TO GOVERNMENT CODE SECTION _____**

When Recorded Mail To:

Clark County

Attn:

Owner: _____

Residence: _____

This Homebuyer Ground Lease is entered into this _____ day of _____, 202____, between the Clark County, a political subdivision of the State of Nevada, ("County") and _____ ("Owner"), individually referred to as a ("Party") and collectively referred to as the ("Parties").

RECITALS

A. These Recitals refer to and utilize certain capitalized terms which are defined in Section 1 of this Lease. The Parties intend to refer to those definitions in conjunction with the use of capitalized terms in these Recitals.

B. The County has established an affordable homeownership program called the Welcome Home Community Land Trust, through which the County will make available new or rehabilitated single-family dwellings ("Units") which will be sold to qualified low- and moderate-income purchasers.

C. The County has also established resale restrictions to protect its financial interest in the Units and to provide for the continued availability and affordability of the Units to other low- and moderate- income, first-time homebuyer households. The resale restrictions and other County requirements for the Owner's purchase of the Residence under the terms and program documents of the County are contained in this Ground Lease. **This Ground Lease and its requirements shall function also as a Deed Restriction which runs with the land, shall remain senior and shall not be subordinated to the First Lender or the First Lender Loan.**

The resale restrictions and other County requirements for the Owner's purchase of one of the Units under the terms of this Ground Lease are also contained in a Deed Restriction ("Deed Restriction") dated _____ and attached to this Lease as Exhibit B.

D. The Owner has qualified to purchase and intends to purchase one of the Units, commonly known as the (“Residence”), which is located on a parcel of land owned by Clark County (“Leased Premises”) and more particularly described in Exhibit A, and leased to the Owner under this Homebuyer Ground Lease.

E. The Affordable Sales Price of this Residence shall be at _____ percent (____%), of the current Las Vegas-Henderson-Paradise MSA Area Median Income (“AMI”), adjusted for household size.

F. The purpose of this Ground Lease is to place resale controls on the Residence, to place permanent affordability restrictions on the Residence (so that the economic benefit provided to the Owner will also be available to future residents of Clark County) including resale restrictions and other requirements on the Owner, to provide the County an option to purchase the Residence at a restricted price, given in consideration of the economic benefits to the Owner resulting from purchase of the Residence.

G. The Owner is receiving a First Lender Loan (the “First Lender Loan”) from _____ (the “First Lender”). The First Lender Loan is secured by a deed of trust dated _____, _____, executed by the Owner in favor of First Lender and recorded in _____ County on _____, _____, and assigned in the Official Records of the Clark County Recorder as Instrument No. _____ (the “First Lender Deed of Trust”). The First Lender Loan is contained in Exhibit B.

H. The County is or is not providing to the Owner a second mortgage loan on the Residence in the amount of _____ Dollars (\$_____) (the “County Loan”).

I. The County Loan, if applicable, as provided in paragraph H of this section, is evidenced by a promissory note (the “County Note”) in the amount of the County Loan and secured by a deed of trust on the Residence (the “County Deed of Trust”). The County Deed of Trust shall be subordinate to the lien of the First Lender Deed of Trust. This Ground Lease will remain in full effect as an encumbrance on the Residence after any prepayment of the County Note by the Owner and after the Maturity Date of the County Note.

J. The County Note also evidences Owner’s obligation to pay Excess Sales Proceeds (as more fully defined below) to the County in the event Owner does not sell the Residence at the restricted price in compliance with this Ground Lease.

The Owner shall be responsible for remediating any soils or other contamination caused by Owner violating the prohibition of use and storage of hazardous substances. The County shall determine that the Property is in a clean and, if needed, remediated condition, as certified by the appropriate regulatory agency active in the County.

If for some reason a variation is required, it must be submitted to the County, in writing, for review and consideration. The County shall only approve variations from original residences if it deems that the installation or alterations contemplated thereby in the locations indicated will not be detrimental to the appearance of the surrounding residences and that the appearance of any structure affected thereby will be in harmony with the surrounding structures, and that the alterations shall not detract from the attractiveness of the surrounding residences, Leased Premises, or common areas, and that the enjoyment, upkeep and maintenance thereof will not become a burden to the County or surrounding Owners.

The County shall promptly consider all such applications so as not to unreasonably delay the installation, maintenance or use of the satellite dish or antenna. No other satellite dishes, television antenna, CB antenna or other antenna of any type shall be erected or maintained at the Residence or Leased Premises.

No sign shall be nailed or otherwise attached to trees. Owners may not erect signs on common areas or Lease Premises.

5.5 NUISANCES: No rubbish, refuse or scrap lumber or metal; and no grass, shrub or tree clippings; and no plant waste, compost, built materials or debris of any kinds shall be kept, stored or allowed to accumulate on any Residence or Leased Premises unless screened from view, except that such material may be kept in areas designated for this purpose in connection with authorized and approved construction. No light on any building, tree, pole or any other vertical element on the Leased Premises may be located higher than the eaves of the Residence. Ground mounted spotlights and up-lights are acceptable provided they point towards the building and do not provide nuisance light levels in adjacent residences.

5.8 SOLAR PANELS: Prior approval from the County is required for the installation of solar panels. The installation must comply with all applicable local laws and regulations. The Owner must also comply with the requirements specified in Section 7 of this document.

5.9 PARTY WALLS:

a) General rules of law apply. Each wall, fence, driveway, or similar structure built as a part of the original construction on the Leased Premises which serves and/or separates such from an adjoining residence shall constitute a party wall structure. To the extent not inconsistent with the provisions of this section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

(b) Owners who make use of the party's structure shall share the cost of reasonable repair and maintenance of such structure equally.

(c) Damage and Destruction. If a party wall or structure is destroyed or damaged by fire or other casualty, then to the extent that such damage is not covered by insurance and repaired out of the proceeds of insurance, any Owner who has used the structure may restore it. If other Owners subsequently use the structure, they shall contribute to the restoration cost in equal proportions. However, such contribution will not prejudice the right to call for a larger contribution from the other users or other persons under any rule of law regarding liability for negligent or willful acts or omissions which caused or contributed to the damage.

6.0 GROUND LEASE FEE

6.1 AMOUNT OF GROUND LEASE FEE: The Owner shall pay a monthly Ground Lease Fee ("Ground Lease Fee") in an amount equal to \$50 per month for the initial year of the Lease, to be paid in return for the continuing right to possess, occupy and use the Leased Premises and to defray certain expenses of the County.

6.2 WHEN THE GROUND LEASE FEE IS TO BE PAID: The Ground Lease Fee shall be payable to County on the first day of each month for as long as this Lease remains in effect, unless

the Ground Lease Fee is to be escrowed and paid by a Permitted Mortgagee, in which case payment shall be made as directed by that Mortgagee.

6.3 FEES MAY BE INCREASED FROM TIME TO TIME: The County may increase the amount of the Ground Lease Fee from time to time, but not more often than once per year.

