

CLARK COUNTY, NV

FY2019-2020

ACTION PLAN

Patriot Place Veteran's Supportive Housing | ASI

U.S. Department of Housing and Urban Development

Community Development Block Grant

Emergency Solutions Grant

HOME Investment Partnerships

Clark County
Boulder City
Mesquite
North Las Vegas

Executive Summary

AP-05 Executive Summary - 91.200(c), 91.220(b)

1. Introduction

The Annual Action Plan meets the United States Department of Housing and Urban Development (HUD) requirements for consolidating the application for several grant programs into one submission. The programs include: the Community Development Block Grant (CDBG), HOME Investment Partnership Act (HOME), and Emergency Solutions Grant (ESG). These programs are intended to accomplish three main goals: Secure decent housing, provide a suitable living environment; and expand economic opportunities for low- and moderate-income persons. This 2019 Annual Action Plan addresses the activities of both the Clark County CDBG Urban County Program, which consists of Clark County, the City of Boulder City and the City of Mesquite, and the Clark County HOME Consortium, which consists of Clark County and the City of North Las Vegas. In addition to these formal HUD consortia efforts, all jurisdictions within Clark County coordinate efforts through the Southern Nevada Consortium, through which the county, cities, and other stakeholders meet, communicate, share plans and projects and sometimes pool funding.

In FY 2018, the City of North Las Vegas transitioned from being part of the Urban County Program to become an independent entitlement jurisdiction for CDBG and ESG funds. The City will remain part of the HOME Consortium with Clark County and will continue to coordinate on the Annual Action Plan, CDBG and ESG as part of the Southern Nevada HUD Consortium.

2. Summarize the objectives and outcomes identified in the Plan

Clark County, Boulder City and Mesquite comprise the CDBG Urban County Program. Clark County is also the lead of the HOME Consortium which consists of Clark County and the City of North Las Vegas. These consortiums are referred to as the HUD Consolidated Plan (HCP) Consortium.

The HCP Consortium will focus on the following goals over the next five years:

- Provide Decent and Affordable Housing - New Construction of Multi Family and Single Family Housing, Acquisition/Rehab/Resale or Rental of Single Family Housing, Tenant Based Rental Assistance, Rehabilitation of Rental and Owner Housing, and Homebuyer Assistance.

- Prevent and End Homelessness
- Provide Community and Supportive Services
- Provide Community Facilities and Infrastructure

The HCP Consortium is working to end homelessness, reduce poverty, and ensure the availability of safe, high quality affordable housing.

The FY2019-2020 HUD Annual Action Plan Resources and Projects document in the Appendices identifies the organizations, projects/programs, funding source and funding amount allocated for FY2019-2020 to meet the objectives and outcomes identified above.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

During the 2017 Program Year, 543 units of affordable multi-family housing were completed, including 225 newly constructed units for seniors and 50 newly constructed veteran supportive housing units. In addition, 3 acquisition/rehabilitation rental single-family units were funded, 2 homebuyers were assisted with acquisition, 2 homebuyers with acquisition and rehabilitation. The Tenant Based Rental Assistance Program assisted 112 households with rental assistance.

In FY 2017-2018, the Clark County FY2015-2019 CDBG Capital Improvement Plan entered its third year with a few projects coming to completion and others advancing. Capital Improvement Projects that saw completion or progress in FY2017-2018 include the following:

- The Boulder Highway Collaborative Campus was completed in June 2018 which includes Lutheran Social Services of Nevada, a two story building featuring offices, conference rooms, food bank, demonstration kitchen and multi-purpose rooms and a Boys & Girls Club, located in a new building that includes a game area, teen area, office, technology center, cafeteria, kitchen and learning center.
- In FY2017-2018 the Winchester Cultural Center Expansion, which includes the addition of a fitness room, computer lab, classrooms, and an art studio, was completed in December 2018.
- The Nevada Partners, Inc. Regional Workforce Development Center (RWDC), a two-story 16,326 square foot mixed use building dedicated to workforce development, including instructional

space, conference rooms, meeting spaces, a computer lab, a call center, and training spaces for pre-construction trades and technology is scheduled for completion in early 2019.

- A new 3,322 square foot residential center, Spring Mountain Youth Residential Center (SMYRC) that will be operated by the Department of Juvenile Justice was recently completed.

During FY2017-2018, the City of North Las Vegas continued work on ADA sidewalks in the area bordered on the west by Craig Road, on the north by Decatur, on the east by Valley Drive and on the south by Alexander. This work includes installing 18 concrete sidewalk ramps without spandrels and 35 concrete sidewalk ramps with spandrels, as well as 10 curb and gutter improvements. The sidewalks included 822.25 linear feet and 219.5 linear feet of type L curbs and gutters. North Las Vegas finished work on a water valve replacement project and also continued work with the Choice Neighborhood Initiative and began pursuing designation as a Neighborhood Revitalization Strategy Area.

The City of Mesquite continued working on projects to improve public parks. Boulder City continued work with road improvements and the Elm Street retaining wall and its public service projects.

4. Summary of Citizen Participation Process and consultation process

The FY2019-2020 Annual Action Plan included many opportunities for citizen input and comment. In addition to announcements in the local newspapers concerning the availability of federal housing and community development funds, Clark County and Boulder City held public hearings regarding the allocation of federal funds. Further, for Clark County, a permanent Citizen's Advisory Development Committee (CDAC) was involved in the review of HOME and ESG applications; CDAC toured proposed sites, received presentations and materials from each applicant and made selections for funding. Their recommendations strongly guided the County's funding decisions.

5. Summary of public comments

During the February 20, 2019 public meeting of the Community Development Advisory Committee, a representative of the Salvation Army commented regarding the agency's appreciation of CDAC members' volunteer efforts in evaluating applications.

During the May 7, 2019 Public Hearing for the FY2019/2020 Action Plan, one citizen shared comments related to homelessness, the rising cost of housing in Clark County and spoke to the need for facilities and resources to assist homeless individuals with mental health issues.

6. Summary of comments or views not accepted and the reasons for not accepting them

Clark County accepts all comments or views.

7. Summary

The Clark County HOME Consortium will continue to strive to provide decent housing to low and moderate income households. The Consortium objectives include increasing the availability, accessibility and affordability of all types of housing through new construction and rehabilitation of multifamily housing.

The HCP Consortium will continue to work to end chronic homelessness and increase the number of homeless people moving into permanent housing.

The Clark County Urban County CDBG Program will continue to support activities that improve services for low and moderate income persons and improve or increase the quality of public improvements and public facilities.

PR-05 Lead & Responsible Agencies - 91.200(b)

1. Agency/entity responsible for preparing/administering the Consolidated Plan

The following are the agencies/entities responsible for preparing the Consolidated Plan and those responsible for administration of each grant program and funding source.

Agency Role	Name	Department/Agency
Lead Agency	CLARK COUNTY	
CDBG Administrator	CLARK COUNTY	Social Service/Community Resources Management
HOPWA Administrator		
HOME Administrator	CLARK COUNTY	Social Service/Community Resources Management
ESG Administrator	CLARK COUNTY	Social Service/Community Resources Management
HOPWA-C Administrator		

Table 1 – Responsible Agencies

Narrative

The HUD Consolidated Plan meets the United States Department of Housing and Urban Development (HUD) requirements for consolidating the application for several grant programs into one submission. The programs include: the Community Development Block Grant (CDBG), HOME Investment Partnership Act (HOME), and Emergency Solutions Grant (ESG). These programs are intended to accomplish three main goals: secure decent housing, provide a suitable living environment, and expand economic opportunities for low and moderate income persons. Clark County and the cities of Boulder City and Mesquite are the local entitlement communities that comprise the CDBG Urban County Program, sometimes referred to as the HUD Consolidated Plan (HCP) Consortium. Clark County is the lead agency in the Urban County Program. Clark County is also the lead in the HOME Consortium, which consists of Clark County and the City of North Las Vegas.

The planning period for this HCP Consortium Annual Action Plan is FY2019-2020 (July 1, 2019-June 30, 2020.)

Consolidated Plan Public Contact Information

Questions concerning the FY2019-2020 Annual Action Plan should be directed to Deanna Judkins, Principal Planner, at:

Community Resources Management

AP-10 Consultation - 91.100, 91.200(b), 91.215(I)

1. Introduction

The HCP Consortium Annual Action Plan is developed through a cooperative effort among all jurisdictions affected by the plan. There are currently two housing and community development consortia in Clark County: 1) the Urban County CDBG Program, consisting of Clark County and the Cities of Boulder City and Mesquite; and 2) the Clark County HOME Consortium, consisting of Clark County and the City of North Las Vegas. The Cities of Boulder City and Mesquite are part of the HOME Consortium by virtue of their participation in the CDBG Consortium. Each subrecipient grantee is consulted by Clark County while researching and writing the plan. The City of Las Vegas and the City of Henderson are separate CDBG and HOME entitlement recipients and submit their own Consolidated Plans. However, Clark County and the other CDBG Urban County and HOME Consortium members coordinate with these two entitlement jurisdictions.

All six jurisdictions (Clark County, City of Las Vegas, City of North Las Vegas, City of Henderson, City of Mesquite and City of Boulder City) are members of the Southern Nevada HUD Consortium, which holds bi-monthly meetings to discuss issues, including the Consolidated Plan and community trends. The Consortium members share progress and elements of each of their Annual Action Plans. In addition to these jurisdictions, the Nevada Housing Division, the Southern Nevada Regional Housing Authority, and the Southern Nevada Homelessness Continuum of Care participate in the Southern Nevada HUD Consortium.

Clark County makes the HCP Consortium Consolidated Plan available to all jurisdictions for their review and comment. The plans are consistent and outline similar goals for the five-year period.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I)).

Regional level coordination takes place through several avenues, including the Southern Nevada Regional Planning Coalition (SNRPC), and its various committees, Southern Nevada Strong, the Southern Nevada Homelessness Continuum of Care (SNH CoC), and the Southern Nevada HUD Consortium

Meetings. These organizations bring together all of the local governmental jurisdictions, along with the Regional Transportation Commission, the Clark County School District, the Metropolitan Police Department, Southern Nevada Adult Mental Health Services, and the Southern Nevada Regional Housing Authority, among others.

Local jurisdictions also work together with the appropriate agencies on grant applications for non-entitlement funding, including Choice Neighborhoods, RAD, and other opportunities that become available each year.

Clark County brings the community together for bi-monthly Southern Nevada HUD Consortium Meetings to coordinate on regional issues related to HOME, CDBG, NSP, ESG/CoC and cross-cutting federal regulations. The discussions relate to joint projects, coordination of grant applications and emerging issues. A representative from the CoC attends to enhance the coordination with the CoC. A representative of the Nevada Housing Division attends on a regular basis, as well as staff from the Southern Nevada Regional Housing Authority. The broad based participation in the Consortium meetings allows for an assessment of the regional impact of housing, homeless and community development policies and projects. The group occasionally invites special guests, such as elected officials' staff members, in order to communicate and collaborate across governmental levels.

A variety of other groups provide opportunities for the various jurisdictions' governments to coordinate with outside entities in the promotion, production and planning of affordable housing and homeless assistance. These groups include:

- State of Nevada Department of Business and Industry Special Advisory Committee on Private Activity Bonds: a committee that includes executives from the State Department of Business and Industry and the Executive Directors from the Nevada Association of Counties (NACO) and the Nevada League of Cities (NLC).
- United Way Emergency Food and Shelter Program Board (EFSP): a volunteer board that reviews applications from non-profits and makes recommendations on projects for award of EFSP funds.
- Southern Nevada Area Population Projection and Estimation Committee (SNAPPE): a volunteer group that meets monthly to discuss population projections, discuss demographic trends and hear from local experts on related topics. Southwest Gas, NV Energy, Las Vegas Valley Water

District, and representatives from each jurisdiction's comprehensive planning departments participate in this group, including a representative of the Southern Nevada Consortium.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

Southern Nevada was ahead of most other communities in the country in creating a regional collaboration on homeless issues, while respecting the individual political entities. An initial regional framework designed by SNRPC in 2003 took on an updated governance structure that incorporated the rules and regulations enacted through the HEARTH Act and the Continuum of Care (CoC) Program in 2009. The SNRPC Committee on Homelessness and CoC were merged into one cohesive structure in 2014, known as the Southern Nevada Homelessness Continuum of Care (SNH CoC), governed by the Southern Nevada Homelessness Continuum of Care Board (SNH CoC Board).

Clark County Social Service provides the staff support for the activities of the SNH CoC. The SNH CoC Board identifies homeless issues and gaps in services, coordinates the allocation of funds, and develops and evaluates HELP HOPE HOME, Southern Nevada's Regional Plan to End Homelessness. A Steering Committee focuses on routine administrative business matters. Activities of the SNH CoC Board include yearly strategic planning, the annual homeless census/point-in-time count, regional coordination, inclement weather shelter, HMIS, system evaluation, HEARTH Act implementation and other activities. Members include the directors of Clark County Social Service, Office of Community Services for the City of Las Vegas, and Neighborhood Services for the Cities of North Las Vegas and Henderson; the Veterans Administration; the Nevada Homeless Alliance, the Southern Nevada Adult Mental Health Services, the Clark County School District Title I, the Chief of the Las Vegas Metropolitan Police Department, MGM Resorts, and the City of Boulder City. The SNH CoC empowers working groups to address mandates and/or topics of critical importance. Members of working groups represent a cross-section of stakeholders determined to end homelessness, including well versed, experienced representatives from public and private agencies, who bring a wealth of experience in public policy/administration, homeless services, domestic violence and sub-populations of homeless.

The CoC Evaluation Working Group oversees the planning, operations and activities of the CoC with staff support from Clark County Social Service. They develop updates to and ensure compliance with the regional 10-year strategic plan through: monitoring of performance measures and outcomes; conducting the services and housing gaps analysis; planning for the Point-In-Time count (PIT) of the homeless population; reviewing/ recommending potential CoC projects; submission of the CoC application; HEARTH implementation and any other activities under the CoC. Clark County and the City of North Las Vegas staff are active participants in the CoC EWG. The ESG program is a standing item on the agenda. All CoC EWG meetings are open to the public; providers or interested parties are encouraged to volunteer for appropriate subgroups representing specific populations. The Southern Nevada Housing and Homeless Plan includes all of the jurisdictions in Southern Nevada and outlines goals and strategies to guide local governments in funding, developing and supporting homeless services. This plan is incorporated by reference in all jurisdictions' Consolidated Plans.

Clark County CRM staff currently serves on the Moving-On Sub Working Group of the Built for Zero Working Group. This sub working group identifies clients that are ready to “move-on” to stability on their own, clients who have skills and resources necessary for permanency and no longer have to rely on the homeless services system. The group is developing tools to assess readiness and creating a referral system for units for this population.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction’s area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

All ESG recipients in the CoC’s geographic area have representation on the CoC EWG. ESG is a standing item on the CoC EWG monthly meeting agenda, where ESG grantees provide information on allocation of ESG funds, work with the CoC EWG to develop performance standards and report on subrecipient monitoring. The CoC EWG also reviews and approves the ESG Written Standards, which are updated through discussions with subrecipients, and provides the funding priorities to the ESG allocations committees which are then approved by their respective boards and councils. All ESG subrecipients are required to participate in HMIS and data gathered is shared with the CoC EWG. ESG grantees work with the CoC EWG to ensure collaboration, non-duplication of services and maximum use of resources. All HMIS administration policies and procedures are reviewed and approved by the CoC EWG. Clark County collaborates with the EWG through a subcontractor that monitors projects assisted by ESG and CoC funds.

