The Clark County District Attorney's Office is pleased to announce that Sergio Garcia, Assistant Director of Administration, has been selected by Vegas Inc. as a recipient of its 40 Under 40 award. Garcia was featured in the publication's March 31, 2022, edition.

Garcia was born and raised in Southern Nevada and has amassed a well credentialed professional career within Clark County Government starting at the age of 18 with the Clark County District Attorney's Office. Over the last 21+ years he has become a trusted executive and leader, most recently, coming back to the Clark County District Attorney's Office in January 2020. His County Government career has spanned the Public Safety, Information Technology, Judicial, and Law Enforcement sectors.

As the Assistant Director for the Clark County District Attorney's Office, he oversees the Administrative Division which consists of Human Resources, Finance, Information Technology, Bad Check Unit, and the Victim Witness Assistance Center. Our office is the largest law firm in the State of Nevada with over 650 employees and a total yearly budget of almost \$100 million dollars.

"Mr. Garcia is in a crucial role within the District Attorney's Office. I value his maturity, insight and overall daily contributions to our organization - - especially during the COVID-19 pandemic. He is intelligent and a critical thinker, and his value extends beyond our internal organization to all victims, community partners, and constituents that we serve here in Southern Nevada," said Clark County District Attorney Steve Wolfson.

Garcia holds a bachelor's degree in business administration and continues to have deep volunteer roots throughout the community. He is a former Board of Director for New Vista which provides loving, safe, and carefully tailored residential services that welcome