6.4 GROUND LEASE FEE WILL BE INCREASED IF RESTRICTIONS ARE REMOVED: If, for any reason, the provisions of Section 8.1 regarding transfers of the Residence or Sections 4.4 and 4.5 regarding occupancy and subleasing are suspended or invalidated for any period of time, then during that time the Ground Lease Fee shall be increased to an amount calculated by County to equal the fair rental value of the Leased Premises for use not restricted by the suspended provisions. Such increase shall become effective upon County's written notice to Owner. Thereafter, for so long as these restrictions are not reinstated in the Lease, the County may, from time to time, further increase the amount of such Ground Lease Fee, provided that the amount of the Ground Lease Fee does not exceed the fair rental value of the property, and provided that such increases do not occur more often than once per year.

6.5 IF PAYMENT IS LATE, INTEREST CAN BE CHARGED: If the County has not received any monthly installment of the Ground Lease Fee on or before the date on which the such installment first becomes payable under this Lease (the "Due Date"), the County may require Owner to pay interest on the unpaid amount from the Due Date through and including the date such payment or installment is received County, at a rate not to exceed 10%. Such interest shall be deemed additional Ground Lease Fee and shall be paid by Owner to County upon demand; provided, however, that County shall waive any such interest that would otherwise be payable to County if such payment of the Ground Lease Fee is received by County on or before the thirtieth (30th) day after the Due Date.

6.6 COUNTY CAN COLLECT UNPAID FEES WHEN RESIDENCE IS SOLD: In the event that any amount of payable Ground Lease Fee remains unpaid when the Residence is sold, the outstanding amount of payable Ground Lease Fee, including any interest as provided in Section 6.5, shall be paid to County out of any proceeds from the sale that would otherwise be due to Owner. The County shall have, and the Owner hereby consents to, a lien upon the Residence for any unpaid Ground Lease Fee. Such lien shall be prior to all other liens and encumbrances on the Residence except (a) liens and encumbrances recorded before the recording of this Lease, (b) Permitted Mortgages as defined in Section 7.1; and (c) liens for real property taxes and other governmental assessments or charges against the Residence.

7. FINANCING

7.1 OWNER CANNOT MORTGAGE THE HOME WITHOUT COUNTY'S PERMISSION: The Owner may mortgage the Residence only with the written permission of the County. Any mortgage or deed of trust permitted in writing by the County is defined as a "Permitted Mortgage", and the holder of such a mortgage or deed of trust is defined as a "Permitted Mortgagee".

7.2 NON-SUBORDINATION: Any Permitted Mortgage shall remain subordinate and inferior to County's right and interest in the Leased Premises and reversionary interest in the Leased Premises..

Upon acquisition of the Residence by any foreclosing First Lender Loan, the foreclosing First Lender or its successor's rights to the Residence shall be subject to all of the terms and provisions of this Lease..

7.3 ALL FIRST LENDER LOANS SHALL BE FULLY-AMORTIZING, FIXED-INTEREST RATE MORTGAGES: Any First Lender ("First Lender") loan must be a fully-amortizing fixed-interest rate mortgage. The "Original First Lender Loan" ("First Lender Loan") must have a term and amortization period of at least 30 years. Loans to refinance the Original First Lender Loan may have a shorter term and amortization period as long as they meet all the other conditions of Section 7.6.

7.4 BY SIGNING LEASE, COUNTY GIVES PERMISSION FOR ORIGINAL FIRST LENDER LOAN: By signing this Lease, the County gives written permission for the Original First Lender Loan signed by the Owner effective on the day this Lease is signed for the purpose of financing Owner's purchase of the Residence.

7.5 BY SIGNING LEASE, OWNER GIVERS PERMISSION FOR FIRST LENDER TO NOTIFY COUNTY UPON OCCURRENCE OF AN EVENT OF DEFAULT: By signing this Lease, the Owner gives written permission for the First Lender to notify the County upon an occurrence of an event of default and provide County with all copies of notices sent to Owner. The County shall have the right, but not the obligation to cure an Event of Default on the Owner's behalf.

7.6 OWNER MUST GET SPECIFIC PERMISSION FOR REFINANCING OR OTHER SUBSEQUENT MORTGAGES: Not earlier than twelve (12) months after purchase, Owners may submit a request to the County to refinance their Original First Lender Loan for the following purposes:

- Lower interest rate;
- Shortened first mortgage loan term; or
- Lower monthly payment.

When requesting approval to refinance, Owners must:

- a. Use a CLT Approved Lender;
- b. Be in compliance with the Homebuyer Ground Lease; and, if applicable, the County Loan;
- c. Pay an administrative fee posted on the County's website;
- d. Have no delinquent mortgage payments, property taxes, Ground Lease Fee payments, , unauthorized loans, or liens; and

- e. Ensure that the new loan is subordinate to the Ground Lease.
- f. Cash equity withdrawals on the Residence are allowed only under the following circumstances and must be pre-approved in writing by The County:
 - Capital improvements to the Residence;
 - Funds required to implement a marriage dissolution agreement or domestic partnership dissolution agreement.

Documentation supporting the expense will be required. Under no circumstances can the new loan amount exceed the Original First Lender Loan amount, and the Combined Loan to Value cannot exceed 95% of the Affordable Sales Price.

If, no earlier than twelve (12) months after purchase, the Owner seeks a loan that is to be secured by a mortgage on the Residence (including a loan to refinance an existing First Lender loan, or a home equity loan in third position (known as a “Junior Loan”) to finance home repairs or for any other purpose), Owner must inform the County, in writing, of the proposed terms and conditions of such mortgage loan at least 15 business days prior to the expected closing of the loan and request the County’s approval. Home equity lines of credit (HELOCs) are strictly prohibited. The information to be provided to the County must include:

- a. The name of the proposed lender;
- b. Owner’s reason for requesting the loan;
- c. The principal amount of the proposed loan and the Total Mortgage Debt that will result from the combination of the loan and existing mortgage debt (excluding County Deed of Trust), if any;
- d. Expected closing costs;
- e. The rate of interest;
- d. The repayment schedule; and
- f. A copy of the appraisal commissioned in connection with the loan request.

The County may also require Owner to submit additional information.

The County will not permit a refinancing or a mortgage loan if the new loan amount exceeds the Original First Lender Loan, and the Loan to Value cannot exceed 95% of the Affordable Sales Price calculated in accordance with Section 13.2, or if the terms of the transaction otherwise threaten the interests of either the Owner or the County.

Any loan approved by the County under this Section shall remain subordinate and inferior to County's right and interest in the Leased Premises and reversionary interest in the Leased Premises.

7.7 PROHIBITED MORTGAGE: All mortgages and liens, EXCEPT a Permitted Mortgage are prohibited ("Prohibited Mortgage") and constitute a Default under this Lease. A home equity line of credit (HELOC) and any loan not approved by the County is a Prohibited Mortgage.

7.8 IN THE EVENT OF FORECLOSURE: In the event of foreclosure, the Residence will be sold to another Designated Income Household.

7.9 IN THE EVENT OF FORECLOSURE, ANY PROCEEDS IN EXCESS OF THE AFFORDABLE PRICE WILL GO TO THE COUNTY: Owner and County recognize that it would be contrary to the purposes of this Lease if Owner could receive more than the Affordable Price as the result of the foreclosure of a mortgage. Therefore, Owner hereby irrevocably assigns to County all net proceeds of sale of the Residence that would otherwise have been payable to Owner and that exceed the amount of net proceeds that Owner would have received if the Residence had been sold for the Affordable Price, calculated as described in Section 13.2. Owner authorizes and instructs the Permitted Mortgagee, or any party conducting any sale, to pay such excess amount directly to County. If, for any reason, such excess amount is paid to Owner, Owner hereby agrees to promptly pay such amount to County.