2. Agencies, groups, organizations and others who participated in the process and consultations

Table 2 – Agencies, groups, organizations who participated

1	Agency/Group/Organization	Clark County Social Service
	Agency/Group/Organization Type	Housing Services - Housing Services-Children Services-Elderly Persons Services-Persons with Disabilities Services-Persons with HIV/AIDS Services-Victims of Domestic Violence Services-homeless Services-Health Other government - County Regional organization Grantee Department
	What section of the Plan was addressed by Consultation?	Housing Need Assessment Homeless Needs - Chronically homeless Homeless Needs - Families with children Homelessness Needs - Veterans Homelessness Needs - Unaccompanied youth Homelessness Strategy Non-Homeless Special Needs Anti-poverty Strategy

	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Clark County Social Service was consulted regarding the needs and issues facing low-income households, particularly those with special needs and who are homeless. CCSS provides staff for the Southern Nevada Homelessness Continuum of Care and the SNH CoC Board and Working Groups. CCSS is seeking solutions to moving homeless individuals through the Continuum of Care to self-sufficiency and was consulted about the role of affordable housing in these efforts. CCSS was also consulted regarding the needs and issues facing persons with HIV/AIDS and their families, using the Ryan White Comprehensive Needs Assessment 2018 to identify needs.
2	Agency/Group/Organization	CLARK COUNTY
	Agency/Group/Organization Type	Other government - County Regional organization Planning organization
	What section of the Plan was addressed by Consultation?	Economic Development
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Clark County's Department of Comprehensive Planning provides a Federal Lands Element of the County's Comprehensive Plan. The Federal Lands Report identifies policies that provide direction to Clark County relative to impacts from actions on and near federal lands. About ninety percent of the land area in Clark County is administered by six federal agencies. The Report is consistent with the provisions of the Southern Nevada Public Lands Management Act of 1998 and the Clark County Conservation of Public Land and Natural Resources Act of 2002 and will inform potential use of these lands for projects.

3	Agency/Group/Organization	Southern Nevada Water Authority
	Agency/Group/Organization Type	Other government - County Regional organization
	What section of the Plan was addressed by Consultation?	Water Resources
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Southern Nevada Water Authority produces an annual Water Resource Plan, which describes the water management plan and current planning environment, including construction and operation of regional water facilities to meet current and long-term water needs. Understanding the water needs and supply trends in the community is an important element of building infrastructure for delivery of potable water to low to moderate income areas and part of consideration for building affordable housing in areas with adequate service.
4	Agency/Group/Organization	Southern Nevada Health District
	Agency/Group/Organization Type	Services-Health Health Agency
	What section of the Plan was addressed by Consultation?	Lead-based Paint Strategy

	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	The SNHD posted resources regarding lead exposure in Southern Nevada on its web site at: http://www.southernnevadahealthdistrict.org/clppp/resources.php . A study suggested that lead paint exposure appears to be an insignificant issue for unincorporated Clark County, where housing stock is newer. The age of the home is a probable indicator of lead-based paint hazards. Due to the age of the housing stock in much of unincorporated Clark County, lead-based paint is not the primary source of lead exposure. Potential sources are household items, such as cooking pots and vinyl blinds, as well as imported candies, plastic toys and metal jewelry. Should Clark County choose to undertake projects that require lead-paint testing, the County will take the appropriate measures.
5	Agency/Group/Organization	Silver State Fair Housing Council
	Agency/Group/Organization Type	Services - Housing Regional organization
	What section of the Plan was addressed by Consultation?	Housing Need Assessment Market Analysis
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Silver State Fair Housing provides Fair Housing services to Southern Nevada and receives funding through Clark County. The number of complaints is tracked and their input was essential in the Regional Analysis of Impediments which is a part of the Consolidated Plan. The HCP Consortium will continue to work with Silver State Fair Housing Council to ensure fair housing issues are addressed in Southern Nevada.
6	Agency/Group/Organization	Southern Nevada Regional Housing Authority
	Agency/Group/Organization Type	Housing PHA Regional organization

<p>What section of the Plan was addressed by Consultation?</p>	<p>Housing Need Assessment Public Housing Needs Homeless Needs - Chronically homeless Homeless Needs - Families with children Homelessness Needs - Veterans Homelessness Needs - Unaccompanied youth Homelessness Strategy Non-Homeless Special Needs Anti-poverty Strategy</p>
<p>Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?</p>	<p>The Southern Nevada Regional Housing Authority participates in Southern Nevada Consortium meetings. SNHRA staff share information concerning the development of affordable housing through their existing projects, newly funded projects, and projects planned to meet future needs. They assist with understanding the demand and shortage of affordable housing for their clients. They also are a regular participant in the Continuum of Care alongside the HCP Consortium. They also share their 5-year plans each year to coordinate with alignment with HCP Consortium planning.</p>

7	Agency/Group/Organization	United Way of Southern Nevada
	Agency/Group/Organization Type	Housing Services-Children Services-Elderly Persons Services-Persons with Disabilities Services-Persons with HIV/AIDS Services-Victims of Domestic Violence Services-homeless Services-Education Services-Employment Services - Victims Regional organization Business Leaders Civic Leaders Business and Civic Leaders

	What section of the Plan was addressed by Consultation?	<p>Housing Need Assessment</p> <p>Homeless Needs - Chronically homeless</p> <p>Homeless Needs - Families with children</p> <p>Homelessness Needs - Veterans</p> <p>Homelessness Needs - Unaccompanied youth</p> <p>Homelessness Strategy</p> <p>Non-Homeless Special Needs</p> <p>Market Analysis</p> <p>Economic Development</p> <p>Anti-poverty Strategy</p>
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	<p>CRM staff participates on the United Way's Emergency Food and Shelter Program (EFSP) Board, which allocates food and shelter funds to homeless and non-homeless services agencies. Discussions at those meetings provide important input into the identification of gaps in the service system and priority needs in the community. The United Way also provides Community Connect, an online platform to assist with using community demographics and statistics on education, financial stability, health and well-being for the purposes of planning and project development.</p>
8	Agency/Group/Organization	Clark County Office of Emergency Management
	Agency/Group/Organization Type	Other government - County
	What section of the Plan was addressed by Consultation?	Emergency Management

	<p>Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?</p>	<p>Clark County cooperates with Boulder City, Henderson, Las Vegas, North Las Vegas, Mesquite, the Las Vegas Band of Paiutes and the Moapa Band of Paiutes, the Clark County School District, and the Clark County Water Reclamation District to conduct a countywide effort to assess risks posed by natural, technological, and human caused disasters and to identify ways to mitigate those risks. The partnering jurisdictions and agencies are in the process of revising a Hazard Mitigation Plan, which has been update for 2018. The plan can be found at: http://www.clarkcountynv.gov/fire/oem/Pages/EmergencyPlans.aspx The plan references the CDBG 5-Year Consolidated Plan as affecting development and acknowledges CDBG funds as a potential resource for hazard mitigation. Though no specific projects in the current 5-year plan address hazard mitigation, the creation of safe, affordable housing and safe community infrastructure in low to moderate income areas help address potential hazards. Clark County will continue to consider community safety and security in projects going forward. Office of Emergency Management also acknowledge that lower risk associated with disasters can result in reduced costs for housing and helps the County maintain eligibility for future projects.</p>
9	<p>Agency/Group/Organization</p>	<p>Cox Communications</p>
	<p>Agency/Group/Organization Type</p>	<p>Business Leaders</p>
	<p>What section of the Plan was addressed by Consultation?</p>	<p>Economic Development</p>

	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Cox Communications shared that the business plans to continue a number of activities in regard to the Cox® Connect2Compete Program and Cox® Digital Academy. The business hosts four Back to School Fairs in July/August to promote Connect2Compete. Cox currently provides low-cost internet services to qualified households in an effort to bridge the digital divide and provide new opportunities for families and students and is a natural fit with Clark County's investments of funding in community facilities and affordable housing.
10	Agency/Group/Organization	Las Vegas-Clark County Public Library Foundation
	Agency/Group/Organization Type	Services-Children Services-Elderly Persons Services-Persons with Disabilities Services-Education Services-Employment
	What section of the Plan was addressed by Consultation?	Economic Development Anti-poverty Strategy

<p>Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?</p>	<p>The Las Vegas-Clark County Library District has developed strategies for learning and business and career success as part of their strategic initiatives in their Vision 2020 plan. As part of a community needs assessment, the Library District has identified that families, particularly those with young children, make up nearly half of the population in their service areas, with half of those families having low education levels and low incomes. The Library District plans to leverage library resources with community partners and resources to provide training services and materials that increase literacy, learning and achievement in our region. The Las Vegas-Clark County Library District will expand; the reach and impact of Pre-K services, partnerships with other organizations/social service/local government, technology, online homework help, and applications that make materials and programs easy to find.</p>
---	---

Identify any Agency Types not consulted and provide rationale for not consulting

All Pertinent agencies were consulted in the development of the FY2019-2020 Annual Action Plan.

Other local/regional/state/federal planning efforts considered when preparing the Plan

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Continuum of Care	Southern Nevada Homelessness Continuum of Care	The goals of the Continuum of Care to prevent or address homelessness are adopted in full by the HCP Consortium. LINK: helphopehome.org
S. NV Regional Housing Authority 5-Year Plan	Southern Nevada Regional Housing Authority	This plan spans FY2018-2022 and identifies the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years, while also including a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-year plan.

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Southern Nevada Regional Analysis of Impediments	Southern Nevada Strong (RTC)	The RAI outlines the impediments to affordable housing choice identified in Southern Nevada and contains recommendations to overcome these impediments. LINK: http://sns.rtcnv.com/wp-content/uploads/2016/05/FINAL-RAI-3.9.15.pdf
Southern Nevada Strong Regional Plan	Regional Transportation Commission	Southern Nevada Strong is a collaborative regional planning effort, funded by a \$3.5 million dollar grant from the US Department of Housing and Urban Development (HUD). Projects included in-depth research and community engagement efforts to look at issues facing our community and propose collaborative solutions. Studies used include the 2012 Southern Nevada Existing Conditions Report, "Metrics to Frame the Plan"; Comprehensive Planning in Southern Nevada: A Livability Assessment"; and others. The collaborative initiative worked to integrate housing, land use, economic and workforce development, transportation options, and infrastructure to support and empower local communities. The plan was adopted in January 2015. The project is now operated by the Regional Transportation Commission. The group's work in 2018 includes continuing to explore transit-oriented development and affordable housing for the Maryland Parkway corridor. LINK: southernnevadastrong.org
Opportunity Zones	Nevada Governor's Office of Economic Development	Clark County researched and provided statistical information on Census tracts that are eligible for Federal Opportunity Zone designation. This information, along with recommendations for designation, was provided to the Governor's Office of Economic Development. The designated zones have the potential to strengthen economic development in areas that have been served by HUD funding through Clark County's 5-Year Consolidated Plan.

Table 3 – Other local / regional / federal planning efforts

Narrative

Over the years, each jurisdiction has funded a variety of public service, housing and community facility projects, through the housing authority and social service organizations, which benefit housing authority residents. The interaction and support between the jurisdictions and the Southern Nevada Regional Housing Authority will result in the elimination of duplicate services.

Any capital improvements, demolition, or disposition of public housing developments are reviewed by the appropriate jurisdictions through interactions with governmental agencies for permitting, zoning, and funding.

In addition to the plans and collaborations discussed above, the HCP Consortium members continue to participate in a Joint Housing Working Group initiated by Nevada State Senator Julia Ratti in preparation for addressing affordable housing issues in the 2019 Nevada Legislature. This group researches and develops methods for connecting homeless and extremely-low income people to appropriate and affordable housing under Housing First principles.

AP-12 Participation - 91.401, 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation

Summarize citizen participation process and how it impacted goal-setting

The Clark County Community Development Advisory Committee (CDAC) is the primary conduit for citizen input into the Consolidated Plan and Annual Action Plans as the members represent the community in all its diversity and interests. Fourteen (14) town advisory boards, five (5) citizens' advisory councils and fourteen (14) representatives at-large appointed by the BCC are responsible for ensuring that the needs of the community are expressed and adequately reflected in Consolidated Plan activities. All meetings of CDAC are held at times that allow working CDAC members to attend and all meetings are open to the public. The Boulder City Council and Mesquite City Council each appoint a representative to the CDAC as non-voting liaisons for their respective cities. Boulder City and Mesquite meet the citizen participation requirements by conducting at least one City Council public hearing during each program year.

CDAC members review all HOME and ESG applications and make recommendations to the Board of County Commissioners based on the needs in the community. For FY2019-2020, the CDAC members attended an orientation meeting and heard presentations from Clark County staff regarding the funding programs and county statistics on January 22, 2019. Applications for the ESG and HOME programs were submitted through an online application program called ZoomGrants. The CDAC members were all given access to the site and reviewed applications for both programs online, as well as scoring the applications online.

Prior to reviewing the applications, CDAC members had multiple opportunities to learn more about the projects in the applications. On February 9, 2019, CDAC members participated in a site tour of 8 projects with an emphasis on HOME projects. On February 19, 2019, HOME grant applicants made presentations to the CDAC members and took questions from the group. On February 5, 2019, ESG grant applicants made presentations to the CDAC members and took questions from the group. CDAC members then went online to score. If they lacked the capability to score online, Clark County provided written ballots.

The County provided technical assistance, as needed, for scoring. On March 5, 2019, CDAC members met to evaluate applications based on scoring and ranking and developed their recommendations to the Board of County Commissioners. As part of the scoring process, CDAC members developed contingency plans for funding increases or reductions for both the HOME and ESG program allocations. On April 16, 2018, the Chairperson of CDAC presented the recommendations to the Board of County Commissioners through a public hearing process. At that same meeting, the Board voted to accept the recommendations as presented by CDAC.

In FY2019/2020 we will be working to move the ESG allocation process from CDAC to the CoCEWG allocation process in order to meet Hearth Act goals to more closely coordinate ESG with the Continuum of Care.

Citizen Participation Outreach

Sort Order	Mode of Outreach	Target of Outreach	Summary of response/attendance	Summary of comments received	Summary of comments not accepted and reasons	URL (If applicable)
1	Public Meeting	Homeless Service Providers	Continuum of Care discussion of homelessness issues. Attendance at the various Continuum of Care working groups varies from approximately 3 to 10. The CoC Board meetings generally include over 25 people.		All comments are accepted.	

Sort Order	Mode of Outreach	Target of Outreach	Summary of response/attendance	Summary of comments received	Summary of comments not accepted and reasons	URL (If applicable)
2	Public Meeting	Non-targeted/broad community	Board of County Commissioners public hearing for FY 2019 HOME and ESG projects, as recommended by the Community Development Advisory Committee.		All comments are accepted.	
3	Public Meeting	Non-targeted/broad community	Clark County Board of Commissioners meeting public hearing for the 2019/2020 Annual Action Plan, attended by a general audience.		All comments are accepted.	

Sort Order	Mode of Outreach	Target of Outreach	Summary of response/attendance	Summary of comments received	Summary of comments not accepted and reasons	URL (If applicable)
4	Public Meeting	Non-targeted/broad community	Clark County Community Development Advisory Committee concerning applications for funding. There were four total meetings. Opportunity for public comment at beginning and end of each meeting. Meetings subject to Open Meeting Law.		All comments are accepted.

Expected Resources

AP-15 Expected Resources - 91.420(b), 91.220(c)(1,2)

Introduction

In order to receive the CPD funding, the County must develop and submit a Consolidated Plan every five years to the U.S. Department of Housing and Urban Development (HUD). The HCP Consortium anticipate receiving an annual allocation of CDBG, HOME, and ESG funds from HUD over the remaining two years of this five-year for activities that provide decent housing, suitable living environments, and expanded economic opportunities for its residents. These funds are intended to help meet priority needs identified throughout the County. Detailed information on the resources the HCP Consortium expect to receive and the activities to be undertaken to meet the priority needs are identified in the Annual Action Plan for FY2019-2020. The following section summarizes the major sources of funding available to carry out housing and community development activities.

