health District's immunization clinic for information and current fee schedule.

Now until Friday, August 17, the Health District's Family Health Clinic at 280 S. Decatur Blvd. will be open Monday through Friday to offer children's physicals and office visits as part of its back-to-school activities. The cost of the physical is \$85. Clients who pay cash will receive a \$35 discount. For additional information about the Family Health Clinic, call (702) 759-0850.

The Health District is offering back-to-school immunizations at its following locations. Clients must arrive by 4 p.m. to receive services.

- **Main Public Health Center, 280 S. Decatur Blvd., Las Vegas**  
Monday-Friday, 8 a.m.- 4:30 p.m.

*Travel vaccines will be available 8 a.m. -3 p.m.; clients should expect longer wait times.*

- **East Las Vegas Public Health Center, 560 N. Nellis Blvd., Suite E12, Las Vegas**

*By appointment through August 17. Call (702) 759-1682.*

## HIDDEN GEM

**Each month we highlight a place of interest in our district.**

**This month we bring you: The Clark County Shooting Complex**

Located at the end of north Decatur Blvd, this gem has been open since 2010. The shooting complex site is located on 2,900 acres. The actual shooting area, however, is much smaller as a larger area was planned to provide a buffer around the shooting area to provide increased safety. The Public Module presently encompasses 178 acres, and the entire build out will utilize approximately 900 acres. This modern shooting range has been designed to protect the environment while providing safe shooting opportunities for the public and comply with all federal, state, and local codes and ordinances.

### RANGE FEATURES

- Archery Center - The Archery Center houses a known-distance archery range, covered firing points, port-a-potties, night lights, and a separate 3-D walking range (no lights).
- Shotgun Center - This feature contains 24 combination Trap and Skeet fields, a 5,443-square-foot Shotgun Center, a Pro Shop, shotgun storage lockers and a cafeteria. It also features 80 pull through RV sites with 30 and 50 amp hook up, a clay target storage building, lighted ranges and shade ramadas.
- Rifle-Pistol Center - The public Rifle-Pistol Center offers 30 shooting points to 50 yards; 15 points to 200 yards; 15 points to 100 yards, night lights, shade ramadas, concrete shooting tables and seats, covered shooting areas, a 3,000-square-foot building with a convenience store, a 30-seat classroom, restrooms and a Pro Shop.
- Education Center - This 4,400-square-foot building contains three 30-seat classrooms expandable up to one 90-seat classroom, two offices for Nevada Department of Wildlife use, and restrooms. It also features night lighting, a 100-meter archery range, a 100-yard range, and a 50-yard range. It also includes a shotgun range and two walking field courses.

The epicenter of the Clark County Shooting Complex is the world-class Shotgun Center. The Shotgun Center houses a Pro Shop including Beretta apparel to firearms cleaning and tool kits, and Clark County Shooting Complex logo items. Try a few rounds of trap or skeet, or participate in our many events including a Wednesday night trap league. Enjoy great food by Road Kill Grill II, featured in Guy Fieri’s “Diners, Drive-ins and Dives. If you're not into firearms, or have small children, there is a family-oriented, fixed distance Archery Range with a shaded overhang and targets out to 100 yards. There is also a 3D course with two miles of trail and a wide selection of targets at varying distances. In addition, this area features a separate, large shade structure with eight picnic tables and BBQ grill. Bring the family and enjoy the peace and quiet while having your own picnic. Rental equipment for all ages is available for a nominal fee.

The Complex is focused on being the best (safe, affordable, fun, family oriented, public, world class) shooting facility in the world. With focus on training, education and programs to support the shooting sports. For more information visit <http://www.clarkcountynv.gov/parks/pages/clark-county-shooting-park.aspx>

## Ice Cream Social

With summer break quickly coming to an end, we headed out to Liberty Village Apartments to enjoy some cool treats and make new friends. With the help of Three Square Food Bank and some of our other community partners we handed out snow cones and ice cream sundaes to more than 200 residents. Principals and Vice-principals of Lowman & Manch elementary schools got a chance to meet future students, and community partners got to share resources all while sharing some sweet treats.

## Northern I-215 Beltway Getting Full Buildout Between North 5th & UPRR

Motorists including those who frequent the Veterans Administration hospital at 6900 North Pecos Rd. in North Las Vegas should be aware that work is getting underway on fully building out the I-215 Beltway from North 5th Street to the Union Pacific Railroad, just west of Range Road.

The Pecos Road crossover at the beltway closed starting **Monday, July 23** as work when crews began work on the bridge. Westbound Beltway traffic now has to access Pecos Road to and from the south at Lamb Boulevard, Losee Road or other alternative routes. The crossover will be closed for two to three months while, Las Vegas Paving, works on the footings, columns and abutments of the Pecos Bridge. During this time, crossovers at Lamb Blvd. and Losee Road will remain open.

A \$70 million project, it includes building out I-215 to a full freeway, including new interchanges and bridges at the Beltway with Losee, Pecos and Lamb and related work including pavement, medians, high-mast lighting, drainage facilities and more. The project also includes work extending south of the Beltway for each road of Losee, Pecos and Lamb and associated drainage facilities. There will be some work occurring along the Beltway from Decatur to North 5th during the first six months.

"We're very excited to move this project forward," said Commissioner Marilyn Kirkpatrick, who added that the project is getting underway sooner than previously anticipated. This portion of the beltway is in the commissioner's district.

Motorists should pay attention to area message boards as work continues over the course of the next 21 months.

## Cora Coleman Senior Center

Although the senior center is currently under construction receiving a much needed expansion that has not slowed the crowd at Cora Coleman one bit! Here are pictures of the work in progress and some pictures from events they have had since construction began.
