**QUESTION 1: What did you accomplish during this reporting period?
How did these accomplishments help you reach the goal of your project?
If relevant, what indicators or benchmarks were used to determine your progress?**

During this quarter no project related goals were accomplished with regard to milestones or deliverables. However, preparations were underway to ensure a successful start to the project season. Authorized Biologists were submitted March 5 to add additional staff capacity to the project.

QUESTION 2: What, if any, problems were encountered? Briefly describe those problems and the manner in which they were dealt.

One problem was encountered this quarter. Authorizations were not back from USFWS by the March 30 deadline for the permit submittal. Scott Cambrin was made aware in advance that delivery of that item would be delayed into the following week.

QUESTION 3: What, if any, proposed activities were not completed? Briefly describe those activities, the reasons they were not completed and your plans for carrying them out.

No proposed activities were completed this quarter.

QUESTION 4: What is the calculated percent of work completed?

The percent of work completed currently sits at 0%.

**QUESTION 5: Do you foresee any upcoming problems with future project activities?
If so, how do you propose to overcome those problems?**

The project is well staffed and should run the smoothest it has so far this year under the last two contracts.

QUESTION 6: Is there anything else you want to tell the DCP about this project?

Bio Logical appreciates the cooperation and opportunity to work with the DCP and Scott Cambrin.

QUESTION 7: What was produced during the reporting period?

Nothing was produced during the reporting period.