Anticipated Resources

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan \$	Narrative Description
			Annual Allocation :\$	Program Income: \$	Prior Year Resources :\$	Total: \$		

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan \$	Narrative Description
			Annual Allocation : \$	Program Income: \$	Prior Year Resources : \$	Total: \$		
CDBG	public - federal	Acquisition Admin and Planning Economic Development Housing Public Improvements Public Services	7,699,889	0	0	7,699,889	7,699,889	Grants awarded on a formula basis for housing & community development. Primarily, recipients must be low to moderate-income (up to 80% AMI), or reside in a low/ moderate-income area. Clark County will receive an award of \$7,699,889. Clark County awards 3% of amount to Boulder City and Mesquite. All Program Income is obligated to projects as it is receipted in IDIS. There are no prior-year carry forward funds as all funds were allocated to projects.

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan \$	Narrative Description
			Annual Allocation : \$	Program Income: \$	Prior Year Resources : \$	Total: \$		
HOME	public - federal	Acquisition Homebuyer assistance Homeowner rehab Multifamily rental new construction Multifamily rental rehab New construction for ownership TBRA	3,636,543	758,344	3,715,356	8,110,243	8,110,243	HOME funds are leveraged by State of Nevada HOME and Low Income Housing Trust Funds. North Las Vegas receives a portion of HOME/LIHTF as part of the HOME Consortium.

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan \$	Narrative Description
			Annual Allocation : \$	Program Income: \$	Prior Year Resources : \$	Total: \$		
ESG	public - federal	Conversion and rehab for transitional housing Financial Assistance Overnight shelter Rapid re-housing (rental assistance) Rental Assistance Services Transitional housing	650,308	0	0	650,308	650,308	Grants are awarded to non-profit providers to provide essential services and shelter to homeless families and individuals through the Shelter Program. Providers also provide rapid rehousing financial assistance and stabilization services to homeless families and individuals, and prevention services to families and individuals at risk of homelessness. There are no prior-year carry forward funds as all funds were allocated to projects.

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan \$	Narrative Description
			Annual Allocation : \$	Program Income: \$	Prior Year Resources : \$	Total: \$		
Housing Trust Fund	public - state	Housing	1,927,128	0	0	1,927,128	1,927,128	The HOME Consortium receives a percentage of State of Nevada Low Income Housing Trust Funds (LIHTF) annually. The allocation this year is \$1,927,128. Clark County will receive \$1,522,431 of this amount and the City of North Las Vegas will receive \$404,697.
Other	public - state	Housing	752,435	0	0	752,435	752,435	The HOME Consortium receives a percentage of State of Nevada HOME Program funds annually with the amount dependent on the federal allocation amount. It is expected that Clark County will receive \$594,424 and North Las Vegas will receive \$158,011.

Table 2 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

All jurisdictions covered under the Consolidated Plan use federal resources to leverage public and private sector resources to carry out housing and community development activities. Clark County and North Las Vegas work to use their private activity bonds for affordable multifamily housing production or affordable single family mortgages/MCCs. HOME funds are also leveraged through the Low Income Housing Tax Credit program administered by the State of Nevada. Many of these projects also receive County HOME/LIHTF funding as leveraged grants. Clark County has used discounted Bureau of Land Management (BLM) land under the Southern Nevada Public Lands Management Act (SNPLMA) for affordable housing purposes and is moving forward on releasing an RFP for senior housing on a parcel located at Pebble and Eastern (17714802021). A second family housing RFP will be made public later in the summer for a parcel (APN #176-20-601-009) near Blue Diamond and Durango. Clark County will set-aside up to \$1.5 million in prior year HOME funds for each project.

Annually, Clark County awards approximately \$3 million in general funds through the Outside Agency Grant program, funding a variety of social service programs from homeless services, youth programs, senior services and assistance for victims of domestic violence.

The Clark County HOME Consortium expects to continue to receive State LIHTF which is used to provide the matching funds required by the HOME Program. The Clark County HOME Consortium is expected to receive \$1,927,128 in State LIHTF funds and \$752,435 in State HOME funds to assist the projects outlined in the 2019 Annual Action Plan. In 2019, Clark County will also reallocate remaining HOME funds to use for current year projects.

Matching requirements for ESG Program funds will be met by the non-profit organizations receiving ESG Program funds and will come from private donations, other federal and state funding and volunteer time.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The Southern Nevada Public Land Management Act, Section 7(b), allows the direct sale of Bureau of Land Management (BLM) land to local jurisdictions, the State of Nevada, or housing authorities at a discounted price for the development of affordable housing. Clark County has set aside approximately 538 acres; we currently have 42 sites reserved for affordable housing; of those, NHD has an MOU for 5 of those sites and SNRHA has 4.

We are currently evaluating each AHP site and ranking them in terms of development priority. Our division has been actively involved with the BLM, HUD and Clark County upper management to accelerate development of these sites in order to address Clark County's pressing need for more affordable housing. It is our current objective to develop at least 2 sites annually and continue to pursue legislative changes on the Federal level which, if approved, would allow us to further expedite the development of these AHP sites.

Discussion

The National Housing Trust Fund (NHTF) established in July 2008 as part of the Housing and Economic Recovery Act of 2008 (HERA) required that Fannie Mae and Freddie Mac pay 4.2 basis points of their annual volume of business to two funds. The purpose of the NHTF is to increase and preserve the supply of housing, principally rental housing for extremely low-income households. The law that created the National Housing Trust Fund (NHTF) requires HUD to use a formula to distribute NHTF dollars directly to states. The Nevada Housing Division (NHD) is the authorized agency to receive NHTF money from HUD and to administer the state's NHTF program.

NHD on behalf of the State of Nevada prepares a NHTF "Allocation Plan" as part of the Annual Action Plan every year. That Allocation Plan shows how NHD will allot the NHTF dollars it will receive in the upcoming year. Funds will be distributed statewide through a competitive application process. In 2019, HTF funds will be used to further the Nevada Housing Division's Strategic Plan which calls for the creation of affordable units to households at 30% AMI and below (ELI) with preferences for developments that implement elements of Permanent Supportive Housing. Additional preferences will be given to projects that incorporate and agree to take on and house residents that participate in the Section 811 Project Rental Assistance Program. HUD has codified HTF regulations at 24 CFR Part 93.

Annual Goals and Objectives

AP-20 Annual Goals and Objectives - 91.420, 91.220(c)(3)&(e)

Goals Summary Information

Sort Order	Goal Name	Start Year	End Year	Category	Geographic Area	Needs Addressed	Funding	Goal Outcome Indicator
1	Provide Decent and Affordable Housing	2015	2019	Affordable Housing Non-Homeless Special Needs	Clark County, North Las Vegas, Boulder City and Mesquite	Affordable Housing	HOME: \$3,636,543 Housing Trust Fund: \$1,927,128 State of Nevada HOME Program: \$752,435	Rental units constructed: 543 Household Housing Unit Homeowner Housing Rehabilitated: 9 Household Housing Unit

Sort Order	Goal Name	Start Year	End Year	Category	Geographic Area	Needs Addressed	Funding	Goal Outcome Indicator
2	Prevent and End Homelessness	2015	2019	Homeless	Clark County, North Las Vegas, Boulder City and Mesquite	Homelessness	CDBG: \$24,782 ESG: \$650,308	Tenant-based rental assistance / Rapid Rehousing: 72 Households Assisted Homeless Person Overnight Shelter: 5205 Persons Assisted Homelessness Prevention: 75 Persons Assisted
3	Provide Community and Supportive Services	2015	2019	Non-Homeless Special Needs Non-Housing Community Development	Clark County, North Las Vegas, Boulder City and Mesquite		CDBG: \$9,706	Public Facility or Infrastructure Activities other than Low/Moderate Income Housing Benefit: 250 Persons Assisted
4	Provide Community Facilities and Infrastructure	2015	2019	Non-Homeless Special Needs Non-Housing Community Development	Clark County, North Las Vegas, Boulder City and Mesquite	Community Facilities, Infrastructure, Improvements	CDBG: \$7,699,889	Public Facility or Infrastructure Activities other than Low/Moderate Income Housing Benefit: 52330 Persons Assisted

Table 3 – Goals Summary

Goal Descriptions

1	Goal Name	Provide Decent and Affordable Housing
	Goal Description	Clark County and North Las Vegas, as the HOME Consortium, will focus 2019 HUD HOME and State HOME and LIHTF funds on new construction of affordable housing. Clark County will also provide LIHTF toward TBRA through CABHI.
2	Goal Name	Prevent and End Homelessness
	Goal Description	Clark County and Boulder City will use ESG and CDBG funds to support programs that prevent homelessness, shelter existing homeless and rapidly rehouse homeless households. Supportive wraparound services will also be provided. HOME/LIHTF funds will be used for Tenant Based Rental Assistance for homeless families.
3	Goal Name	Provide Community and Supportive Services
	Goal Description	Boulder City will provide needed community and supportive services for low to moderate income people with special needs. This may include, but is not limited to, transportation assistance, and rental and utility assistance to prevent homelessness.
4	Goal Name	Provide Community Facilities and Infrastructure
	Goal Description	Clark County will work on implementation of its fourth 5-Year CDBG Capital Improvement Plan. The fifth year of funding will focus on Clark County completing the final projects including the Nevada Partners Workforce Development Center and Molasky Park Mini Soccer Field. Boulder City will continue to undertake infrastructure projects while Mesquite will work on parks improvements.

AP-35 Projects - 91.420, 91.220(d)

Introduction

The summary below outlines the projects to be undertaken by the HCP Consortium for FY 2019.

#	Project Name
1	ESG 2019 Clark County
2	FY2019/2020 HOME Administration
3	Clark County HOME Multifamily New Construction and Acquisition and Rehabilitation
4	CDBG Administration
5	Clark County CDBG Capital Projects
6	Mesquite CDBG Park Improvements (MS)
7	Boulder City CDBG Projects (BC)
8	Clark County HOME Set-Aside for Off-Cycle Initiatives & TBRA
9	North Las Vegas HOME Projects

Table 4 – Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

1	Project Name	ESG 2019 Clark County
	Target Area	Clark County, North Las Vegas, Boulder City and Mesquite
	Goals Supported	Prevent and End Homelessness
	Needs Addressed	Homelessness
	Funding	ESG: \$650,308
	Description	ESG funds are allocated to rapid re-housing, emergency shelter and administration. Direct service activities are carried out by nonprofit agencies that are subrecipients of ESG funds. Emergency Shelter Services are to be provided by Help of Southern Nevada (\$55,161), the Shade Tree (\$54,434), HopeLink of Southern Nevada (\$41,195), Family Promise of Las Vegas (\$32,404), Safe Nest (\$52,907), SAFE House (\$40,235), The Salvation Army (\$83,462) and Nevada Partnership for Homeless Youth (\$30,386). Rapid Re-Housing Services will be carried out by Help of Southern Nevada (\$48,133), St. Jude's Ranch for Children (\$37,121), the Salvation Army (\$92,417) and Lutheran Social Services of Nevada (\$24,932). Administration budget is \$45,521 and HMIS (Bitfocus, Inc.) is \$12,000.
	Target Date	6/30/2021
	Estimate the number and type of families that will benefit from the proposed activities	Services will benefit the following: 200 unaccompanied youth will receive shelter; 4,725 victims of domestic violence (men, women and children) will receive shelter; 100 homeless adults will receive shelter; 180 individuals who are families with children will receive shelter; 20 transition age youth (age 18-24) will receive rapid re-housing; 7 single parents with children will gain permanent housing through rapid re-housing; 15 households, including children and victims of domestic violence will be rapidly re-housed; 25 families with children will receive rapid re-housing and case management.
	Location Description	Countywide
Planned Activities	Operating of Homeless/AIDS Patients Programs (03T)	
2	Project Name	FY2019/2020 HOME Administration
	Target Area	Clark County, North Las Vegas, Boulder City and Mesquite

	Goals Supported	Provide Decent and Affordable Housing
	Needs Addressed	Affordable Housing
	Funding	HOME: \$363,654
	Description	Funds to administer the HOME Program. Clark County-\$287,287; North Las Vegas-\$76,367.
	Target Date	6/30/2021
	Estimate the number and type of families that will benefit from the proposed activities	N/A
	Location Description	N/A
	Planned Activities	Administration (21A)
3	Project Name	Clark County HOME Multifamily New Construction and Acquisition and Rehabilitation
	Target Area	Clark County, North Las Vegas, Boulder City and Mesquite
	Goals Supported	Provide Decent and Affordable Housing
	Needs Addressed	Affordable Housing
	Funding	HOME: \$3,636,543 Housing Trust Fund: \$1,927,128 State of Nevada HOME Program: \$752,435

<p>Description</p>	<p>Clark County will fund the following projects: \$1.2 million to Nevada HAND, Inc. for construction of North 5th Street 2 Apartments, which includes 116 units of affordable housing, \$1.5 million to Coordinated Living of Southern Nevada, Inc. for Blue Diamond Senior Apartments, which includes 180 units of affordable housing for low-income, \$540,000 to Gregory Development Group for the acquisition and rehabilitation of Old Mill Village Apartments, which includes 36 units, \$330,000 Silver State Housing for development of Flamingo Pines 3, a 43-unit housing development, and \$500,000 to Volunteers of America for Desert Oasis II, which includes 75 units of low-income senior housing. North Las Vegas Funds will be used to support construction of North 5th Street 2 Apartments (\$641,666), a new 116-unit multifamily development that will serve residents at 60% of area median income. Funds will also continue to support the Single Family Owner Occupied Rehabilitation Program (\$100,000) to provide low and moderate income North Las Vegas homeowners with assistance to improve their homes to be safe and habitable and in compliance with local building codes. Funds will also be used to support the construction of up to ten single family homes (\$1,000,000) in the Choice Neighborhood and Redevelopment area of North Las Vegas through various partnerships. Amount for North Las Vegas HOME Administration (\$82,624) appears under the 2019 HOME Administration project.</p>
<p>Target Date</p>	<p>6/30/2023</p>
<p>Estimate the number and type of families that will benefit from the proposed activities</p>	<p>291 seniors will have access to affordable housing; 116 very low-income families will have access to affordable housing.</p>

	Location Description	Blue Diamond Senior Apartments: South Quarter horse Lane and Blue Diamond Road, Las Vegas, NV 89178 Old Mill Village Apartments: 302 East Old Mill Road, Mesquite, NV North 5th Street 2 Apartments: North 5th Street and East Rome Boulevard, North Las Vegas, NV 89031 Flamingo Pines 3: One block west of 4075 S Durango Drive (NW Corner of Durango Dr. and Flamingo Rd) Las Vegas, NV 89147 Desert Oasis II: 4445 Diamond Head Drive, Las Vegas, NV 89110
	Planned Activities	Construction of Housing (4) Acquisition and Rehabilitation (1)
4	Project Name	CDBG Administration
	Target Area	Clark County, North Las Vegas, Boulder City and Mesquite
	Goals Supported	Provide Decent and Affordable Housing Provide Community and Supportive Services Provide Community Facilities and Infrastructure
	Needs Addressed	Affordable Housing Community Facilities, Infrastructure, Improvements
	Funding	CDBG: \$1,539,977
	Description	Funds to administer the community development programs. Clark County=\$1,444,977; Silver State Fair Housing=\$125,000.
	Target Date	6/30/2021
	Estimate the number and type of families that will benefit from the proposed activities	N/A
	Location Description	N/A
	Planned Activities	Administration (21A) Fair Housing Activities (21D)
5	Project Name	Clark County CDBG Capital Projects
	Target Area	Clark County, North Las Vegas, Boulder City and Mesquite
	Goals Supported	Provide Community Facilities and Infrastructure

