Acceptance: Notwithstanding any provisions of law, including U.C.C. 2-207 or NRS 104.2207, Provider's written acceptance of this Purchase Order, or Provider's commencement of performance without providing a written rejection of the Purchase Order to Clark County within five (5) business days of receipt, shall convert this Purchase Order, in its entirety, into a legally binding contract. Each heading within these terms shall indicate its applicability. Whether these terms are included in an offer or an acceptance by Provider, Clark County's acceptance is conditioned on Provider's assent to these terms. Any additional, different or conflicting terms contained in Provider's contract, quotation, proposal, invoice(s), browsewrap, clickwrap, shrinkwrap or other non-negotiated terms and conditions published by Provider, or any other written or verbal communication from Provider shall not be binding in any way on Clark County whether or not they would materially alter the Purchase Order, and Clark County hereby objects thereto. Except for the "Rules of Precedence" Section below, these terms do not apply if a specified bid award or contract is referenced on the face of the Purchase Order.

Rules of Precedence: In the event of a conflict, the following rules of precedence shall govern the Purchase Order: (1) terms and conditions on the face of the Purchase Order prevail over the Standard Purchase Order Terms and Conditions; (2) all terms and conditions of the Purchase Order prevail over the Uniform Commercial Code Article 2; (3) all terms and conditions of the Purchase Order prevail over any Provider contract, quotation, proposal, invoice(s), browsewrap, clickwrap, shrinkwrap or other non-negotiated terms and conditions published by Provider, or any other written or oral communication from Provider; and (4) the terms and conditions of a Clark County issued solicitation, award or contract referenced on the face of the Purchase Order prevail over the Standard Purchase Order Terms and Conditions.

New Equipment: Provider shall guarantee that the items provided under the Purchase Order are new, of the latest and most improved model of current production and of first quality as to workmanship and material used in said units. Further, Provider represents and warrants that the services shall be completed in accordance with applicable specifications and shall be correct and appropriate for the purposes contemplated in the Purchase Order. Provider represents and warrants that the performance of services under the Purchase Order will not conflict with, or be prohibited in any way by, any other agreement or statutory restriction to which Provider is bound. These warranties shall be in addition to all other warranties, express, implied and statutory. Acceptance or receipt of payment for services shall not constitute a waiver of any warranty.

Ownership of Documents: All materials, drawings, specifications, reports or other documents given, prepared or assembled by Provider are deemed to be Clark County's property when prepared, whether delivered to Clark County or not, constitute "work made for hire" (and all copyrights to which belong to Clark County), and shall, together with any materials furnished to Provider by Clark County, be delivered to Clark County upon request, and, in any event, upon termination or final acceptance of the services. In any event, Provider assigns to Clark County all intellectual property rights in such work whether by way of copyright, trade secret or otherwise, and whether or not subject to protection by copyright laws. However, Provider shall retain all rights to its preexisting standard details, specifications, computer software or other intellectual property and hereby licenses such preexisting materials to Clark County through a fully paid, worldwide, royalty-free, non-exclusive and perpetual license, for Clark County's own use and any future use, replacement, or correction of the services. - III. Provider will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with Provider's legal duty to furnish information.
- IV. Provider will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of Provider's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- V. Provider will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- VI. - VII. In the event of Provider's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and Provider may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- VIII. Provider will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or contractor. Provider will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event Provider becomes involved in, or is threatened with, litigation with a subcontractor or contractor as a result of such direction by the administering agency, Provider may request the United States to enter into such litigation to protect the interests of the United States.

Provider further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, That if Provider so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

Provider agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will

furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

Provider further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, Provider agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to Provider under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such Provider; and refer the case to the Department of Justice for appropriate legal proceedings.

In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or sub-recipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Rights to Inventions Made Under a Contract or Agreement: If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or sub-recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or sub-recipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants,

Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Clean Air Act and the Federal Water Pollution Control Act: Contracts and sub-grants of amounts in excess of the Federal simplified acquisition threshold must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). If applicable, Provider agrees to comply with all applicable standards, orders or regulations issues pursuant to the Clean Air Act, as amended, 33 U.S.C. 1251 et seq. Further, Provider agrees to report each violation to Clark County and Clark County will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office. Finally, Provider agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance provided by FEMA.