7.10 REFINANCE FEE: The County may charge the homeowner a fee to refinance the Original First Lender Loan, or to remove cash equity from the home.

8. RESTRICTIONS ON RESALE OF THE RESIDENCE

8.1 ANY TRANSFER OF THE RESIDENCE IS SUBJECT TO TERMS OF LEASE: Any Transfer of the Residence will be subject to the provisions of this Lease including, without limitation, the County Purchase Option described in Section 12. Transfer ("Transfer") means any sale, assignment or transfer, voluntary or involuntary, of any interest in the Residence, including, but not limited to, a fee simple interest, a joint tenancy interest, a life estate, a leasehold interest (other than as permitted pursuant to Section 4), a mortgage, a deed of trust (other than a Permitted Mortgage pursuant to Section 7.1) or an interest evidenced by a land contract by which possession of the Residence is transferred and Owner retains title. The Owner and/or Inheriting Owner shall give at least ten (10) days prior written notice to the First Lender prior to any Transfer or upon the death of the Owner. Any Transfer without satisfaction of the provisions of this Lease is prohibited and shall constitute a default under this Lease and the County may then exercise any of the remedies set forth in Section 12, including, without limitation, exercise of the County Purchase Option upon default. A Transfer shall not include a transfer:

- a. To an existing spouse or domestic partner;
- b. By an Owner to a spouse or domestic partner where the spouse or domestic partner becomes the co-owner of the Residence;

- c. Between spouses as part of a marriage dissolution proceeding;
- d. To an existing spouse or domestic partner of Owner by devise or inheritance following the death of Owner;
- e. By Owner into an inter vivos revocable trust in which Owner is the beneficiary; or
- f. Refinance of the Original First Lender Loan or a Junior Loan meeting the requirements of Section 7.6 of the Lease; provided, however, that Owner shall provide written notice of all such transfers to County; and Owner shall continue to occupy the Residence as his or her principal place of residence (except where the transfer occurs pursuant to Sections 8.2.b or 8.2.c of this Lease in which event the transferee shall owner-occupy the Residence and affirmatively assume Owner's obligations under this Lease, the County Note, and the County Deed of Trust).

All other Transfers shall require written notice to the County pursuant to the provisions of this Lease and shall be to Eligible Purchasers. Financial payment, or proceeds, received by the Owner for such Transfer shall not exceed the Maximum Restricted Resale Price defined in Section 13. For purposes of this section, "domestic partner" is defined pursuant to Nevada Revised Statute Chapter 122A. Domestic partners may not be persons related to each other by blood or adoption such that their marriage would be barred in the state of Nevada. For purposes of this section, an individual shall be considered a domestic partner of Owner upon presentation to the County of an affidavit or other evidence by Owner acceptable to the County.

8.2 INHERITANCE OF THE RESIDENCE IS SUBJECT TO TERMS OF THE LEASE: If Owner dies (or if the last surviving co-owner of the Residence dies), the executor or personal representative of Owner's estate shall notify County within ninety (90) days of the date of the death. The person inheriting the Residence (the "Inheriting Owner") shall provide the County with the information necessary for the County to determine the Inheriting Owner's relationship to the deceased Owner. Upon receiving such notice County shall consent to a transfer of the Residence and Owner's rights to the Leased Premises to one or more of the possible heirs of Owner listed below:

- a. The spouse of the Owner; or
- b. The child or children of the Owner; or
- c. Member(s) of the Owner's household who have resided in the Residence for at least one year immediately prior to Owner's death, and who are either a legal heir, or a first-degree consanguinity.

Any other heirs, legatees or devisees of Owner, in addition to submitting Letter of Agreement and Attorney's Acknowledgment as provided in Exhibit G, must demonstrate to County's satisfaction that they are a Designated Income Household. If they cannot demonstrate that they are a Designated Income Household, they shall not be entitled to possession of the Residence, but must transfer the Residence in accordance with the provisions of this Lease or the

County may exercise its Option To Purchase the Residence and the County may exercise the County Purchase Option pursuant to Section 12; provided, however that the Inheriting Owner may own and occupy the Residence for up to twelve (12) months prior to providing an Owner's Notice of Intent to Transfer to the County pursuant to Section 9, and provided further that the Inheriting Owner remains in compliance with the requirements of this Lease and the County Deed of Trust.

In the event the Inheriting Owner rents the Residence in accordance to this Section, the lease shall also be approved in writing by the County in advance of such rental.

Failure of an Inheriting Owner to follow the procedures and file the notices described in this Section 8.2 shall constitute a default under this Lease and the County may then exercise any of the remedies set forth in Section 12, including, without limitation, exercise of the County Purchase Option upon default.

9. NOTICE OF INTENDED TRANSFER; PREPARATION OF RESIDENCE FOR SALE

9.1 NOTICE: In the event the Owner intends to Transfer or vacate the Residence, the Owner shall promptly give the County written notice of such intent (the "Owner's Notice of Intent to Transfer"), in the form shown in Exhibit D attached to this Lease. The Owner shall give the County the Owner's Notice of Intent to Transfer prior to notifying any real estate brokers or lenders of Owner's Notice of Intent to Transfer the Residence and prior to or in lieu of listing of the Residence on the Multiple Listing Service or any similar listing service. The Owner's Notice of Intent to Transfer shall be sent to the County by certified mail, return receipt requested at the address provided in Section 23 of this Lease. The Owner's Notice of Intent to Transfer shall include the information necessary for the County to determine the Maximum Restricted Resale Price of the Residence, including the following information:

- a. The address of the Residence;
- b. The date of purchase of the Residence by the Owner;
- c. The purchase price of the Residence paid by the Owner at the time of his/her purchase;
- d. A copy of the HUD-1 Settlement Statement or equivalent document from the close of escrow on the Owner's purchase of the Residence;
- e. The date on which Owner intends to vacate Residence;
- f. The name and phone number of the person to contact to schedule inspections of the Residence by the County.

9.2 PREPARATION OF RESIDENCE FOR SALE: Following delivery to the County of the Owner's Notice of Intent to Transfer, the Owner shall prepare the Residence for sale, as follows:

- a. Within thirty (30) days of delivery of the Owner's Notice of Intent to Transfer, the Owner shall hire at Owner's sole expense 1) a building inspector with a current Home Inspector

license from the Real Estate Division of the Nevada Department of Business and Industry, to assess the condition of the Residence, including the interiors, and prepare a written report of the condition (“Building Inspection Report”) and 2) a licensed structural pest control operator to inspect the Residence and prepare a current written report of the condition (“Pest Control Inspection Report”) and Owner shall deliver such reports to the County. The Owner shall cooperate fully with the inspection.