	Needs Addressed	Community Facilities, Infrastructure, Improvements
	Funding	\$5,697,918
	Description	Funds will be used to finalize repayment on the remaining CDBG Capital Improvement Plan projects of Molasky Family Park Improvements (\$386,611) and Alexander Villas Park Improvements (\$147,938.17). Clark County is planning to purchase land to erect a sprung structure for an emergency shelter and will identify 2 additional capital projects at a later date. Those projects will be identified through Amendments to the Action Plans.
	Target Date	6/30/2021
	Estimate the number and type of families that will benefit from the proposed activities	100 homeless households
	Location Description	Not currently known
	Planned Activities	Public Facilities (03)
6	Project Name	Mesquite CDBG Park Improvements (MS)
	Target Area	Clark County, North Las Vegas, Boulder City and Mesquite
	Goals Supported	Provide Community and Supportive Services
	Needs Addressed	Community Facilities, Infrastructure, Improvements
	Funding	\$230,997
	Description	On November 25, 2014, the Mesquite City Council approved several recreation improvement projects to be included in the 2015-2019 CDBG Capital Improvement Plan. In 2019, the City of Mesquite will work on improvements to Jensen Park and Desert Rose Park using FY 18/19 & 19/20 funds (\$215,975). Mesquite is allocating 19/20 funds of \$15,022 and reallocating funds from 15/16 (\$200,877); 16/17 (\$203,857) & 17/18 (\$205,244) for construction of six pickleball courts (cost approximately \$625,000) at Old Mill Park (APN# 001-16-102-013) at W. Old Mill Road and I-15.
	Target Date	6/30/2021

	Estimate the number and type of families that will benefit from the proposed activities	1450 low to moderate income families
	Location Description	Jensen Park, 220 Riverside Rd; Mesquite, Nevada 89027 Desert Rose Park, 640 W Old Mill Rd, Mesquite, NV 89027 Old Mill Park, Old Mill and I-15, Mesquite, NV 89027
	Planned Activities	Parks, Recreational Facilities (03F)
7	Project Name	Boulder City CDBG Projects (BC)
	Target Area	Clark County, North Las Vegas, Boulder City and Mesquite
	Goals Supported	Provide Community and Supportive Services
	Needs Addressed	Special Needs and Low/Mod Income Public Services
	Funding	\$196,347
	Description	Boulder City will use \$595,321 (which includes funds from 3 prior years) for two projects: New ADA sidewalk curb-cut/ramp program in eligible low-mod income areas throughout Boulder City and Building Rehabilitation for Nonprofit Use for Lend A Hand (LAH), which serves low/mod income clients. The 19/20 allocation will go to the Building Rehabilitation project and PY 16/17 (\$85,431.84), PY 17/18 (\$174,457), and PY 18/19 funds (up to \$195,432) will be reallocated to the ADA sidewalk improvements.
	Target Date	6/30/2021
	Estimate the number and type of families that will benefit from the proposed activities	N/A
	Location Description	Community-wide for public services
Planned Activities	Other Public Facilities/Improvements (03) Sidewalks (03L)	
8	Project Name	Boulder City CDBG Public Service Projects (BC)

	Target Area	Clark County, North Las Vegas, Boulder City and Mesquite
	Goals Supported	Provide Community and Supportive Services
	Needs Addressed	Special Needs and Low/Mod Income Public Services
	Funding	\$34,650
	Description	Boulder City will provide \$25,641 to Emergency Aid of Boulder City for homeless prevention and \$9,009 to Lend A Hand for transportation assistance.
	Target Date	6/30/2021
	Estimate the number and type of families that will benefit from the proposed activities	N/A
	Location Description	Community-wide for public services
	Planned Activities	Transportation Services (05E) Operating of Homeless/AIDS Patients Programs (03T)
9	Project Name	Clark County HOME Set-Aside for Off-Cycle Initiatives & TBRA
	Target Area	Clark County, North Las Vegas, Boulder City and Mesquite
	Goals Supported	Provide Decent and Affordable Housing Prevent and End Homelessness
	Needs Addressed	Affordable Housing Homelessness
	Funding	Housing Trust Fund: \$5,106,137
	Description	Activities will include off-cycle housing construction initiatives in collaboration with SNPLMA Section 7(b) land development (BLM), Private Activity Bonds or Low Income Housing Tax Credits using prior year funds and program income of \$4,306,887. LIHTF will also be used toward Tenant-Based Rental Assistance \$250,000 FY2019-2020. The HOME CHDO Reserve of \$549,250 will be used toward Flamingo Pines 2 and North 5 th Street Projects.

	Target Date	6/30/2021
	Estimate the number and type of families that will benefit from the proposed activities	40 households will benefit from TBRA.
	Location Description	Various locations
	Planned Activities	Rental Housing Subsidies (05S) Construction of Housing (12)
10	Project Name	North Las Vegas HOME Projects
	Target Area	Clark County, North Las Vegas, Boulder City and Mesquite
	Goals Supported	Provide Decent and Affordable Housing
	Needs Addressed	Affordable Housing
	Funding	HOME: \$763,674 Housing Trust Fund: \$404,697 State of Nevada HOME Program: \$158,011
	Description	Funds will be used to support construction of North 5th Street 2 Apartments (\$641,666), a new 116-unit multifamily development that will serve residents at 60% of area median income. Funds will also continue to support the Single Family Owner Occupied Rehabilitation Program (\$100,000) to provide low and moderate income North Las Vegas homeowners with assistance to improve their homes to be safe and habitable and in compliance with local building codes. Funds will also be used to support the construction of up to ten single family homes (\$1,000,000) in the Choice Neighborhood and Redevelopment area of North Las Vegas through various partnerships. Amount for North Las Vegas HOME Administration (\$82,624) appears under the 2019 HOME Administration project.
	Target Date	6/30/2022

Estimate the number and type of families that will benefit from the proposed activities	116 low to moderate income families will be provided with affordable housing. 5 low to moderate income homeowners will receive assistance with home rehabilitation for safety, habitability and code compliance.
Location Description	Northwest corner of North 5th Street and East Rome Boulevard, North Las Vegas, NV 89084 Rehabilitation at various addresses in North Las Vegas.
Planned Activities	Construction of Housing (12) Rehabilitation, Single Unit Residential (14A)

AP-50 Geographic Distribution - 91.420, 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

Clark County has focused on the Winchester neighborhood, including the Maryland Parkway Corridor, through its Neighborhood Stabilization Program (NSP) and on the Boulder Highway Revitalization Area (BWRA) on Boulder Highway between Sahara and Flamingo, where housing is particularly burdensome for renter households.

Geographic Distribution

Target Area	Percentage of Funds
Boulder Highway Revitalization Area	
North Las Vegas Choice Neighborhood	
Clark County, North Las Vegas, Boulder City and Mesquite	100

Table 5 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

Clark County HOME funded projects are primarily located in unincorporated Clark County and in areas that have not traditionally had affordable housing or are not CDBG eligible. Clark County prefers to support the dispersal of affordable housing throughout the community. The majority of CDBG activities funded by Clark County take place within the CDBG eligible census tracts. Projects in Boulder City and Mesquite focus on providing services to populations presumed to be lower income, such as seniors and the disabled, or in CDBG eligible census tracts.

Discussion

The HCP Consortium geographic priorities were established based on the analysis of current community needs, the characteristics of the overall market, the ability of low-income households to afford, locate and maintain housing, and the availability of resources to address the identified needs.

Affordable Housing

AP-55 Affordable Housing - 91.420, 91.220(g)

Introduction

Clark County will focus its 2019 HOME/LIHTF funds on the new construction of affordable housing for low-income families, disabled individuals, and seniors. North Las Vegas will be undertaking multifamily new construction for low-income families, homeowner rehabilitation, and homebuyer assistance.

One Year Goals for the Number of Households to be Supported	
Homeless	0
Non-Homeless	0
Special-Needs	0
Total	0

Table 6 - One Year Goals for Affordable Housing by Support Requirement

One Year Goals for the Number of Households Supported Through	
Rental Assistance	0
The Production of New Units	414
Rehab of Existing Units	36
Acquisition of Existing Units	0
Total	450

Table 7 - One Year Goals for Affordable Housing by Support Type

Discussion

Clark County will provide \$1.2 million to Nevada HAND, Inc. for construction of North 5th Street 2 Apartments, which includes 116 units of affordable and 11 units of unrestricted housing. Clark County will provide \$1.5 million to Coordinated Living of Southern Nevada, Inc. for Blue Diamond Senior

Apartments, which includes 180 units of affordable housing for low-income seniors and is in unincorporated Clark County. Clark County will provide \$540,000 to Gregory Development Group for the acquisition and rehabilitation of Old Mill Village Apartments, which includes 36 units. This project is located in the incorporated city of Mesquite. Clark County will provide \$330,000 Silver State Housing for development of Flamingo Pines 3, a 43-unit housing development located at 8710 W. Flamingo Road. Clark County will provide \$500,000 to Volunteers of America for Desert Oasis II, which includes 75 units of low-income senior housing and is located at 4445 Diamond Head Drive, Las Vegas, Nevada.

These projects will be available for comment during the 30-day comment period and during the public hearing for this Action Plan, scheduled for June 4, 2019 at the Board of County Commissioners meeting.

AP-60 Public Housing - 91.420, 91.220(h)

Introduction

Southern Nevada Regional Housing Authority's Supportive Services Department's primary function is to inform seniors and families of the available community services and resources, and assist them with facilitating access to those services. The Department's mission is to assist the clients and surrounding community of SNRHA in developing and achieving their full potential and improve the quality of life. These goals are continuously met by providing several onsite service providers, advocating for the residents, distributing resource information and making referrals as needed. SNRHA has a very vibrant Section 3 program. Section 3 helps foster local economic development, neighborhood economic improvement, and individual self-sufficiency. The Section 3 program requires that recipients of certain HUD financial assistance, to the greatest extent feasible, provide job training, employment, and contracting opportunities for low- or very-low income residents in connection with projects and activities in their neighborhoods. Through Section 3 employment, residents gain valuable job training and experience.

Actions planned during the next year to address the needs to public housing

The Southern Nevada Regional Housing Authority (SNRHA) continues to utilize its Capital Fund Program (CFP) for the required capital improvements. The SNRHA CFP Funds is one of the financing tools to fund comprehensive modernization and new construction under the Rental Assistance Demonstration (RAD) Program and fixed Finance Program.

SNRHA submitted in May 2018 a 9% Low Income Housing Tax Credits Application and a Mixed-Finance Proposal to HUD and the NV Housing Division to develop one of the vacant lots. The proposed Wardelle Street Project entails the financing for the new construction of approximately (57) family units, and a Community Center/Management Office/Maintenance. Building to be located on a portion of the site of the former Ernie Cragin Terrace (NV210/AMP305portion off) public housing development located at the corner of Wardelle and Bonanza APN Nos 139-25-410-039/139-25-410-040 /139-25-410-041 totaling 7.73 acres. Approximately 1.5 acres fronting Bonanza Road or Harris Street will be available for future

construction of the City of Las Vegas proposed Early Childhood Education Center. The City of Las Vegas has recently named this future center as the Strong Start Academy at Wardelle. The proposed unit mix will be 20-1 bedroom units, 27 2-bedroom units and 10 3-bedroom units which includes 29 public housing at <30% AMI, 13 project based vouchers (9 at <30% & 13 at <50% AMI), 12 tax credits (3 at <50% & 9 at <60% AMI) and 3 unrestrictive apartments targeted to low-income families continuing on their path to self-sufficiency. The creation of these townhomes will help meet the need for affordable housing in the City of Las Vegas and will complement the City's proposed plan for an early childhood educational facility and the County's new East Las Vegas Branch public library which is currently under construction on the adjacent parcel. The proposed Wardelle Street townhomes will serve as a stimulus for other developments in the vicinity and promote a more vibrant neighborhood environment. SNRHA will self-develop this project.

A Request For Proposal was issued in February 2019 for General Contractor Construction Management Contract for the Comprehensive Modernization of a 200 Unit Senior Housing Complex at James Down Towers. The RFP closes the Spring of 2019. An architectural firm will be assigned by the SNRHA to work in conjunction with the General Contractor in providing a design to upgrade this facility.

The SNRHA has issued a Request for Qualifications for a Master Developer for Mixed Income Re-Development of Marble Manor. The developer will be required to provide a master plan, entitlement and environmental assessment for the redevelopment of the Marble Manor public housing site consistent with the UNLV HUNDRED YEAR Plan for the Historic Westside Community final report dated May 2016 and the City of Las Vegas Downtown Master Plan Vision 2045. This proposed redevelopment will occur on a site over 35 acres and introduce mixed-income housing and related facilities adjacent to the downtown of the City of Las Vegas.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

Southern Nevada Regional Housing Authority (SNRHA) partners with over 50 agencies through the Program Coordinating Committee (PCC) empowering residents to gain resources and referrals for workforce development and employment training, financial literacy, education, social services, life skills

training, healthcare, and more. The purpose of the PCC is to obtain and provide resources to address the challenges faced by FSS participants. Partnerships arrive through letters of agreement and Memorandums of Understanding (MOU). SNRHA expects to expand its Community Partners program with public, private, and faith-based agencies.

Some highlights in employment skill opportunities come through resident participation in the H.U.D. program titled "Section 3". SNRHA residents are given opportunity to gain employable skill as they're hired by local contractors providing services to SNRHA properties in the areas of construction and pest control. Skills obtained through this opportunity allow SNRHA residents to increase income breaking down a major barrier to home ownership.

T-Mobile partners with SNRHA to provide internet services and tablet computers to 600 residents allowing access to work search, training, personal financial transactions, and SNRHA utilizes two programs allowing residents to access home ownership: Housing Choice Voucher Program; and, the Public Housing Program. Each program continues to assist low-income families reach the dream of owning a home. The Section 8 Homeownership Program allows FSS Households to use Section 8 vouchers towards a home mortgage payment. Seminars are provided on home purchasing and staff provides credit counseling.

In the future SNRHA hopes to expand promote self-sufficiency and homeownership for residents, families, and the seniors served utilizing greater support from the private sector and community. The Southern Nevada Regional Housing Authority partners with over 50 agencies.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

N/A

The Southern Nevada Regional Housing Authority is not designated as troubled by HUD.

AP-65 Homeless and Other Special Needs Activities - 91.420, 91.220(i)

Introduction

The following strategies outline the HCP Consortium's one-year goals and actions for reducing and ending homelessness. They include restructuring the sheltering system, expanding Rapid Rehousing and permanent supportive housing opportunities, implementing targeted, collaborative diversion efforts, identification and intervention for frequent users and chronically homeless, moving clients to self-sufficiency, better use of data to make funding decisions, and discharge planning. The Southern Nevada Homelessness Continuum of Care (SNHCoC) has the objective to create a system of care that prevents homelessness to the maximum extent possible, while seeking to ensure that homelessness, when it happens, is rare, brief, and limited to a one-time occurrence. This is done through the use of proven practices, collaboration and civic engagement.

In the past, the SNHCoC decided to implement a System-wide Analytics and Projection (SWAP) tool to assist with planning, prioritizing resources, and systemic changes in order to make strides at ending homelessness. Currently, the CoC is working to onboard a new position of Data Analyst. It hoped that this new position will be filled in the coming year, and the CoC will be able to gain a deeper understanding of the community and homeless service system; allowing the CoC to put various initiatives in place to end homelessness within the community.

The SNHCoC in January updated their governance structure by implementing two new working groups: Youth (YWG?) and Data & System Improvement (DSIWG). These are in addition to Community Engagement (CEWG), Coordinated Entry Services (CESWG), Evaluation (EWG), and Monitoring (MWG) working groups. The former HMIS Working Group now serves under the DSIWG.

In the Homeless Management Information System (HMIS), intuitive program and housing reports have been developed to track client-level metrics on the length of time homeless, utilization rates of services, and exits to permanent destinations at the agency, program, client and system-wide performance level. The CoC's HMIS system generates reports that populate the HUD system-wide performance measures report. The data from HMIS assists the CoC with identifying groups of clients that are hardest to serve.

