

1Care Home Health is an in home pediatric nursing company located in Las Vegas, NV. We cover the entire Las Vegas and Henderson area. In addition to doing nursing visits, we can provide private duty nursing in Pahrump. Generally a G-tube, trach, or vent patient will get extended nursing hours under all medicaid plans. Our extended nursing shifts go from 4-12 hours. The amount of hours we can provide per week are determined by insurance.

1Care Home Health is licensed by the Nevada Department of Health and Human Services and certified by Medicare and Medicaid and accredited by CHAP

1Care Home Health does not discriminate and does not permit discrimination, including, without limitation, bullying, abuse or harassment, on the basis of actual or perceived race, color, religion, national origin, ancestry, age, gender, physical or mental disability, sexual orientation, gender identity or expression or HIV status, or based on association with another person on account of that person's actual or perceived race, color, religion, national origin, ancestry, age, gender, physical or mental disability, sexual orientation, gender identity or expression or HIV status. If you believe that 1Care Home Health has discriminated in anyway, you may file a complaint in person, by phone or fax by using the following contact information:

3087 E. Warm Springs Rd Ste 200B
Las Vegas, NV 89120

Our experienced and dedicated team of pediatric nurses will care for children ages 0-21. Our compassionate nurses have extensive experience in (but not limited to):

- Well Baby Checks (Weight Checks)
- TPN
- IV Infusion Administration & Teaching
- Wound Care
- Lab Draws
- Ostomy
- G-tube Pump Teach/Reinforce
- Education on Diabetic Management
- Chronic Disease Management

In addition to our home nursing visits, we have nurses available by phone 24/7 to answer questions about our patients care and address urgent needs.

Our nurses will do home visits 2 to 3 times a week. Our visits average about one hour long. This can last one week, other times authorization will be for a number of weeks. The patients individual insurance plan dictates how many visits a patient will receive. 1Care does not bill the patient privately.