- b. Within the sooner of (a) sixty (60) days from the date of delivery of the Owner’s Notice of Intent to Transfer, or (b) prior to two (2) weeks before close of escrow on the Transfer, the Owner shall bear the full cost to repair all damage and make any necessary replacements noted in the Building Inspection Report and Pest Control Inspection Report including damage caused by infestation or infection by wood-destroying pests, as well as remediate any environmental contamination caused by Owner’s occupancy and use of the Property.
- c. Owner shall bear the full cost of all necessary repairs and replacements. However, upon Owner’s written request, the CLT may allow the Owner to pay all or a portion of the repair costs after transfer, from Owner’s proceeds of sale, if Owner cannot afford to pay such costs prior to the transfer. In such event, either (i) 150% of the unpaid estimated cost of repairs or (ii) 100% of the unpaid cost of completed repairs shall be withheld from Homeowner’s proceeds of sale in a CLT-approved escrow account. Any funds withheld in escrow based on estimated repair costs that exceed the actual cost of completed repairs and replacements shall be returned to the Owner after the work is completed.
- d. If the Residence is vacant, the Owner shall maintain utility connections until the close of escrow on the Transfer.

9.3 COUNTY PREPARATION TO SELL THE RESIDENCE: Upon receipt by County of the Owner’s Notice of Intent to Transfer, the County may begin to market the home pursuant to Section 14, first using any waiting list for CLT homes established by the County, followed by other marketing and advertising activities necessary to find an Eligible Purchaser, as defined in this Ground Lease. The Owner does not need to retain the services of a broker; however, if they do it will be at Owner’s expense.

10. COUNTY RESPONSE TO OWNER’S NOTICE OF INTENDED TRANSFER

10.1 COUNTY RESPONSE: The County shall respond in writing (the ‘County Response Notice’) to the Owner’s Notice of Intent to Transfer within sixty (60) days of: County receipt of a complete Owner’s Notice of Intent to Transfer that includes all information required under Section 9.1, including County receipt of the pest control report and home inspection report (if any) required pursuant to Section 9.3. The County Response Notice shall inform the Owner of the County’s election to proceed under one of the following two alternatives:

10.2 COUNTY EXERCISE OF COUNTY PURCHASE OPTION: The County Response Notice may notify the Owner that the County elects to exercise the County Purchase Option, or assign its right to a public agency or another nonprofit organization or Eligible Purchaser, to purchase the Residence, as granted in Section 12, and shall include the County's calculation of the Maximum Restricted Resale Price to be paid by the County pursuant to Section 13 and the Transaction Fee to be paid by the Owner pursuant to Section 12.

10.3 OWNER SALE AT RESTRICTED SALE PRICE TO ELIGIBLE PURCHASER: Alternatively, the County Response Notice may notify the Owner that the County will not at this time exercise the County Purchase Option to purchase the Residence and that the Owner may proceed to sell the Residence to an Eligible Purchaser at a price not to exceed the Maximum Restricted Resale Price, pursuant to the procedure set forth in Section 14. In this event, the County Response Notice shall include the following information: (1) the maximum and minimum qualifying income for an Eligible Purchaser; (2) the qualifying certifications required of an Eligible Purchaser; and (3) the Maximum Restricted Resale Price the Owner may receive for the Residence, calculated by the County pursuant to Section 13. County will begin to market the home, first using any waiting list for CLT homes established by the County, followed by other marketing and advertising activities necessary to find an Eligible Purchaser, as defined in this Lease.

11. OWNER ACKNOWLEDGMENT OF COUNTY RESPONSE NOTICE

No later than fourteen (14) days following the date of the County Response Notice, the Owner shall acknowledge in writing to the County, in the form shown in Exhibit E attached to this Lease, that Owner has received the County Response Notice and still intends to Transfer the Residence.

12. COUNTY PURCHASE OPTION

The Owner agrees that the County shall have the option to purchase the Residence (the "County Purchase Option") for an amount equal to the Maximum Restricted Resale Price as set forth in Section 13 of this Lease. The County may, instead of purchasing the Residence itself, assign its right to purchase the Residence pursuant to the County Purchase Option, including but not limited to a public agency, a nonprofit organization, another County or political subdivision of the State of Nevada, or another Eligible Purchaser. If the County assigns the County Purchase Option, the assignee shall sign the County Response Notice and shall thereby be bound to purchase the Residence pursuant to the terms of the County Purchase Option as set forth in this Lease.

The Owner may be required to pay the County a "Transaction Fee" equal to the County's reasonable costs associated with the exercise of the Option if the County (or its Assignee) exercises the County Purchase Option and purchases the Residence; provided, however that such Transaction Fee shall not exceed three percent (3%) of the sales price of the Residence. The County Purchase Option may be exercised by the County or its Assignee in the County Response Notice to be sent by the County to the Owner within thirty (30) days of the County's receipt of a complete Owner's Notice of Intent to Transfer and all required inspection reports. If the County Response Notice notifies the Owner that the County or its Assignee will exercise the County

Option to purchase, the County or its Assignee shall purchase the Residence within ninety (90) days of the date of the County Response Notice and title shall be delivered by the Owner to the County by grant deed, free and clear of any mortgage or other liens, unless approved in advance of transfer in writing by the County. Escrow period for County purchase may be extended for an additional 30-90 days. In the event of exercise of the County Purchase Option and purchase of the Residence by the County or its Assignee, the Owner shall permit a final walk-through of the Residence by the County or its Assignee in the final three (3) days prior to close of escrow on the Transfer.

13. DETERMINATION OF MAXIMUM RESTRICTED RESALE PRICE FOR COUNTY PURCHASE OR RESTRICTED SALE

13.1 RESIDENCE MAY NOT BE SOLD FOR A PRICE IN EXCESS OF THE MAXIMUM RESTRICTED SALES PRICE: If the County (or its Assignee) exercises the County Purchase Option, or if the Owner sells to an Eligible Purchaser, the maximum sales price (the “Maximum Restricted Resale Price”) that the Owner shall receive from the County (or its Assignee) or the Eligible Purchaser for purchase of the Residence shall be the LESSER of the Affordable Sales Price or the Fair Market Value.

13.2 AFFORDABLE SALES PRICE: The Affordable Sales Price (“Affordable Sales Price”) shall be calculated as follows:

- a. “Monthly Affordable Housing Expense” shall be calculated as one-twelfth of 33% of Area Median Income for the Las Vegas-Henderson-Paradise MSA as published by the United States Department of Housing and Urban Development (“HUD”), or successor index, for the year of sale adjusted by household size according to the number of bedrooms in the unit as listed below (“Occupancy Standard”) using the following HUD household size adjustment factors (1 person=0.7, 2 persons=0.8; 3 persons=0.9; 4 persons=1.0; 5 persons=1.08) multiplied by the percent of Area Median Income of the targeted home (e.g. 80%)

Studio unit: household size of two persons

One-bedroom unit: household size of two persons

Two-bedroom unit: household size of three persons

Three-bedroom unit: household size of four persons

Four-bedroom unit: household size of five persons

For example, the HUD 2025 Area Median Income in the Las Vegas-Henderson-Paradise MSA is \$94,900. Monthly Affordable Housing Expense for a two-bedroom home at 80% AMI is calculated as follows: \$75,920 multiplied by 33% multiplied by 1/12 multiplied by 0.9 multiplied by 80% equals \$1,712.