The reports are tracked over a period of time to identify trends and establish a plan of action to reduce recidivism within the CoC. This recidivism report will continue to be used to identify those agencies that have a high rate of client returns to homelessness.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The SNH CoC has a regional Mobile Crisis Intervention Team (MCIT) contract that provides mobile crisis intervention and outreach to individuals and families experiencing homelessness, including those with disabilities and limited English proficiency, who are living on the streets, in outlying uninhabited areas, and in the flood control tunnels. This team actively engages individuals and families and assesses for service referrals to an agency appropriate for their needs including emergency sheltering, transportation and other services.

In addition, our community was recently awarded a Street Outreach Program (SOP). This award will allow us to provide intervention and outreach services specifically to youth experiencing homelessness.

Southern Nevada also has Coordinated Entry for adults without children, families, youth, and domestic violence survivors where clients are assessed either by MCIT or at one of the many coordinated entry sites. The SNH CoC, which includes all of the housing and homeless service providers in Southern Nevada, uses the Coordinated Entry System to engage individuals and families in housing and services. Coordinated Entry is a centralized or coordinated process designed to streamline participant intake, assessment, and provision of referrals. A Coordinated Entry system covers a specific geographic area, is easily accessed by anyone seeking housing or services, is well advertised, and includes comprehensive and standardized assessment, prioritization, and referral processes.

The purpose of a Coordinated Entry System is to ensure that all people experiencing a housing crisis have fair and equal access and are quickly identified, assessed for, and connected to housing and

homeless services based on their strengths and needs. It uses standardized tools and practices, incorporates a system-wide Housing First (no barriers to entry) approach and, in an environment of scarce resources, coordinates housing support so those with the highest vulnerability and most severe service needs are prioritized. The community is in the process of receiving technical assistance in an effort to evaluate how well our Coordinated Entry System is working. This will assist us in gaining a better understanding of any pitfalls and determining where improvements in our current system can be made to ensure our homeless response system is operating equitably and efficiently across our homeless service system.

The SNH CoC's Diversion sub-working group is utilizing the 2017 Prevention and Diversion Gaps Analysis to streamline, innovate and create diversion strategies for newly homeless in order to divert people from entering the homeless service system, thus reducing the inflow into the system. This year the group is working to pilot a program to divert those individuals who may be in need of some additional resources that can be provided to ensure they don't enter our system.

Addressing the emergency shelter and transitional housing needs of homeless persons

This past year, SNHCoC convened a Southern Nevada Emergency Shelter Learning Collaborative (ESLC) with technical assistance and facilitation provided by the National Alliance to End Homelessness (Alliance). The Alliance worked with Clark County Social Service, agency leaders and jurisdictional funders in partnership with the emergency shelters. The goal of the ESLC was to support emergency shelters and build capacity to provide housing-focused and low-barrier shelter services that are safe for shelter participants and staff. The end goal for this learning collaborative was to provide a path to housing and ending homelessness by: resolving housing crises permanently, facilitating self-resolution, re-housing individuals quickly, reducing unsheltered homelessness, creating a better system flow, connecting people to coordinated entry and connecting people to housing searches and other resources to help stabilize them once housed. They worked on a target goal of 205 households housed during this three month action period with no additional housing resources. This collaborative worked diligently and was able to effectively house 181 households in 100 days, increasing their exits to permanent housing by 200%.

The shelters involved in the learning collaborative were able to shift their practices towards becoming low barrier, housing focused shelters. In the coming year, shelters will continue to use what was implemented during this challenge to sustain progress and build a system and programs that are designed according to best practices.

The CoC's overall objective with helping homeless persons (especially individuals and families, veterans and their families, and unaccompanied youth experiencing chronic and literal homelessness) is to support homeless persons making the transition to permanent housing and independent living. This includes shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The CoC will use lessons learned from reaching Functional Zero for our Veterans population to sustain this status and to attain our goals of Functional Zero for the Chronically Homeless. The Built for Zero (BFZ) leadership group meets monthly and sustains a by-name list of homeless veterans and highly vulnerable and chronically homeless persons, and will seek to develop projects that provide permanent supportive housing dedicated to high risk populations. The BFZ efforts also include diversion efforts, moving-on strategies for clients in PSH to transition to self-sufficiency, and veterans' aftercare to sustain veterans in PH programs in an effort to reduce recidivism.

The SNHCoC continues to provide referrals through the coordinated entry process for all subpopulations while prioritizing those who are the most vulnerable. This includes locating those presumed chronically homeless persons in the community and providing bridge housing and client navigation to assist them

with obtaining critical documents while waiting for a permanent housing opportunity to become available. This will reduce the length of time from referral to housing opportunity and actual placement, thus reducing the length of time homeless.

The SNHCoC BFZ Leadership Group is working to establish private-public partnerships that will assist in funding additional services needed within the community that cannot be funded with monies received through HUD and CoC funding. It is understood that as a community it takes a lot more than just those grant funds received to ensure that we have a healthy system of care; which is a system that is not only robust and diversified in its resources but is also sustainable year in and year out.

In addition to building private-public partnerships and engaging our community in our efforts, a portion of local tax dollars from the legalization of marijuana sales will go to assisting homeless individuals and their families in receiving necessary services. This inclusion of tax money into our system will allow us to work toward improving efforts and building a plan within our community that we can reduce the length of time homeless and prevent those who were once homeless from being so once again.

In previous years, there has been a delay in freeing up PH beds in our community. A lack of resources in our community has ensured that many of our clients in PH beds get stuck and linger in those arrangements for longer than necessary. The SNHCoC Moving-On Working Group has been working on a way to identify clients in our system utilizing those beds that have developed the necessary skills and abilities to live independently of our system.

Please see Discussion section for additional information on the CoC's work with mental health institutions, criminal detention centers and health care providers.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies

that address housing, health, social services, employment, education, or youth needs.

The CoC is working with the IVE Waiver Program, locally referred to as “Safe at Home,” which provides safety services to prevent children from being removed from the home. A cohort of homeless families will benefit from a partnership in which the Clark County Department of Family Services provides case management and other services, while the CoC provides rapid re-housing.

Chafee Independent Living Services assists foster youth in transitioning to self-sufficiency. The CoC works closely with the Southern Nevada Adult Mental Health Services (SNAMHS), Mojave Mental Health and WestCare to ensure those exiting institutional mental health services have access to housing and ongoing treatment.

The role incarceration plays in homelessness is a strategic issue that the NV Interagency Council on Homelessness is working to address. The NV Department of Corrections (NDOC) discharge policy states that Correctional facilities will enter into contracts to provide offenders or parolees participating in a program with: transitional housing, treatment for substance abuse or mental health, life skills training, vocational rehabilitation, and job skills training. In order to break the cycle of incarceration that leads to disrupted families, limited economic prospects and poverty, increased homelessness or risk of homelessness, and more criminal activities, the CoC is working to support offenders returning to its communities by providing increased economic and housing stability. The CoC has representation on the Interagency Council on Homelessness and is collaborating with the coalition to plan approaches to this work. Clark County Detention Center has a staff person dedicated to re-entry. They work closely with SNAMHS for those who are severely mentally ill.

The SNHCoC is actively involved in the Clark County Criminal Justice Coordinating Council as a partner for addressing the needs of homeless, mentally ill and substance abusing criminal justice involved persons.

In April 2018, the SNHCoC and the Southern Nevada Regional Behavioral Health Coordinator (RBHC) in conjunction with the other 2 CoC's and the other 3 RBHC's in the state to hold a Stepping Up Initiative

and Reentry Planning Summit. This summit was a kick-off to ongoing collaboration and coordination to address reentry and second chance efforts in each region.

Discussion

The following provides additional information on the SNHCoC's work with mental health institutions, criminal detention centers and health care providers.

The CoC works closely with the Southern Nevada Adult Mental Health Services (SNAMHS), Mojave Mental Health and WestCare to ensure those exiting institutional mental health services have access to housing and ongoing treatment, including a variety of group housing placements that are SAPTA certified programs. When feasible, they work to reconnect clients to family or friends, or to discharge them into affordable, stable living situations. When such options are not viable, sober living, group homes or transitional living facilities are considered, such as WestCare residential programs, the Las Vegas Rescue Mission, the Shade Tree, Catholic Charities, Hopelink, Family Promise and Freedom House. SNAMHS is required to verify through Joint Commission that the discharge is to a viable address.

Southern NV has implemented a FUSE initiative in conjunction with the Clark County Detention Center and local jails to identify frequent users of the system and to ensure that they are prioritized for housing and service interventions in order to de-populate the detention center, and jails, reduce recidivism, reduce exits to homelessness. In February 2017, the CoC began this work and will expand it over the coming year, moving clients into permanent supportive housing. In addition, we have been awarded the Technology Innovation for Public Safety grant. Currently, the various law enforcement agencies within our community all have separate systems that do not necessarily communicate with one another and do not communicate with the local HMIS. This grant will enable us to develop technology that will allow us to bridge that gap to better identify frequent users in our community and provide the necessary services and ensure these individuals are appropriately and accurately identified to ensure connection with our homeless service system to avoid continuing the cycle.

AP-75 Barriers to affordable housing -91.420, 91.220(j)

Introduction

The predominance of low- to medium-density single-family units in the HCP Consortium Area has made the production of dense affordable housing challenging. In addition to these challenges, public agency regulatory policies related to residential development in the HCP Consortium Area are not flexible with respect to their implementation.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Utilize the BLM land disposal process for the purpose of developing affordable housing for lower income citizens: On April 8, 2004, the BLM Nevada State Director established Interim Guidelines on the policy, provisions, and required information for the implementation of Section 7(b) of the Southern Nevada Public Lands Management Act of 1998 (SNPLMA). These guidelines provide for a discount of 90% to 95% of fair market value for land designated for the use of affordable housing (defined as families earning less than 80% of AMI). Clark County plans to issue an RFP for the development of SNPLMA parcels in 2019.

When developing affordable housing on parcels reserved for that purpose under SNPLMA, Clark County will continue to use its rezoning powers to create opportunities for the construction of affordable housing. Clark County is working to pre-zone BLM parcels in preparation for the development of the land into affordable housing.

Clark County will continue to operate its Affordable Housing Plans Check Program and ensure that costs related to the re-zoning of affordable housing parcels are waived for non-profit developers. Clark County will look at providing incentives for affordable housing such as shared parking opportunities, reduced parking requirements, tax abatements, flexible zoning and fee waivers that could make affordable

housing more economically feasible to develop. The comprehensive planning department's Maryland Parkway Overlay was adopted and provides some of these incentives for the Maryland Parkway Corridor, so the County will continue collaborating on this effort.

AP-85 Other Actions - 91.420, 91.220(k)

Introduction

Clark County and the jurisdictions and townships within the County seek to enhance their abilities to respond to affordable housing needs within their respective jurisdictions. Each jurisdiction differs in its capacity to conduct housing rehabilitation and development programs because of disparities in financial resources for housing development, qualified staff, current program development, policy priorities and matching fund capabilities. The administrative capacity to develop and implement affordable housing programs must be strengthened to implement the affordable housing strategies identified in the Consolidated Plan. Further, increased support for non-profit, neighborhood-based organizations is needed to more effectively empower the local residents.

Actions planned to address obstacles to meeting underserved needs

Affordable housing, particularly for renters at 50% of area median income and below, continues to be an issue of concern in Clark County. Therefore, Clark County continues to fund new construction that primarily targets people at 50% of AMI and below. Through funding of projects like the Boulder Highway Collaborative Service Campus, the County supports not only affordable housing but services and resources that low-income families can use to maintain housing.

Clark County also supports and participates in Project Homeless Connect, an annual event that connects homeless individuals with the services they need in a one stop setting. Those in need come to find housing, medical and dental care, obtain IDs and birth certificates, obtain employment, and access a variety of other services they need to get off the streets. The Nevada Homeless Alliance hosts Project Homeless Connect annually with nearly 500 volunteers serving over 3,000 homeless people in just one day.

In an effort to meet underserved needs more quickly, Clark County sought and received HUD Pre-Award approval for its CDBG Capital Improvement Plan (CIP) for the period covering FY 2015-2019 after a year-long citizen participation process. Local funds were advanced to begin the county projects which

will subsequently be reimbursed from CDBG funds from fiscal years 2015 through 2019. Mesquite and Boulder City have projects approved as part of the CIP with Mesquite focusing on parks and Boulder City focusing on infrastructure and public service. Non-profit sponsored projects received priority funding from the CDBG capital funds awarded annually and all but one of those projects are completed. The County will be entering the 5th and final year of the Capital Improvement Plan and will complete all of the projects, which address underserved needs.

Actions planned to foster and maintain affordable housing

Within the Clark County HOME Consortium, public sector and non-profit groups work to increase the supply of affordable rental and owner occupied housing in Clark County. In FY2019-2020, Clark County and North Las Vegas will fund 6 new construction developments serving family, low-income disabled individuals, and senior households by leveraging Low Income Housing Tax Credits and other federal, state, local and private funding sources. Clark County will solicit additional affordable housing development and possibly support state homeownership assistance programs through approximately \$51 million in 2019 Private Activity Bond Cap.

Actions planned to reduce lead-based paint hazards

The potential for lead-based paint poisoning is limited in the HCP Consortium Area due to the relatively young age of the housing stock. The HCP Consortium will test for lead-based paint in potential rehabilitation projects constructed prior to 1978; continue to educate non-profit rehabilitation providers on lead-based paint; and work to abate lead paint as needed.

Actions planned to reduce the number of poverty-level families

Efforts to address poverty in the Clark County HOME Consortium and Urban County areas include the funding of education and training programs, small business development, and other programs that assist community members to climb the economic ladder. The Consortium jurisdictions have allocated millions in CDBG and ESG funding for anti-poverty activities including construction of an expanded Workforce Training Center. Clark County also provides approximately \$3 million annually in Outside Agency Grant

funds for projects and programs that address poverty, clearly demonstrating that the County uses its own funds and does not rely primarily on federal funds to address this critical issue.

Actions planned to develop institutional structure

Clark County and the cities of Las Vegas, Henderson, North Las Vegas, Boulder City and Mesquite continue to meet on a bi-monthly basis to discuss issues relating to HOME, CDBG, NSP and ESG. The meetings continue to include the SNRHA and State of Nevada Housing Division staff. The discussions range from questions relating to joint projects, to coordination of grant application cycles.

Although Henderson, Las Vegas and recently North Las Vegas are independent entitlement communities for CDBG and ESG, their activities affect the region, and the Clark County Urban County and HOME Consortium activities may affect their communities. North Las Vegas remains part of the HOME Consortium, but Henderson and Las Vegas also have independent HOME entitlement status. All these jurisdictions' participation in the Consortium meetings allows for an assessment of the regional impact of housing and community development policies. HCP Consortium members will also continue to participate in jointly funded HOME and CDBG projects, such as the two HOME projects that are being jointly funded by Clark County and the City of Las Vegas for 2019.

In 2017, Clark County requalified for the CDBG Urban County Program and renewed the HOME Consortium for FYs 2018-2020. Boulder City and Mesquite remained part of the CDBG Consortium and by virtue of their participation in that Consortium is part of the Clark County HOME Consortium. Meanwhile, the City of North Las Vegas became an independent entitlement entity for CDBG, but remained part of the HOME Consortium in FYs 2018-2020.

Clark County also participates in the Southern Nevada Regional Planning Coalition (SNRPC) which brings together all public jurisdictions to coordinate regional planning in a seamless fashion while respecting each member's autonomy. This requires promoting intergovernmental cooperation and trust built on careful planning and accountability, thus enhancing the quality of life in Southern Nevada. Clark County will continue to consult with the SNRPC on emerging issues, as needed.

Participation in the Southern Nevada Strong project will continue and is expected to build the institutional structure to support improvements to the infrastructure, housing and services for the low and moderate income community. Please see Discussion below for more information on Southern Nevada Strong.

