Vacation Agency Recommendation Letter

DATE: January 12, 2026
 APPLICATION #: VS-YY-XXXX
 CONTACT NAME: Name – Company

The above Vacation and Abandonment application has been approved at either the Planning Commission or Board of County Commission meeting, however, the application will not be approved to record until all the conditions stated in the enclosed Notice of Final Action letter have been satisfied. In addition to satisfying the conditions, all utility agencies must respond. It is your responsibility to make sure Clark County has the necessary responses in order to record the Order of Vacation. A request for a recommendation has been sent to each of the utility agencies listed below; responses received as of the above date are also shown. You will need to contact the utility agencies that have not yet responded.

The utility companies must provide a response within 90 days of approval of the vacation application. All utility responses will be included as part of the vacation and abandonment recording.

Clark County is only vacating their interest and any utility easement that is no longer needed will need to be relinquished with each individual utility company (contact information below).

If you have any questions contact at Clark County Public Works, Survey Division, Map Team 702-455-2100 or e-mail rightofway@clarkcountynv.gov

Please contact the agencies marked below as “NO RESPONSE” and request that they advise the Survey Division, Map Team in writing, any requirements they may have.