- b. The following monthly costs will be deducted from Monthly Affordable Housing Expense as calculated or estimated by the County at the time of sale:

1. Property taxes;

2. Property insurance;
 3. Owner association dues and/or landscape maintenance district fees, if applicable; and
 4. Owner Ground Lease Fee, in an amount specified in this Lease.
- c. The result of the calculations in this section 13.2 (subsections a. through b. above) will be the Affordable Monthly Mortgage Payment (“Affordable Monthly Mortgage Payment”). The Affordable Mortgage (“Affordable Mortgage”) will be determined based on the Affordable Monthly Mortgage Payment and prevailing interest rates at the time of sale for a 30-year, fixed interest-rate mortgage. Prevailing interest rates shall equal the Freddie Mac Primary Mortgage Market Survey weekly average at the time of the calculation or other successor index selected by the County.
- d. The Affordable Sales Price will equal the Affordable Mortgage plus a 5% Owner down payment.

13.3 FAIR MARKET VALUE: In certain circumstances it may be necessary to determine the fair market value of the Residence without taking account of the resale restrictions imposed by this Lease (the “Fair Market Value”). These circumstances include where the Parties wish to determine if the Affordable Sales Price exceeds the Fair Market Value in order to determine the Maximum Restricted Resale Price pursuant to Section 13.

If it is necessary to determine the Fair Market Value of the Residence, it shall be determined by a certified Member, Appraisal Institute (“MAI”) or other qualified real estate appraiser approved in advance by the County. If possible, the appraisal shall be based upon the sales prices of comparable properties sold in the market area during the preceding three- (3) month period. The cost of the appraisal shall be split between the County and the Owner, unless the appraisal is obtained from and paid by a new purchaser.

In the event damage or deferred maintenance has occurred while the Owner owned the Residence which has decreased the value of the Residence, the appraisal shall specifically ascribe a value to these adjustment factors and state what the fair market value of the Residence would be without such adjustments. Nothing in this section shall preclude the Owner and the County from establishing the Fair Market Value of the Residence by mutual agreement in lieu of an appraisal pursuant to this section.

14. SALE OF RESIDENCE BY OWNER IF COUNTY DOES NOT EXERCISE COUNTY OPTION TO PURCHASE

In the event the County Response Notice notifies the Owner that the County will not be exercising the County Purchase Option, the County will be responsible for marketing and reselling of the Residence in compliance with the following requirements:

14.1 MARKETING: Upon receipt by County of the Owner’s Notice of Intent to Transfer, if the County does not choose to exercise the County Purchase Option, the County will initiate marketing and screening activities for resale of the Residence, which may include use of a waiting list and

other marketing activities as needed to identify potential buyers. Owners are required to cooperate with the County to market the Residence to Eligible Purchasers. A proposed purchaser (“Proposed Purchaser”) who the Owner believes will qualify as an Eligible Purchaser may be referred to the County or their designee for an eligibility determination.

14.2 ELIGIBLE PURCHASER: A Proposed Purchaser shall qualify as an (“Eligible Purchaser”) if he or she meets the following requirements, as determined by the County or their designee:

- a. First-Time Homebuyer. The Proposed Purchaser shall certify that he or she qualifies as a First-Time Homebuyer (“First-Time Homebuyer”) as defined by the County at the time of homebuyer qualification.
- b. Intent to Owner Occupy. The Proposed Purchaser shall certify that he or she will occupy the Residence as his or her principal place of residence throughout his or her ownership.
- c. Agree to sign Buyer Disclosure Statement and Homebuyer Ground Lease and to Cooperate with the County. The Proposed Purchaser shall agree to sign a Buyer Disclosure Statement (Exhibit C) and Homebuyer Ground Lease restricting future resale of the Residence and shall agree to cooperate fully with the County in promptly providing all information requested by the County to assist the County in monitoring the Proposed Purchaser’s compliance with the Ground Lease.
- d. Agree to Assume County Second Mortgage Promissory Note and Deed of Trust, if Applicable. If there is a County Loan on the Residence being purchased, the Proposed Purchaser shall agree to sign the documents necessary to assume the County Promissory Note and Deed of Trust at the same terms.
- e. Income Eligibility. The combined maximum income for all household members of the Proposed Purchaser shall not exceed the income for a Designated Income Household, adjusted for the Proposed Purchaser’s household size. In the event such income determinations are no longer published by HUD, or are not updated for a period of at least eighteen (18) months, the County shall provide other income determinations which are reasonably similar with respect to method of calculation to those previously published by HUD.
- f. The Owner does not need to retain the services of a broker; however, if they do it will be at Owner’s expense.

14.3 MAXIMUM RESTRICTED RESALE PRICE: The purchase price for the sale of the Residence by the Owner to the Eligible Purchaser shall not exceed the Maximum Restricted Resale Price calculated by the County pursuant to Section 13, as set forth in the County Response Notice delivered pursuant to Section 10.

14.4 DISCLOSURE AND SUBMITTALS: The Owner and the Proposed Purchaser shall provide the following information and documents to the County:

- a. The name, address and telephone number in writing of the Proposed Purchaser.
- b. A signed financial statement of the Proposed Purchaser in a form acceptable to the County and any other supporting documentation requested by the County. The financial information shall be used by the County to determine the income eligibility of the Proposed Purchaser and the amount of any second mortgage assistance to be provided by the County
- c. The proposed sales contract and all other related documents which shall set forth all the terms of the sale of the Residence. Said documents shall include at least the following terms: (a) the sales price; and (b) the price to be paid by the Proposed Purchaser for the Owner's personal property, if any, for the services of the Owner, if any, and any credits, allowances or other consideration, if any.
- d. A written certification, from the Owner and the Proposed Purchaser in a form acceptable to the County, that the sale shall be closed in accordance with the terms of the sales contract and other documents submitted to and approved by the County. The certification shall also provide that the Proposed Purchaser or any other party has not paid and will not pay to the Owner, and the Owner has not received and will not receive from the Proposed Purchaser or any other party, money or other consideration, including personal property, in addition to what is set forth in the sales contract and documents submitted to the County. The written certification shall also include a provision that in the event a Transfer is made in violation of the terms of this Lease, or false or misleading statements are made in any documents or certification submitted to the County, the County shall have the right to foreclose on the Residence or file an action at law or in equity as may be appropriate. In any event, any costs, liabilities or obligations incurred by the Owner and the Proposed Purchaser for the return of any moneys paid or received in violation of this Lease or for any of the Owner's and/or the Proposed Purchaser's costs and legal expenses, shall be borne by the Owner and/or the Proposed Purchaser and they shall hold the County and its designee harmless and reimburse the County's and its designee's expenses, legal fees and costs for any action they reasonably take in good faith in enforcing the terms of this Lease.
- e. An executed Homebuyer Ground Lease along with a County Note and County Deed of Trust if a County Loan is provided by the County, from the Proposed Purchaser in forms provided by the County. The recordation of the new Ground Lease, and, if applicable, the County Deed of Trust shall be a condition of the County's approval of the proposed sale.
- f. The name of the title company escrow holder for the sale of the Residence, the escrow number, and name, address, and phone number of the escrow officer.
- g. Upon the close of the proposed sale, certified copies of the recorded Homebuyer Ground Lease and County Deed of Trust (if applicable), a copy of the final sales contract, settlement statement, escrow instructions, and any other documents which the County may reasonably request.