HCP Consortium members will continue to work with the board of the Southern Nevada Homelessness Continuum of Care and implementation of all of its initiatives including, but not limited to, Coordinated Entry and HMIS. HCP Consortium members have been active with the board in the development of projects and policies that strengthen a structure of cooperation and collaboration.

Actions planned to enhance coordination between public and private housing and social service agencies

Clark County, North Las Vegas and Boulder City are members of the Southern Nevada Homelessness Continuum of Care, whose primary responsibility is to manage the overall planning effort for the entire CoC on homeless issues. HCP Consortium staff is also members of the Continuum of Care Evaluation Working Group (CoCEWG) which oversees the operations and activities of the CoC. It includes representatives from both public and private agencies, ensuring compliance with the regional 10-year strategic plan. ESG program information is regularly discussed as a standing item on that agenda which has representatives of many major stakeholder groups including the school district, police department, social service agencies, and non-profits. ESG and CoC staff has also collaborated on monitoring planning and implementation for subrecipients of their funding.

The HCP Consortium works with the Southern Nevada Regional Housing Authority (SNRHA) throughout the year, acting on new issues as they arise and working to support activities and housing opportunities for public housing residents and Section 8 residents.

Coordination with non-profit service providers and among governments takes place consistently through other meetings held in the community including the Emergency Food and Shelter Program (EFSP) Local Board and the Continuum of Care Working Groups. The HCP Consortium will continue to be active members of these committees and others.

Discussion

In addition to the actions outlined above, there are regional initiatives underway in which the HCP Consortium participates. On November 27th, 2011, the U.S. Department of Housing and Urban Development (HUD) announced the award of \$3.5 million in funding which provides the resources to conduct in-depth research and community engagement efforts to look at issues facing our community and propose collaborative solutions. The Sustainable Community Grant Award has developed into Southern Nevada Strong, <http://www.southernnevadastrong.org>, which places a new emphasis on integrated planning, where housing, land-use, economic and workforce development, transportation, and infrastructure are linked to create more sustainable and economically vibrant community. Clark County and North Las Vegas continue to participate with Southern Nevada Strong at the Regional Transportation Commission. Clark County is working on the redevelopment of the Maryland Parkway Corridor to remove blight, develop transit-oriented housing, and provide zoning incentives for revitalization activities. County planners have been striving to understand the role of affordable housing in transit-oriented development in urban settings. To create a compact, pedestrian-oriented, mixed-use community centered on public transportation provides an opportunity for economic revitalization, and Clark County seeks to do so without gentrification of the currently low- to moderate-income area.

Clark County staff has also participated in various housing roundtables and legislative committees at both the state and federal levels to explore and address impediments to affordable housing. This work will continue as the information gathered through multiple meetings will be brought to the legislative process.

Program Specific Requirements

AP-90 Program Specific Requirements - 91.420, 91.220(I)(1,2,4)

Introduction

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

Community Development Block Grant Program (CDBG)

Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	0

Other CDBG Requirements

1. The amount of urgent need activities	0
---	---

2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. FY2019-2020 is included in this Annual Action Plan.

0.00%

HOME Investment Partnership Program (HOME)

Reference 24 CFR 91.220(I)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

Clark County does not intend to use forms of investment other than those described in 24 CFR 92.205(b).

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

For homeownership projects, in accordance with 24 CFR 92.254(a)(5), Clark County elects at its option to impose recapture requirements, rather than resale requirements, under the "shared net proceeds" method authorized by 24 CFR 92.254(a)(5)(ii)(A)(3), for its HOME program, to ensure that it recoups all or a portion of the HOME assistance to the homebuyers, if the housing does not continue to be the principal residence of the family for the duration of the period of affordability.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

If the homebuyer transfers the property either voluntarily or involuntarily during the period of affordability, Clark County recovers, from available net proceeds, all or a portion of the HOME assistance to the homebuyers. Net proceeds are defined as the sales price minus superior loan repayment (other than HOME funds) and any closing costs. Under no circumstances can the PJ

recapture more than is available from the net proceeds of the sale. In some cases, such as declining housing markets, the net proceeds available at the time of sale may be insufficient to recapture the entire direct HOME subsidy provided to the homebuyer. Since the HOME rule limits recapture to available net proceeds, Clark County can only recapture what is available from net proceeds. If there are insufficient net proceeds available at sale, Clark County is not required to repay the difference between the total direct HOME subsidy and the amount Clark County is able to recapture from available from net proceeds. Clark County and North Las Vegas do not operate nor fund homebuyer assistance programs using HOME funds at this time.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

Clark County HOME funds will not be used to refinance existing debt.

Emergency Solutions Grant (ESG)

1. Include written standards for providing ESG assistance (may include as attachment)

Please see Grantee Specific Appendices for ESG Written standards. Clark County has updated the ESG Written Standards in conjunction with homeless service providers and the CoC EWG.

2. If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.

The Southern Nevada Continuum of Care along with all interested stakeholders underwent an intense community process of identifying and designing a Coordinated Entry Pilot for Southern Nevada. The Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act of 2009 mandates that each Continuum of Care has a Coordinated or Centralized Intake and Assessment process (known as Coordinated Entry) to ensure that people experiencing homelessness with the most severe service needs and levels of vulnerability are prioritized for housing and homeless assistance.

On behalf of the Southern Nevada Continuum of Care (CoC) and its respective stakeholders, Clark County Social Service was requested to serve as the HUB sites for the Southern Nevada Continuum of Care (CoC) Coordinated Entry for homeless individuals.

3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

Clark County made the ESG application available to the public in mid-October 2018, and advertised its availability in Las Vegas Review Journal, posted the information on the Clark County CRM web site and sent an e-mail to prior ESG recipients and anyone who requested to be on the distribution list. The application was available through ZoomGrants, a web-based grants management platform. Clark County received 13 ESG applications requesting more than \$1.1 million in funding. The Community Development Advisory Committee, a group of community members appointed by the Board of County Commissioners, provided input and funding recommendations for the applications. At a meeting on January 22, 2019, CDAC members received an orientation about the program and their advisory role. ESG applicants made presentations to the CDAC on February 5, 2019. The CDAC scored and ranked applications online in ZoomGrants and met on March 5, 2019, to make funding recommendations. A public hearing on the ESG projects for FY 2019 was held at the April 16, 2019 Board of County Commissioners meeting. The Board members approved recommendations for funding at that same meeting. Clark County will distribute funding to eight agencies that will provide emergency shelter services and four agencies that will provide rapid re-housing.

4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.

N/A

5. Describe performance standards for evaluating ESG.

The CoC EWG has established CoC and ESG Performance Standards and Evaluation Criteria, which

were developed in collaboration with a HUD Technical Assistance organization Home Base. Performance standards for ESG are as follows:

- Homeless Prevention performance measures: (note: Clark County is NOT funding homeless prevention activities with 2019-20 funds)
- Reduce the number of homeless households with children: at least 50% of participants assisted will remain in permanent housing 6 months after the last assistance provided under the ESG program. Homeless Rapid Re-Housing performance measures: Reduce the number of households with children, both sheltered and unsheltered, in the continuum of care: at least 50% of participants assisted will remain in permanent housing 6 months after the last assistance provided under the ESG program. Case Management Services performance measures 80% of program participants have a monthly service transaction and housing plan in HMIS 30% of program participants will see an increase in self-sufficiency scores by 20 percent Shelter Services performance measures: Reduce length of emergency shelter stays to 50 days 40% of shelter stays of less than 31 days and exit into transitional or permanent housing 50% of shelter participants exit into a transitional or permanent housing situation Agencies receiving ESG funds will be monitored to ensure that program guidelines are being followed. In addition, before reimbursement can be made verification will be required including certification of homelessness, lease documents, and income calculations, as well as cancelled checks and invoices.

CLARK COUNTY
EMERGENCY SOLUTIONS GRANT PROGRAM
FY2019/2020 ESG WRITTEN STANDARDS

i. Standard policies and procedures for evaluating individuals' and families' eligibility for assistance under Emergency Solutions Grant (ESG)

Individuals and families eligible for emergency shelter housing funded by ESG funds must be homeless as defined by the General Definition of Homeless Individual, found in the Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH Act) Section 103 [42 USC 11302]:

(a) In general

For purposes of this chapter, the terms "homeless", "homeless individual", and "homeless person" means— ^[1]

- (1) an individual or family who lacks a fixed, regular, and adequate nighttime residence;
- (2) an individual or family with a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport, or camping ground;
- (3) an individual or family living in a supervised publicly or privately operated shelter designated to provide temporary living arrangements (including hotels and motels paid for by Federal, State, or local government programs for low-income individuals or by charitable organizations, congregate shelters, and transitional housing);
- (4) an individual who resided in a shelter or place not meant for human habitation and who is exiting an institution where he or she temporarily resided;
- (5) an individual or family who—
 - (A) will imminently lose their housing, including housing they own, rent, or live in without paying rent, are sharing with others, and rooms in hotels or motels not paid for by Federal, State, or local government programs for low-income individuals or by charitable organizations, as evidenced by—

(i) a court order resulting from an eviction action that notifies the individual or family that they must leave within 14 days;

(ii) the individual or family having a primary nighttime residence that is a room in a hotel or motel and where they lack the resources necessary to reside there for more than 14 days; or

(iii) credible evidence indicating that the owner or renter of the housing will not allow the individual or family to stay for more than 14 days, and any oral statement from an individual or family seeking homeless assistance that is found to be credible shall be considered credible evidence for purposes of this clause;

(B) has no subsequent residence identified; and

(C) lacks the resources or support networks needed to obtain other permanent housing; and

(6) unaccompanied youth and homeless families with children and youth defined as homeless under other Federal statutes who—

(A) have experienced a long term period without living independently in permanent housing,

(B) have experienced persistent instability as measured by frequent moves over such period, and

(C) can be expected to continue in such status for an extended period of time because of chronic disabilities, chronic physical health or mental health conditions, substance addiction, histories of domestic violence or childhood abuse, the presence of a child or youth with a disability, or multiple barriers to employment.

(b) Domestic violence and other dangerous or life-threatening conditions

Notwithstanding any other provision of this section, the Secretary shall consider to be homeless any individual or family who is fleeing, or is attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions in the individual's or family's current housing situation, including where the health and safety of children are jeopardized, and who have no other residence and lack the resources or support networks to obtain other permanent housing.

(c) Income eligibility

(1) In general

A homeless individual shall be eligible for assistance under any program provided by this chapter, only if the individual complies with the income eligibility requirements otherwise applicable to such program.

(2) Exception

Notwithstanding paragraph (1), a homeless individual shall be eligible for assistance under title I of the Workforce Investment Act of 1998 [29 U.S.C. 2801 et seq.].

(d) Exclusion

For purposes of this chapter, the term “homeless” or “homeless individual” does not include any individual imprisoned or otherwise detained pursuant to an Act of the Congress or a State law.

(e) Persons experiencing homelessness

Any references in this chapter to homeless individuals (including homeless persons) or homeless groups (including homeless persons) shall be considered to include, and to refer to, individuals experiencing homelessness or groups experiencing homelessness, respectively.

Clients assisted with ESG funds need to be entered into HMIS during client intake, agency must maintain a minimum HMIS data quality of 90%. Agencies solely providing emergency shelter to victims of domestic violence, stalking, sexual abuse, and trafficking are exempt. In those cases, a comparable database should be used that protects the identity and safety of clients.

Service providers who receive Department of Housing and Urban Development (HUD) funding through the Southern Nevada Continuum of Care and ESG who also primarily serve homeless individuals who are 18 years of age and older are required to participate in the Coordinated Intake (CI) process. Homeless individuals will be assessed using the Community Housing Assessment Tool (CHAT) during CI. There are currently two major hubs for the intake process, Clark County Social Services, and also for homeless single veterans, the Veterans Administration Administrative Community Resource & Referral Center (CRCC). In particular, five Clark County Social Services hosts five locations and the Veteran’s Administration Community Resource & Referral center hosts the other hub. The main phone number is 702 455-4270. During intake homeless individuals will be assessed, evaluated, and referred to services if they are available and appropriate for the individual, through Clark County Social Services, the Continuum of Care, and/or other providers in the community. Homeless service providers who serve other types of sub-populations such as families and youth will also be required to use the centralized coordinated intake process once it is implemented for that particular sub-population.

ii. Standards for targeting and providing essential services related to street outreach

Clark County is not planning to allocate ESG funds for Street Outreach activities.

iii. **Policies and procedures for admission, diversion, referral, and discharge by emergency shelters assisted under ESG, including standards regarding length of stay, if any, and safeguards to meet the safety and shelter needs of special populations, e.g., victims of domestic violence, dating violence, sexual assault, and stalking; and individuals and families who have the highest barriers to housing and are likely to be homeless the longest;**

Homeless individuals/families seeking shelter must be provided shelter. If there are no appropriate or available beds immediately available for the client at the location he/she is seeking assistance, then the agency must collaborate with another provider to place client into another appropriate shelter.

Shelters must meet or exceed minimum habitability standards specified in CFR 576.403 that cover building structure and materials, access, space and security, interior air quality, water supply, sanitary facilities, thermal environment, illumination and electricity, food preparation, sanitary conditions, and fire safety.

There is no county imposed limit on the length of stay. It is the discretion of the agency and program providing shelter services to set limits, if any, on the length of stay depending on the target population, client's barriers to obtain permanent housing, and other circumstances the client is facing.

Per HUD, sheltered families with children cannot be broken apart. If no shelter is available on-site, an alternative living arrangement must place the family together which may include placement at another shelter/ housing provider that can house families, or hotel-motel rooms (only in areas where no other appropriate shelter is available).

Providers should aim to have clients leave the program into a permanent and stable housing situation. This can be placement into supportive housing, or client may become self-sufficient and able to maintain his/her own housing with a stable source in income.

If client leaves the program and is not stably housed, all efforts should be made to place client into another more appropriate shelter/ housing situation.

Vulnerable populations seeking shelter need access to appropriate shelter that is safe, sanitary, and meets or exceeds minimum habitability standards. This population includes victims of domestic violence, youth, people with special needs, the elderly, medically frail, mentally ill, and victims of human trafficking. Upon intake and if necessary, client may be referred and sheltered elsewhere in a more appropriate location. Emergency shelters that provide housing to victims of domestic violence must have an appropriate security system in place to protect housed victims of domestic violence from their perpetrators. Currently there are a few providers that offer emergency shelter beds and supportive services

to these vulnerable populations. There is no time limit on their length of stay. Clients are not discharged back out to the street or into unsafe living conditions, but if necessary are referred to another appropriate housing program.

In addition to homeless clients seeking shelter, street outreach is conducted by local homeless providers including the Las Vegas Metropolitan Police Department to get homeless people located in places not meant for human habitation into emergency shelter or transitional/ permanent housing.

iv. Policies and procedures for assessing, prioritizing, and reassessing individuals' and families' needs for essential services related to emergency shelter;

ESG funds may be used to provide essential services to individuals and families who are in an emergency shelter. Essential services for participants of emergency shelter assistance can include case management, child care, education services, employment assistance and job training, outpatient health services, legal services, life skills training, mental health services, substance abuse treatment services, transportation, and services for special populations.

Based on the CoC's CI, ESG recipients shall be required to use that system to help determine an individual or family's need for emergency shelter or other ESG funded assistance.

ESG sub-recipients are responsible to assess an individual or family's initial need for emergency shelter and must re-assess their need on an ongoing basis to ensure that only those individual or families with the greatest need receive ESG-funded emergency shelter assistance. Shelters that serve families must serve all eligible families and may not refuse services based on the age of children or the size of the family.

Client re-assessment will take place at the participant level and at the service provider level. Clients meet with case managers throughout their participation in the program, and have regular progress evaluations. Clients have opportunity to provide assessment and feedback of programs as well.

Clients assisted with ESG funds are to be entered into HMIS during client intake and agency must maintain a minimum HMIS data quality of 90%. Agencies solely providing emergency shelter to victims of domestic violence, stalking, sexual abuse, and trafficking are exempt. In those cases, a comparable database should be used that protects the identity and safety of clients.

