

WELCOME TO DISTRICT B Newsletter

August 2025 Back to School Edition

Welcome to District B!

Well, it is that time again when school starts back up. We are excited for all of the students across the valley. As you will see in the special "Back to School" edition, we have provided a lot of resources. Please remember that the first week of school is filled with lots of emotions. First day jitters, late busses, wrong bus, long car lines, crazy pick-ups and drop offs. Please be patient and remember all agencies are working together to ensure that students across the valley have a successful start to school.

While the County Commission does not have a direct role in your child's education, we want to support our students and parents to ensure they have a successful year. Enclosed you will find "Back to School" events across district B. If you find yourself without supplies and a backpack in District B please call our office and we will see if we can help out. Also, for all those teachers, PTO's, and PTA's in October, the state will have the Donor Grant available for supplies and projects at your school or in your classroom.

District B will also be offering Camp Alamo field trips to enhance your curriculum with free transportation.

examination is required every 2 years.**

BACK TO SCHOOL TIPS

Create a homework routine

Helping your child develop work habits from a young age will set them up with important life skills they'll use daily as adults. Build in plenty of time for homework.

- Be there to help troubleshoot, but don't do their homework for them.
- Create a calm, quiet, and distraction-free workspace for them.
- Establish a no-electronic-devices rule during homework time.
- Help them organize themselves if needed.

Stay Alert

- Give way to buses pulling out – watch for bus flashing lights.
- Park and turn legally around schools
- Avoid dangerous maneuvers like U-turns and three-point turns.
- Always give way to pedestrians, especially when entering and leaving driveways
- Adjust your route to avoid school zones.
- Stop for buses. Passing a stopped school bus is against the law.
- Respect the school crossing guard.
- Know the law about driving near school buses.
- Follow the rules when picking up and dropping off children at school.

** Thank you
for Supporting our
"Back to School" event
with our Foster Care
families
&
students*

Nearly 2,000 children in Clark County foster care will head back to school this fall with new backpacks and supplies, thanks to community response that generated nearly \$362,000 in donations during the County's three-week Back-to-School initiative.

"BACK TO SCHOOL" SCAVENGER HUNT while Laughing and Learning together

Laughter can be a reaction to surprise, nerves/anxiety, or as a way to diffuse tension and discomfort, but it's also a powerful social tool for sharing amusement. Laughter builds connections and can also be contagious, contributing positively to group dynamics.

Create a bookmark with a joke and have your family guess the answer.

Write poems or stories using various words for "laugh."

Create a tongue Twister and say it 3 times.

Daily Vocabulary
Cartoons:
Introduce new vocabulary through daily cartoons.

Have a Joke
contest with friends
or family.
Keep it Clean!

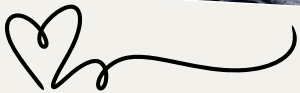

Silly Sentences:
Fill in the blanks
to create silly
sentences and
read them.