15. TRANSFER IN VIOLATION OF LEASE; PAYMENT TO COUNTY OF EXCESS SALES PROCEEDS

If the Owner makes a Transfer in violation of this Lease, the Owner shall pay the Excess Sales Proceeds to the County as set forth in this section. For purposes of this Lease, ("Excess Sales Proceeds") shall mean one hundred percent (100%) of the amount by which the gross sales proceeds received by the Owner from the new purchaser exceeds the Maximum Restricted Resale Price for the Residence (in the amount that was stated in the County Response Notice). This amount shall be a debt of the Owner to the County, evidenced by this Lease and the County Note, and secured by the County Deed of Trust. The Owner acknowledges that the County shall have no obligation to cause termination of this Lease or reconveyance of the County Deed of Trust until the Excess Sales Proceeds are paid to the County. The County shall utilize the Excess Sales Proceeds for the Welcome Home Community Land Trust program. The Owner and the County acknowledge that the formula for calculation of the amount of Excess Sales Proceeds due from the Owner to the County is intended to cause the Owner to receive the same net sales proceeds (following payment by Owner of a standard broker's commission) from sale of the Residence at an unrestricted price to a third party as the Owner would receive from sale of the Residence to the County or to an Eligible Purchaser at the Maximum Restricted Resale Price.

16. REPAYMENT OF COUNTY NOTE

If there is a County Loan on the Residence, payments are due as follows:

16.1. Principal and interest on the County Loan will be deferred as long as the Owner occupies the Residence as their principal residence and are in compliance with all terms of this Lease, the County Note and the County Deed of Trust.

16.2 If the County Promissory Note and Deed of Trust are assumed by an Eligible Purchaser, no repayment will be required of Owner, upon sale of the Residence to an Eligible Purchaser in accordance with all requirements of the Lease and County Loan.

16.3. Principal and interest on the County Loan will be immediately due and payable subject to the priority provisions established in Recital I upon any of the following:

- a. Any default under the Homebuyer Ground Lease or First Lender Loan, subject to the provisions of Sections 17 through 19;
- b. Upon the date of any Transfer (as defined in Section 8.1) unless said Transfer is to (1) the County, by exercise of the County Purchase Option (Section 12); or (2) an Eligible Purchaser (as provided for in Sections 8, 9, and 14).
- c. At the end of the Term of the Note, unless the County in its sole discretion extends the Term of the Note.

16.4 Repayment of the County Note shall not affect Owner's obligation to comply with this Lease, which shall remain in full force and effect following any repayment of the County Note.

17. DEFAULTS

17.1 EVENTS OF DEFAULT: The following events shall constitute a default by the Owner under this Lease:

- a. The County determines that the Owner has made a misrepresentation to obtain the benefits of purchase of the Residence or in connection with its obligations under this Lease;
- b. The Owner fails to occupy the Residence as their principal residence, as required pursuant to Section 4, and such failure continues following written notice by the County and thirty (30) days opportunity to cure following the date of such notice;
- c. The Owner leases the residence to a third party in violation of Section 4;
- d. The Owner makes a Transfer or Sale in violation of this Lease;
- e. The Owner otherwise fails to comply with the requirements of this Lease, the County Note and County Deed of Trust (if applicable) and such violation is not corrected to the satisfaction of the County within ten (10) days after the date of written notice by the County to the Owner of such violation;
- f. A notice of default is issued under the Original First Lender Loan;
- g. A lien is recorded against the Residence other than the lien of a Permitted Mortgage (Original First Lender Loan or a Junior Loan) approved by the County in accordance with Section 7.3 and the lien is not cured within ten (10) days after the date of written notice by the County to the Owner of such violation;
- h. Owner declares bankruptcy or makes an assignment of assets for the benefit of creditors;
- i. Owner makes Prohibited Capital Improvements to the property in violation of Section 5.1;
or
- j. Any other violation which would threaten the County's interest in the Leased Premises.
- k. Any default under this Lease shall also constitute a default under the Lender First Deed of Trust.

17.2 REMEDIES: Upon a declaration of default by the County under this Lease, the County may:

- a. Declare the County Loan, if applicable, and all Excess Sales Proceeds and/or Excess Rental Proceeds immediately due and payable without further demand, declare a default under the County Note, and may invoke the power of sale under the County Deed of Trust subject to any provisions of the First Lender Deed of Trust.
- b. Apply to a court of competent jurisdiction for such relief at law or in equity as may be appropriate;
- c. Declare a default under the County Note and County Deed of Trust and pursue all County remedies under the County Deed of Trust; and
- d. Exercise the County Purchase Option upon default as described in Section 12.
- e. Notwithstanding any provision in this Ground Lease to the contrary, the County shall have the sole discretion but not the obligation to provide additional time beyond the stated cure period for the Owner to remedy any default. The County may also, at its discretion, choose to pursue alternative corrective actions or resolutions prior to exercising any of the default remedies described in this Section 17.2. Such alternative actions may include, but are not limited to: allowing applications for a one-time waiver of a specific requirement, establishing alternative/temporary payment plans, or one-on-one consultations with authorized County personnel. Any such extension or alternative remedy shall not constitute a waiver of the County's rights under this Ground Lease or set a precedent for future violations or default.

18. NOTICE OF DEFAULT AND FORECLOSURE

County shall have the right but not the obligation to submit a request for notice of default and any notice of sale under any deed of trust or mortgage with power of sale encumbering the Residence shall be recorded by the County in the Office of the Recorder of Clark County for the benefit of the County. The County may declare a default under this Lease upon receipt of any notice of default of any deed of trust or mortgage with power of sale encumbering the Residence given to the County and may exercise its rights as provided in Sections 12 and 15.

In the event of default and foreclosure, the County shall have the same right as the Owner to cure defaults and redeem the Residence prior to the foreclosure sale subject to any provisions of the First Lender Deed of Trust. In addition, prior to any foreclosure the County shall give at least 10 business days' notice to the First Lender. Nothing herein shall be construed as creating any obligation of the County to cure any such default, nor shall this right to cure and redeem operate to extend any time limitations in the default provisions of the underlying deed of trust or mortgage.

County's election to submit or not submit a request for notice of default does not eliminate Owner's requirement to notify County of a default. If the County does not submit the request for notice of default, the County's option to purchase the Residence shall commence from the date a notice of default is given to the County by the First Lender or the Owner.

19. NOTICE AND CURE

Upon default or a violation of any of the provisions of this Lease, the County may give written notice to the Owner specifying the nature of the violation except for default under Sections 16.1(a), (c), (f), (h), or (i) in which case no notice to the Owner is required. If the violation is not corrected to the satisfaction of County within a reasonable period of time, not longer than thirty (30) days after the date the notice is mailed, or such shorter time as provided specifically in this Lease, the County Note or County Deed of Trust, or within such further time as the County determines is necessary to correct the violation, the County may declare a default under this Lease. If the Owner is in default under any other mortgage loan on the Residence, the County may declare a default under this Lease.