Clients must be assisted to the maximum extent possible with connections to other programs targeted to homeless people in the local Continuum of Care area, as well as mainstream housing, health, social services, employment, education and youth programs for which they may be eligible (see 576.4 Area-wide systems coordination, sections b and c for a full list). This includes CoC, HUD-VASH, Education for Homeless Children and Youth, Health Care for Homeless, Runaway and Homeless Youth, Homeless Veterans Reintegration, Section 8, Public Housing, HOME Investment Partnership, Workforce Investment Act, and TANF programs. When assisting vulnerable populations, services need to be tailored to address their special needs. Individualized case management is also highly encouraged.

To improve awareness of services, ESG funded agencies are required to attend training and meeting sessions on homeless services in the community. This includes the Mainstream Programs Basic Training, the SNRPC Committee on Homelessness meetings, and SOAR training.

v. Policies and procedures for coordination among emergency shelter providers, essential services providers, homelessness prevention, and rapid re-housing assistance providers; other homeless assistance providers; and mainstream service and housing providers. See § 576.400(b) and (c) for a list of programs with which ESG-funded activities must be coordinated and integrated to the maximum extent practicable.

A centralized coordinated intake has been adopted by the Continuum of Care and is in place in Southern Nevada for homeless individuals. Providers assisting those populations and assisted with ESG funds must participate in the CI system. Providers are also required have their most recent information updated in Nevada 211. To improve collaboration and awareness of services, ESG funded agencies are required to attend training and meeting sessions on homeless services in the community. Families and Youth will be added to the coordinated intake system in June 2018.

Case management and intake staff are required to attend **Mainstream Programs Basic Training** classes which provide information on the local and federal resources and programs covering the following core topics include: Income Supports, Employment Services, Health Care, Legal Services, and Housing Resources. Specialized topics typically include: Veterans, Housing Resources, Employment Services/Income Supports, Addictions & Mental Health, Homeless Youth/Young Adults and Families w/ Children, Human Trafficking, Senior Services/ HealthCare Services, Legal Services/ Financial Literacy, Domestic Violence, HIV/AIDS, and Services for Persons with Disabilities. Staff attending these classes must obtain proof of their attendance.

ESG subrecipients on the director or management level are highly encouraged to attend a minimum of 5 Southern Nevada Homelessness Continuum of Care (SNH CoC) Board meetings per year.

One staff member from each ESG funded program providing direct supportive services to is highly encouraged to complete SSI/SSDI, Outreach, Access, and Recovery (**SOAR**) training within 18 months of the date their assistance

agreement for ESG funds is fully executed. Outcomes should be reported to SNH COC Board staff **at least** once per year. SOAR training, a national project funded by Substance Abuse and Mental Health Services Administration (SAMHSA) is available for direct service workers who once trained, understand Disability Determination Services and Social Security Administration's requirements and appropriate documentation needs. SOAR training helps to decrease the time to issue determinations and reduces the need for appeals. This is highly beneficial for eligible adults who are homeless or at risk of homelessness and have a mental illness and/or co-occurring substance abuse disorder which are also populations that face significant barriers to seeking stable affordable permanent housing.

vi. Policies and procedures for determining and prioritizing which eligible families and individuals will receive homelessness prevention assistance and which eligible families and individuals will receive rapid re-housing assistance;

Intake and HMIS: Subrecipients are required to use HMIS during client intake and complete a needs assessment when conducting client intake for homeless prevention or rapid re-housing assistance for families and youth. Homeless individuals must be assessed through the CI system using the Community Housing Assessment Tool (CHAT) to determine proper placement. Once Families and Youth are added to this system in 2017, they will also be assessed through CI and the CHAT. Until that system is in place, sub-recipients assistance must be supported by documentation that has been copied and uploaded into the electronic file in HMIS and stored in the client's paper file.

Homeless Prevention: Eligible participants are individuals/families with incomes below 30% Area Median Income, at risk of becoming homeless and moving into an emergency shelter or a place not meant for human habitation. All assisted individuals/families must meet eligibility criteria as outlined at 576.103 Homeless Prevention Component in Interim Rule. Participants are eligible if they meet the HUD definition of "at risk of homelessness", or who meet the criteria in paragraph 2, 3, or 4 of the homeless definition AND have an annual income below 30% of area median family income or receive the appropriate score from the CHAT.

Rapid Re-housing: Eligible participants need to be literally homeless. To be eligible beneficiaries must meet the definition of homelessness under paragraph 1 of the "homeless definition" defined by the ESG interim rule, or meet criteria under paragraph 4 of homeless definition AND live in an emergency shelter or other place described in paragraph 1 of homeless definition. Clients eligible under the HUD definition of literally homeless and receive the appropriate score from the CHAT will receive priority over other eligible persons.

vii. Standards for determining what percentage or amount of rent and utilities costs each program participant must pay while receiving homelessness prevention or rapid re-housing assistance;

viii. Standards for determining how long a particular program participant will be provided with rental assistance and whether and how the amount of that assistance will be adjusted over time;

ix. **Standards for determining the type, amount, and duration of housing stabilization and/or relocation services to provide to a program participant, including the limits, if any, on the homelessness prevention or rapid re-housing assistance that each program participant may receive, such as the maximum amount of assistance, maximum number of months the program participant receive assistance; or the maximum number of times the program participant may receive assistance.**

HOMELESS PREVENTION

RENTAL ASSISTANCE TO PREVENT EVICTION (under homeless prevention):

Individuals will be assessed through the CHAT while families and youth will be assessed using sub-recipients needs assessment (until June 2017). Clients eligible under the HUD definition of at risk of homelessness and who receive the appropriate score from the CHAT will receive priority over other eligible persons who are at risk of homelessness. HUD requires clients receiving assistance for homeless prevention to be re-evaluated at least once every three months.

Furthermore, the following local conditions apply:

Short-term rent (1-3 months of assistance allowed at 100% rate of rent)

1. The household will actively engage in a Housing Stabilization Plan, the goal of which will be to either increase income and/or reduce expenses such that the rental cost is no more than 80% of the household's net income;
2. The client household will agree to participate in case management and other activities designed to improve their ability to remain stably housed.
3. The initial assistance must have been necessary to avoid eviction (eviction notice/ notice to quit letter required), or to avoid or reduce an unnecessary episode of homelessness of the household;
4. Rental assistance may not be provided to a program participant receiving rental assistance from other public sources (except for 6 months arrears);
5. Rental rates must not exceed the Fair Market Rent specified for household size and rental rates must comply with HUD's rent reasonableness.
6. Any housing units constructed before January 1, 1978 will be assessed for lead based paint hazards.
7. Housing unit must meet minimum habitability standards specified in 576.403(c).
8. Each household receiving rental assistance must have a legally binding, written lease (between the owner and participant household) for the rental unit in their name.

9. Agency must have a rental assistance agreement in place with the party to which payments are being made which must set forth the terms under which rental assistance will be provided.
10. Arrears (no more than 6 months) must be paid off first to bring the balance to zero. Payment of rental arrears can only be a one-time payment up to 6 months including any late fees on those arrears. Late fees for subsequent months will not be paid with ESG funds.
11. Unit owners must be paid on a timely basis in accordance with the rental assistance agreement. Any late payment penalties that are incurred must be paid by subrecipient or household (with non-ESG funds).
12. The household will be “re-evaluated” for income eligibility no later than the 20th day at the end of the 3rd month. At re-evaluation, household income cannot exceed 30% of AMI, otherwise financial assistance will cease.
13. A second and third issuance of rental assistance can be considered when the household demonstrates compliance with and progress on a Housing Stability Plan.
14. If at the third month “re-evaluation” and assessment finds that the client needs additional assistance, and if the household demonstrates compliance with and progress on the Housing Stability Plan, and if client continues to meet income qualifications, client may proceed to receive medium term rent assistance (4-13 months of assistance). Client must continue to be “re-evaluated” every three months.

For medium term rent (4-13 months of assistance)

Up to 100% of the fourth month of rent may be paid. Months 5-13 may be paid at a rate of 75% of rent.

1. Priority will be given to households who receive the appropriate score from the CHAT and who may need more than 3 months to stabilize;
2. The household will continue to actively engage in a Housing Stability Plan, the goal of which will be to either increase income and/or reduce expenses such that the rental cost is no more than 80% of the household’s net income;
3. The household will be re-assessed monthly, no later than the 20th day of each month. Each additional 4-12th month of rental assistance can be considered when the household demonstrates compliance with and progress on the Housing Stability Plan.

HOUSING RELOCATION AND STABLIZATION SERVICES FINANCIAL ASSISTANCE:

Eligible expenses under this category include: rental application fees, last month’s rent, security deposits, moving costs, utility deposits, and utility payments.

Housing relocation & stabilization services relating to rent

Financial assistance

1. If necessary to relocate to another affordable housing unit, security deposits may be paid but must equal no more than 2 months of rent.
2. If necessary as a component of relocation to affordable housing, moving costs may be allowed on a case by case basis as allowed by the ESG Interim Regulation: 24 CFR 576.105. Eligible costs are truck rentals, hiring a moving company, and temporary storage fees for up to 3 months. Fees must be reasonable and occur after client intake and before the new move into a more affordable home.
3. If necessary to relocate and obtain new housing for household, last month's rent (of new housing unit) may be paid. Assistance must not exceed one month's rent.

MAXIMUM PERIOD AND TIMES OF ASSISTANCE:

Any combination of *rental assistance* which includes short and medium term rental assistance (including arrears) AND security deposits and last month's rent (both eligible under housing relocation & stabilization services financial assistance) may not exceed *13 months* total during any 3-year period.

Rental assistance

- The maximum *times* a participant can receive non-consecutive short/ medium term *rental assistance* is 3 times per 13 month period. Rental arrears are the exception and are limited to 1 time assistance, per participant, within a 3 year period.

Housing relocation & stabilization services financial assistance costs (relating to rent)

- Rental application fees, security deposits, and last month's rent are limited to 1 time assistance, per participant, per service, within a 3 year period.
- Security deposits cannot exceed 2 months of rent.
- Last month's rent may not exceed 1 month of rent.

Assistance with Essential Utilities

Eligible under Housing Relocation & Stabilization Services- financial assistance

All clients will complete and receive the appropriate score from the CHAT or the sub-recipient assessment tool for families and youth (1-13 months of assistance allowed).

Eligible utility services are gas, electric, water, and sewage.

1. Eligible households/ individuals must be individuals/families with incomes below 30% Area Median Income, at risk of becoming homeless and moving into an emergency shelter or a place not meant for human habitation. All assisted individuals/families must be evaluated and meet eligibility criteria as outlined at 576.103 Homeless Prevention Component in Interim Rule. Participants are eligible if they meet the HUD definition of “at risk of homelessness”, or meet the criteria in paragraph 2, 3, or 4 of the homeless definition AND have an annual income below 30% of area median family income.
2. Priority will be given to households that score high on the CHAT;
3. The utility is for a service at a housing unit leased or otherwise contracted to the assisted household. Housing unit must also meet minimum habitability standards specified in 576.403(c).
4. Household must provide documentation that they will be losing their housing (eviction letter) and is also to receive rental assistance to avoid homelessness.
5. Utility service must be in client’s name and at the address they are living at and obtaining rental assistance.
6. Households with a shut off notice of utilities shall be assisted to bring the past due amount to a zero balance, provided utilities are no more than six (6) months in arrears and shall be considered for rental assistance in that or the following month.
7. If the household has an Eviction Notice, they can be assisted with rent arrears and utilities arrears.
8. The client file must contain evidence that the household has applied for assistance from one or more of the Energy Assistance Programs administered through the Division of Welfare and Supportive Services of the State of Nevada or through the United Way of Southern Nevada, or other public programs available for assistance with utility payments;
9. Up to 13 months of utility payments per household, per service, including up to 6 months of arrearages, per service is allowed. Arrears must be paid as a one- time payment.

Housing relocation and stabilization financial assistance costs (relating to utilities)-

Maximum period and times of assistance for utility related assistance:

- The maximum times a participant can receive non-consecutive utility assistance for monthly utility bill payments is 3 times per 13 month period, per service.

- The maximum period a participant can receive utility assistance is 13 months within a 3 year period. The exception is arrears. Utility arrear payments of up to 6 months are allowed per participant, per service, within a 3 year period.
- Deposits are limited to 1 time assistance per participant, per service, per 3 years.

RAPID RE-HOUSING

All clients will complete the CHAT or a sub-recipient needs assessment. Eligible participants need to be literally homeless. Participants must meet the *definition of homelessness under paragraph 1* of the “homeless definition” defined by the ESG interim rule, *or meet criteria under paragraph 4 of homeless definition AND* live in an emergency shelter or other place described in paragraph 1 of homeless definition.

Clients eligible under the HUD definition of literally homeless and who also score high on the CHAT or sub-recipient needs assessment will receive priority over other eligible persons. HUD requires clients receiving assistance for rapid re-housing to be re-evaluated at least once per year, however, on a local basis, additional assessments are required (see below).

RENTAL ASSISTANCE FOR HOMELESS

Generally, restrictions are similar to the rent and utility restrictions under Homeless Prevention; except that the maximum number of months client can be assisted is 15 months, per 3 year period, under rapid re-housing.

Short-term rent (1-3 months of assistance allowed at 100% rate of rent)

1. Highest priority will be given to clients with a high score through the CHAT or sub-recipient needs assessment;
2. The household will actively engage in an intensive case management plan, the goal of which will be to either increase income and/or reduce expenses such that the rental cost is no more than 80% of the household’s net income;
3. The household will be “re-evaluated” for eligibility at the end of the third month, not later than the 20th day of each month. At re-evaluation, household income cannot exceed 30% of AMI, otherwise financial assistance will cease.
4. Rental assistance may not be provided to a program participant receiving rental assistance from other public sources.
5. Rental application fees are eligible for ESG reimbursement (under housing relocation & stabilization services).

6. Security deposits may be paid but must equal no more than 2 months of rent (eligible under housing relocation & stabilization services).
7. If necessary to obtain housing for household, last month's rent (of new move housing unit) may be paid. Assistance must not exceed one month's rent (eligible under housing relocation & stabilization services).
8. Up to 6 months of arrears are allowed by HUD including any late fees, but must be one-time payment, per participant, per service.
9. Each household receiving rental assistance must have a legally binding, written lease (between the owner and participant household) for the rental unit in their name.
10. Agency must have a rental assistance agreement in place with the party to which payments are being made which must set forth the terms under which rental assistance will be provided.
11. The housing unit where the household will reside must be affordable to the household. Rental rates must not exceed the Fair Market Rent specified for household size and rental rates must comply with HUD's rent reasonableness.
12. Any housing units constructed before January 1, 1978 will be assessed for lead-based paint hazards.
13. Housing unit must meet minimum habitability standards specified in 576.403(c).
14. The first issuance of rental assistance can be up to 100% of the upcoming month rent. Rent must be paid on a timely basis, in the case that any late fees are incurred in the new housing situation, those fees will not be paid with ESG funds;
15. A second and third issuance of rental assistance can be considered when the household demonstrates compliance with and progress on intensive case management Plan.
16. If necessary, client receiving short term assistance, who receives the appropriate score from the CHAT after 3 months, may proceed to receive medium-term rent assistance (4-15 months of assistance). Client will continue to be re-assessed on a monthly basis.

Medium term rent (4-15 months of assistance):

Month 4 can be paid at up to 100%, thereafter months 5-15 can be paid at 75%.

1. Priority will be given to households who receive the appropriate score from the CHAT and who need more than 3 months to acquire long term housing;
2. The household will actively engage in an intensive case management plan, the goal of which will be to either increase income and/or reduce expenses such that the rental cost is no more than 80% of the household's net income;
3. The household will be "re-evaluated" for eligibility monthly, not later than the 20th day of each month.

