## NOTICE TO INDUSTRY

### SUBJECT: 2026 4<sup>th</sup> OF JULY PYROTECHNIC PERMIT DEADLINE

The Fire Prevention Bureau anticipates a significant increase in events surrounding the 4<sup>th</sup> of July holiday this year. Events that include indoor pyrotechnics, fireworks displays, flame effects, fog effects, and any other type of special effects will require permitting and inspection approval.

Due to a higher than normal volume of requests and the need to effectively allocate sufficient staffing and resources, a strict submission deadline will be enforced. All pyrotechnic fire permit applications and plans must be submitted **no later than close of business, Tuesday, June 2, 2026**, online, via Customer Portal at:

<https://aca-prod.accela.com/CLARKCO/Login.aspx>

Submissions received after this deadline may not be reviewed or approved in time for the holiday, and staffing cannot be guaranteed.

Your cooperation is greatly appreciated.

Thank you,

*Danny Horvat*