The County shall notify the First Lender at the address provided by the First Lender to the County in the manner set forth in Section 26, if the County has declared a default under this Lease the County Note or the County Deed of Trust.

20. PURCHASE OPTION UPON DEFAULT

Notwithstanding, and in addition to, the remedies provided to the County in Section 16, and the County Purchase Option provided to the County in Section 12, the Owner hereby grants to the County (or its Assignee) the option to purchase the Residence following written notice by the County to the Owner of the declaration of a default by the County under this Lease. This option to purchase is given in consideration of the economic benefits received by the Owner resulting from purchase and ownership of the Residence.

The County (or its Assignee) shall have thirty (30) days after a default is declared to notify the Owner and the First Lender of its decision to exercise its option to purchase under this Section 19. Not later than ninety (90) days after the notice is given by the County to the Owner of the County's intent to exercise its option under this Section 19, the County shall purchase the Residence for the Maximum Restricted Resale Price calculated in the manner set forth in Section 13.

21. RIGHTS UNDER FORECLOSURE

21.1 Any First Lender providing an Original First Lender Loan may acquire Owner's interest in the Lease and the Residence by foreclosure, deed in lieu of foreclosure or other appropriate proceedings.

21.2 Such First Lender shall take Owner's interest in the Residence subject to the provisions of this Lease other than provisions which relate to the Owner as (i) an Eligible Purchaser, (ii) requires Owner to be of a certain Designated Income Household, (iii) First-Time Homebuyer or (iv) similar provisions (the "Exclusions"), and for so long as it is the owner of the leasehold estate, shall assume the obligations, agreements, conditions and terms of this Lease other than with respect to the Exclusions. Further, ~~of Owner~~ Article 9 and 10 shall not apply to First Lender other than the requirement to sell to an Eligible Purchaser. Restriction.

21.3 No foreclosure, deed in lieu of foreclosure, assignment, sale, assumption of obligation, subleasing or subletting of the Residence or the acceptance of rent by County from any such Assignee, sublessee, subtenant, or any other person, shall in any manner affect the liability of Owner under the Lease.

21.4 RESTRICTIONS ON FORECLOSURE PROCEEDS: If a creditor acquires title to the Residence through a deed in lieu of foreclosure, a trustee's deed upon sale, or otherwise, the Owner shall not be entitled to the proceeds of sale to the extent that such proceeds otherwise payable to the Owner when added to the proceeds paid or credited to the creditor exceed the Maximum Restricted Resale Price. The Owner shall instruct the holder of such excess proceeds to pay such proceeds to the County (in addition to any other amounts due the County from the Owner pursuant to the County Note, County Deed of Trust or this Lease), in consideration of the benefits received by the Owner through purchase of the Residence.

21.5 RESTRICTION ON INSURANCE PROCEEDS: If the Residence is damaged or destroyed and the Owner elects not to rebuild or repair the Residence, the Owner shall pay the County the portion of any insurance proceeds received by the Owner for such destruction or damage which is in excess of the Maximum Restricted Resale calculated pursuant to Section 13 after payment to the First Lender of the outstanding principal balance on the First Lender Loan plus any fees and expenses. County reserves the right to negotiate the amount of such fees and expenses with the First Mortgage Lender.

22. NON-LIABILITY FOR NEGLIGENCE, LOSS OR DAMAGE

22.1 NO OBLIGATION TO EXERCISE OPTIONS: The County shall have no obligation to exercise any option granted to it under this Lease. In no event shall the County become in any way liable or obligated to the Owner or any successor-in-interest to the Owner by reason of County's option to purchase under Sections 14 and 20 nor shall the County be in any way obligated or liable to the Owner or any successor-in-interest to the Owner for any failure to exercise an option to purchase.

22.2 COUNTY ASSUMES NO RESPONSIBILITY: for Owner to select, review, inspect, supervise, pass judgment on, or inform Owner of the quality, adequacy or suitability of the Residence or any other matter.

22.3 COUNTY OWES NO DUTY OF CARE TO PROTECT OWNER AGAINST: negligent, faulty, inadequate or defective building or construction or any condition of the Residence and Owner agrees that neither Owner, or Owner's heirs, successors or assigns shall ever claim, have or assert any right or action against County for any loss, damage or other matter arising out of or resulting from any condition of the Residence and will hold County harmless from any liability, loss or damage for these things.

22.4 INDEMNITY: Owner agrees to defend, indemnify, and hold the County, its officers, employees, consultants and agents harmless from all losses, damages, liabilities, claims, actions,

judgments, costs, and reasonable attorneys' fees that the County may incur as a direct or indirect consequence of: (1) Owner's default, performance, or failure to perform any obligations as and when required by this Lease or the County Deed of Trust; or (2) the failure at any time of any of Owner's representations to the County to be true and correct.

23. MONITORING AND INSPECTION BY COUNTY

23.1 The County (or its designee) may enter the Leased Premises including the interior of the Residence and, if applicable, the garage for inspection following 48 hours advance notice. No more than two regular inspections may be carried out in a single year, except in the case of an emergency. In an emergency, the County may inspect any part of the Leased Premises, after making reasonable efforts to inform the Owner before the inspection.

23.2 The Owner shall retain all records related to compliance with obligations under this Lease for a period of not less than five (5) years, and shall make such records available to the County or its designee for inspection and copying upon five (5) business days advance written notice.

23.3 County shall monitor Owner's compliance with the requirements of this Lease annually. Owner shall cooperate with County monitoring and provide the required certifications and other information required by the County to determine compliance within ten (10) days of receipt of a written request by the County.

24. SUPERIORITY OF GROUND LEASE

The Owner covenants that he or she has not, and will not, execute any other Lease with provisions contradictory to or in opposition to the provisions hereof, and that, in any event, this Lease is controlling as to the rights and obligations between and among the Owner, the County and their respective successors.

25. NONDISCRIMINATION

The Owner covenants by and for itself and its successors and assigns that there shall be no discrimination against or segregation of a person or of a group of persons on account of race, color, religion, creed, age, disability, sex, sexual orientation, marital status, ancestry or national origin in the sale, transfer, use, occupancy, tenure or enjoyment of the Residence, nor shall the Owner or any person claiming under or through the Owner establish or permit any such practice or practices of discrimination or segregation with reference to the use, occupancy, or transfer of the Residence. The foregoing covenant shall run with the land.

26. NOTICES:

The Parties may subsequently change addresses by providing written notice of the change in address to the other parties in accordance with this Section.

27. NO WAIVER

No delay or omission in the exercise of any right or remedy of County upon any default by Owner shall impair such right or remedy or be construed as a waiver. The County's failure to insist in any one or more instance upon the strict observance of the terms of this Lease and Deed Restriction shall not be considered a waiver of the County's right thereafter to enforce the provisions of the Lease. The County shall not waive its rights to enforce any provision of this Lease unless it does so in writing, signed by an authorized agent of the County.

28. CONTROLLING LAW: STATE OF NEVADA

The terms of this Lease shall be interpreted under the laws of the State of Nevada. The venue for any legal action pertaining to this Lease shall be Clark County, Nevada.