HOUSING RELOCATION AND STABILIZATION SERVICES FINANCIAL ASSISTANCE

Eligible expenses under this category include: rental application fees, last month's rent, security deposits, moving costs, utility deposits, and utility payments.

Housing relocation & stabilization services relating to rent:

Financial assistance

- If necessary to move to an affordable housing unit, security deposits may be paid but must equal no more than 2 months of rent.
- If necessary to obtain housing for household, last month's rent (of new housing unit) may be paid. Assistance must not exceed one month's rent.

MAXIMUM PERIOD AND TIMES OF ASSISTANCE:

Any combination of *rental assistance* which includes short and medium term rental assistance (including rental arrears) AND security deposits and last month's rent (both eligible under housing relocation & stabilization services financial assistance costs) may not exceed *15 months* during any 3-year period.

Rental assistance

- The maximum *times* a participant can receive non-consecutive short/ medium term *rental assistance* is 3 times per 15 month period. Rental arrears are the exception and are limited to 1 time assistance, per participant, within a 3- year period.

Housing relocation & stabilization services financial assistance costs (relating to rent)

- Rental application fees, security deposits, and last month's rent are limited to 1 time assistance, per participant, per service within a 3-year period.
- Security deposits cannot exceed 2 months of rent.
- Last month's rent may not exceed 1 month of rent.

Assistance with Essential Utilities

Eligible under Housing Relocation and Stabilization services

Clients eligible under the HUD definition of literally homeless and who receive the appropriate score from the CHAT will receive priority over other eligible persons.

Generally, restrictions are similar to the rent and utility restrictions under Homeless Prevention except that the maximum number of months client can be assisted is 15 months with rapid re-housing within a 3-year period.

1. Priority to households who receive the appropriate score from the CHAT.
2. Up to 15 months of utility payments per participant, per service, including up to 6 months of arrearages, per service is allowed (must pay arrear as a one-time payment). Eligible utility services are gas, electric, water, and sewage. Household is also to receive assistance with rent in order to stabilize.
3. The assisted households 'existing arrears (of only up to 6 months) will need to paid off first to bring their past due balance to zero. After the payment of any arrearages, client may receive utility assistance for new utility charges.
4. Utility deposits to pay a standard utility deposit required by utility company are an eligible ESG expense (under housing relocation & stabilization services).
5. The utility is for a service must be at a housing unit leased or otherwise contracted to the assisted household.
6. The client file must contain evidence that the household has applied for assistance from one or more of the Energy Assistance Programs administered through the Division of Welfare and Supportive Services of the State of Nevada or through the United Way of Southern Nevada, or another public programs available for assistance with utility payments;

Maximum period and times of assistance: Housing relocation and stabilization *financial assistance* costs relating to utilities-

- The maximum times a participant can receive non-consecutive utility assistance with monthly utility bill payments is 3 times per 15 month period, per service.
- The maximum period a participant can receive utility assistance is 15 months within a 3-year period. The exception is arrears. Utility arrear payments (of up to 6 months) and deposits are limited to 1 time assistance, per service, per 3-year period.
- Deposits are limited to 1 time assistance, per participant, per service, per 3 years.

ix. Standards for determining the type, amount, and duration of *housing stabilization and/or relocation services* to provide to a program participant, including the limits, if any, on the homelessness prevention or rapid re-housing assistance that each program participant may receive, such as the maximum amount of assistance, maximum number of months the program participant receive assistance; or the maximum number of times the program participant may receive assistance:

All clients will complete the CHAT or sub-recipient needs assessment. Clients eligible under the HUD definition of at risk of homelessness and who receive the appropriate score from the CHAT will receive priority for homeless prevention assistance over other eligible persons who are at risk of homelessness. Clients eligible under the HUD definition of literally homeless and receive the appropriate score from the CHAT will receive priority for rapid re-housing assistance over other eligible persons.

Those scoring higher points are in a higher need of the most extensive type of assistance. The type of housing relocation/ stabilization services provided to program participant will depend on his/her need as assessed by case manager.

Limits on housing stabilization and relocation services:

Housing Stabilization & Relocation Services financial assistance policies and procedures addressed above in detail. This includes *rental application fees, security deposits, last month's rent, utility deposits, utility payments and moving costs.*

There will be **no maximum monetary amount** of assistance established per client as long as expenses are reasonable and comply with fair market costs.

Under Homeless Prevention: Any combination of *rental assistance* which includes short and medium term rental assistance and rental arrears, *housing relocation & stabilization services financial assistance costs* which includes security deposits, and last month's may not exceed **13 months during any 3-year period.**

- The maximum times a participant can receive non-consecutive **rental assistance** is 3 times per 13 month period. Arrears are the exception, which are limited to a one-time payment, per service.
- Rental application fees, security deposits, and last month's rent are limited to a one-time payment, per service, per 3 -years.
- Security deposits cannot exceed 2 months of rent.
- Last month's rent may not exceed 1 month of rent.
- The maximum times a participant can receive non-consecutive utility assistance for monthly utility bill payments is 3 times per 13 month period, per service.
- Utility arrear payments (of up to 6 months) per participant, per service, per 3 year period.
- Deposits are limited to 1 time assistance per participant, per service, per 3 year period.

Under Rapid Re-Housing Any combination of *rental assistance* which includes short and medium term rental assistance and rental arrears, *housing relocation & stabilization services financial assistance costs* which includes security deposits, and last month's **may not exceed 15 months during any 3-year period.**

- The maximum times a participant can receive non-consecutive rental assistance is 3 times per 15 month period.
- Arrears are the exception, (rental application fees, security deposits, and last month's rent) which are limited to a one-time payment, per service, per 3-year period.
- Security deposits cannot exceed 2 months of rent.
- Last month's rent may not exceed 1 month of rent.
- Utility arrear payments (of up to 6 months) and deposits are limited to 1 time assistance, per service, per 3-year period.

Note on moving costs: eligible costs are for moving expenses, such as truck rental or hiring a moving company. Assistance may include payment of temporary storage fees for up to 3 months as long as fees are accrued after the program participant begins receiving ESG assistance. Fees must be reasonable and occur after client intake and before the new move into a more affordable home. Moving and storage costs are limited to one time assistance per client household per 3 year period.

Housing stabilization and relocation service costs include: housing search and placement, housing stability case management, mediation, legal services, and credit repair.

1. Housing stability case management is limited to 24 months during the period the program participant is living in permanent housing.

2. All other service costs are limited to 13 months per 3 year period on service costs assistance for program participants receiving homeless prevention assistance, and 15 months per 3 year period months for program participants receiving rapid re-housing assistance.

HOUSING FIRST, LOW BARRIER HOUSING, AND COORDINATED INTAKE

Housing First

Housing First is a model of housing assistance that prioritizes rapid placement and stabilization in permanent housing that does not have service participation requirements or preconditions (such as sobriety or a minimum income threshold). It is an approach to:

1. Quickly and successfully connect individuals and families experiencing homeless to permanent housing;
2. Without barriers to entry, such as sobriety, treatment or services participation requirements; or
3. Related preconditions that might lead to the program participant's termination from the project.
4. Supportive services are offered to maximize housing stability and prevent returns to homelessness as opposed to addressing predetermined treatment goals prior to permanent housing entry; however, participation in supportive services is based on the needs and desires of program participants.

Low Barrier Programming

Many well-meaning homeless programs have entry requirements that act as a barrier to services and housing placement, leaving out our most vulnerable and chronic homeless unable to access services. Low Barrier Housing is housing in which a minimum number of expectations are placed on people who wish to live there. The aim is to have as few barriers as possible to allow more people access to services. Low barrier programs typically follow a harm reduction philosophy which focuses on the risks and consequences of a particular behavior, rather than on the behavior itself. With regard to housing, harm reduction means that tenants have access to services to help them address their substance use issues. It is based on the understanding that recovery is a long process, and that users need a stable living arrangement in order to increase the likelihood for success in overcoming their addictions. The focus centers on being healthier rather than on the unrealistic goal of being perfectly healthy right away.

Community stakeholders should develop a common set of eligibility criteria for local housing systems and that the criteria should be as "low threshold" as possible so that chronic and vulnerable homeless people can easily access housing.

The following are some common eligibility and continued stay criteria for emergency and permanent housing for clients:

- Homeless
- Age 18 or older
- Ambulatory and not requiring hospital or nursing home care
- Agree to be nonviolent
- Agree to not use or sell drugs or illegal substances on the premises
- Agree to treat other clients, staff, and the property with respect
- Agree to obey fire and other safety regulations.

Perhaps just as important are criteria the campaign recommends that providers NOT include when determining eligibility:

- Sobriety and/or commitment to be drug free
- Requirements to take medication if the client has a mental illness
- Participation in religious services or activities
- Participation in drug treatment services (including NA/AA)

- Proof of citizenship
- Identification
- Referral from the police, hospital, or other service provider (as opposed to self-referrals)
- Payment or ability to pay (though saving plans are encouraged)
- Complete a period of time in a transitional housing, outpatient, inpatient, or other institutional setting/treatment facility
- Maintain sobriety or abstinence from alcohol and/or drugs
- Comply with medication
- Achieve psychiatric symptom stability
- Show willingness to comply with a treatment plan that addresses sobriety, abstinence, and/or medication compliance
- Agree to face-to-face visits with staff

Coordinated Intake

According to the U.S. Department of Housing and Urban Development (HUD) 24CFR 578.7(a)(8), in consultation with recipients of Emergency Solutions Grants program funds within the geographic area, the Continuum of Care must establish and operate either a centralized or coordinated assessment system that provides an initial, comprehensive assessment of the needs of individuals and families for housing and services. The Continuum must develop a specific policy to guide the operation of the centralized or coordinated entry system on how its system will address the needs of the individuals and families who are fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, or stalking, but who are seeking shelter or services from non-victim service providers. This system must comply with any requirements established by HUD by notice.

Coordinated Intake (CI) is Southern Nevada’s strategy for a more efficient system to help people experiencing homelessness to access housing services. This has proven to be an effective way to assess people for multiple programs throughout the community and match them to appropriate housing in the community as it becomes available. CI allows providers to focus their time and resources on providing direct services to clients and improves the coordination of shelter and housing services. Information about this coordinated intake system can be found at:

<http://helphome.org/coordinated-intake/>

Records Retention

Subrecipient will maintain records for five years for each individual and family determined ineligible to receive ESG Homelessness Prevention or Rapid Re-housing assistance. The record must include documentation of the reason for that determination, demographic data (race, sex, national origin), and age.

Citizen Participation: Summary of Public Comments

During the February 20, 2019 public meeting of the Community Development Advisory Committee, a representative of the Salvation Army commented regarding the agency's appreciation of CDAC members' volunteer efforts in evaluating applications.

During the May 7, 2019 Public Hearing for the FY2019/2020 Action Plan, one citizen shared comments related to homelessness, the rising cost of housing in Clark County and spoke to the need for facilities and resources to assist homeless individuals with mental health issues.

ASSURANCES - CONSTRUCTION PROGRAMS

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of the project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title, or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal interest in the title of real property in accordance with awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progress reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and, (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

11. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
12. Will comply with the provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
13. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333) regarding labor standards for federally-assisted construction subagreements.
14. Will comply with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
15. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).
16. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
17. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).
18. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."
19. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.

ASSURANCES - CONSTRUCTION PROGRAMS

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of the project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title, or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal interest in the title of real property in accordance with awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progress reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and, (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

11. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
12. Will comply with the provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
13. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333) regarding labor standards for federally-assisted construction subagreements.
14. Will comply with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
15. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).
16. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
17. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).
18. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."
19. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.

ASSURANCES - CONSTRUCTION PROGRAMS

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of the project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title, or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal interest in the title of real property in accordance with awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progress reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and, (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

11. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
12. Will comply with the provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
13. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333) regarding labor standards for federally-assisted construction subagreements.
14. Will comply with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
15. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).
16. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
17. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).
18. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."
19. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.

SIGNATURE OF AUTHORIZED CERTIFYING OFFICIAL 	TITLE Director, Clark County Social Service
APPLICANT ORGANIZATION Clark County, Nevada	DATE SUBMITTED 05/13/2019

CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing --The jurisdiction will affirmatively further fair housing.

Uniform Relocation Act and Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR Part 24. It has in effect and is following a residential anti-displacement and relocation assistance plan required under 24 CFR Part 42 in connection with any activity assisted with funding under the Community Development Block Grant or HOME programs.

Anti-Lobbying --To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction --The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan --The housing activities to be undertaken with Community Development Block Grant, HOME, Emergency Solutions Grant, and Housing Opportunities for Persons With AIDS funds are consistent with the strategic plan in the jurisdiction's consolidated plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing regulations at 24 CFR Part 135.

_____ Signature of Authorized Official	_____ Date

Director, Clark County Social Service

Title

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2019 [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance with Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

Compliance with Laws -- It will comply with applicable laws.

Title

OPTIONAL Community Development Block Grant Certification

Submit the following certification only when one or more of the activities in the action plan are designed to meet other community development needs having particular urgency as specified in 24 CFR 570.208(c):

The grantee hereby certifies that the Annual Plan includes one or more specifically identified CDBG-assisted activities which are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community and other financial resources are not available to meet such needs.

Signature of Authorized Official

Title

Specific HOME Certifications

The HOME participating jurisdiction certifies that:

Tenant Based Rental Assistance -- If it plans to provide tenant-based rental assistance, the tenant-based rental assistance is an essential element of its consolidated plan.

Eligible Activities and Costs -- It is using and will use HOME funds for eligible activities and costs, as described in 24 CFR §§92.205 through 92.209 and that it is not using and will not use HOME funds for prohibited activities, as described in §92.214.

Subsidy layering -- Before committing any funds to a project, it will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance than is necessary to provide affordable housing;

Title

Emergency Solutions Grants Certifications

The Emergency Solutions Grants Program recipient certifies that:

Major rehabilitation/conversion/renovation – If an emergency shelter’s rehabilitation costs exceed 75 percent of the value of the building before rehabilitation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed rehabilitation.

If the cost to convert a building into an emergency shelter exceeds 75 percent of the value of the building after conversion, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed conversion.

In all other cases where ESG funds are used for renovation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 3 years after the date the building is first occupied by a homeless individual or family after the completed renovation.

Essential Services and Operating Costs – In the case of assistance involving shelter operations or essential services related to street outreach or emergency shelter, the recipient will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure, so long the recipient serves the same type of persons (e.g., families with children, unaccompanied youth, disabled individuals, or victims of domestic violence) or persons in the same geographic area.

Renovation – Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

Supportive Services – The recipient will assist homeless individuals in obtaining permanent housing, appropriate supportive services (including medical and mental health treatment, victim services, counseling, supervision, and other services essential for achieving independent living), and other Federal, State, local, and private assistance available for these individuals.

Matching Funds – The recipient will obtain matching amounts required under 24 CFR 576.201.

Confidentiality – The recipient has established and is implementing procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project, except with the written authorization of the person responsible for the operation of that shelter.

Homeless Persons Involvement – To the maximum extent practicable, the recipient will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under the ESG program, in providing services assisted under the ESG program, and in providing services for occupants of facilities assisted under the program.

Consolidated Plan – All activities the recipient undertakes with assistance under ESG are consistent with its consolidated plan.

Discharge Policy – The recipient will establish and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, mental health facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent this discharge from immediately resulting in homelessness for these persons.

Housing Opportunities for Persons With AIDS Certifications

The HOPWA grantee certifies that:

Activities -- Activities funded under the program will meet urgent needs that are not being met by available public and private sources.

Building -- Any building or structure assisted under that program shall be operated for the purpose specified in the consolidated plan:

1. For a period of not less than 10 years in the case of assistance involving new construction, substantial rehabilitation, or acquisition of a facility,
2. For a period of not less than 3 years in the case of assistance involving non-substantial rehabilitation or repair of a building or structure.