29. INVALID PROVISIONS AND SEVERABILITY

30. If any one or more of the provisions contained in this Lease shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions contained in this Lease, and this Lease shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein. INTERPRETATION OF THIS LEASE

The terms of this Lease shall be interpreted so as to avoid speculation on the Residence and to insure to the extent possible that its sales price and mortgage payment remain affordable to Designated Income Households.

31. COVENANTS RUNNING WITH THE LAND

31.1 Owner hereby subjects the Residence to the covenants and restrictions set forth in this Lease. Owner hereby declares its express intent that the covenants and restrictions set forth herein shall be deemed covenants running with the land in perpetuity and shall pass to and be binding upon all parties having any interest in the Residence throughout the term of this Lease. Each and every contract, deed, lease or other instrument covering, conveying or otherwise transferring the Residence or any interest therein, as the case may be, shall conclusively be held to have been executed, delivered and accepted subject to this Lease regardless of whether the other party or parties to such contract have actual knowledge of this Lease.

31.2 The Owner and the County hereby declare their understanding and intent that: (i) the covenants and restrictions contained in this Lease shall be construed as covenants running with the land and not as conditions which might result in forfeiture of title by Owner; (ii) the burden of the covenants and restrictions set forth in this Lease touch and concern the Residence in that the Owner's legal interest in the Residence may be rendered less valuable thereby; and (iii) the benefit of the covenants and restrictions set forth in this Lease touch and concern the land by enhancing and increasing the enjoyment and use of the Residence by Eligible Purchasers, the intended beneficiaries of such covenants and restrictions.

31.3 All covenants and restrictions contained herein without regard to technical classification or designation shall be binding upon Owner and Eligible Purchasers for the benefit of the County and such covenants and restrictions shall run in favor of such parties for the entire period during which such covenants and restrictions shall be in force and effect, without regard to whether the County is an owner of any land or interest therein to which such covenants and restrictions relate.

32. AMENDMENTS

The Parties hereby acknowledge and agree that:

- a. No modifications and/or amendments to this Lease shall be accepted, valid, or enforceable unless in writing and executed by Owner and the County.
- b. No modifications and/or amendments to this Lease, that affect the priority, rights or obligations of the First Lender, shall be accepted, valid, or enforceable unless in writing and executed by Owner, the County, and said First Lender.

The Parties further acknowledge and agree that any such fully executed modification and/or amendment, pursuant to the above, shall immediately be recorded in the Official Records of Clark County, Nevada as an Amendment to the Lease (ex: "First Amendment to Homebuyer Ground Lease" or "First Amended and Restated Homebuyer Ground Lease").

33. EXHIBITS

Any exhibits referred to in this Homebuyer Ground Lease are incorporated in this Lease by such reference.

34..OWNER'S ACKNOWLEDGEMENT OF RESALE RESTRICTION

Owner hereby acknowledges and agrees that:

- a. Owner hereby subjects the Residence to certain restrictions, and limits the price for which Owner may sell or lease the Residence and the persons to whom Owner may sell or lease the Residence. The resale price limitation, and other provisions contained in this Lease, restrict the full benefits of owning the Residence. Owner may not enjoy the same economic or other benefits from owning the Residence that Owner would enjoy if this Lease did not exist.
- b. Absent the provisions of this Lease, the Deed of Trust, and County Loan (if applicable) the Residence could not be made available to Eligible Purchasers at an affordable price, including Owner.
- Owner understands all of the provisions of this Lease. In recognition of the acknowledgments and agreements stated in this Section 34, Owner accepts and agrees to the provisions of this Lease with the understanding that this Lease will remain in full force and effect as to the Residence following any Transfer of the Residence throughout the term of this Lease.
- c. OWNER UNDERSTANDS THAT THE DETERMINATION OF THE MAXIMUM RESTRICTED RESALE PRICE OF THE RESIDENCE TO AN ELIGIBLE PURCHASER CAN BE MADE ONLY AT THE TIME OF THE PROPOSED TRANSFER, TAKING INTO CONSIDERATION CHANGES IN MEDIAN INCOME, MORTGAGE INTEREST RATES, PROPERTY TAXES AND OTHER FACTORS THAT CANNOT BE ACCURATELY PREDICTED, AND THAT THE SALES PRICE PERMITTED HEREUNDER MAY NOT INCREASE OR DECREASE IN THE SAME MANNER AS OTHER SIMILAR REAL PROPERTY WHICH IS NOT ENCUMBERED BY THIS LEASE. OWNER FURTHER ACKNOWLEDGES THAT AT ALL TIMES IN SETTING THE SALES PRICE OF THE RESIDENCE THE PRIMARY OBJECTIVE OF THE COUNTY AND THIS LEASE IS TO PROVIDE HOUSING TO ELIGIBLE PURCHASERS AT AFFORDABLE HOUSING COST. THE MAXIMUM RESTRICTED RESALE PRICE WILL ALMOST CERTAINLY BE LESS THAN OTHER SIMILAR PROPERTIES THAT HAVE NO RESTRICTIONS.

BUYER DISCLOSURE STATEMENT

DECLARATION

Homebuyers must be willing to sign the Buyer Disclosure and the Homebuyer Ground Lease prior to closing; these documents contain, but are not limited to, the following requirements, to which Homebuyer must agree:

- Intent to occupy the Residence as principal place of residence throughout ownership term.
- Understanding and acceptance of all provisions of the Homebuyer Ground Lease particularly of the resale restriction and restrictions on occupancy, leasing, and financing for the Residence.
- The Community Land Trust (CLT) home sale shall be closed in accordance with the terms of the sales agreement and other documents submitted to and approved by the County.
- Intent to comply with all requests by County for information needed to monitor compliance.

A. INTRODUCTION

The Clark County Welcome Home Community Land Trust (CLT) offers you a chance to buy a home at a lower than market price, making it affordable for you. You will own the house but lease the land from the County at a reduced rate, for 99 years. This helps people with low-to-moderate income buy their own home. The Ground Lease ensures that the home is resold at an affordable price as well, so that future buyers with similar incomes can afford it too.

Owning a CLT home has perks like a low purchase price and a fixed mortgage payment that will not increase. Every year, as you pay off more of your mortgage, you will build more equity in your home. Plus, as the average income level in Clark County rises, you may be able to sell your home for a higher price than what you paid. In return, you are responsible for taking care of your home. As your income grows, your fixed mortgage payment lets you save more for home repairs over time. This ensures that if you ever sell your home the next buyer will get a well-maintained house.

To get an affordable home through the Clark County CLT, you are required to sign a handful of documents. These documents are legally enforceable by the County. The County may also offer you a loan to help buy the house, secured by your property. Together, these documents, which will be recorded against your house, are: **the Homebuyer Ground Lease and if you have a County Second Mortgage a Promissory Note and County Deed of Trust.** These agreements are legally binding. In addition, there will also be a Sales Agreement and other documents that you will execute as a part of the sales process for the home.

These legal documents state that you must live in your home and cannot rent it out without permission, except in special cases. When you sell your home, there is a maximum price you can sell it for. If you sell for more, you must give the extra money to the County. The County also has the option to buy your home when you sell it. These legal documents also have rules about getting other loans on your home, like refinancing. If you fail to follow these rules, you may be subject to various penalties, as outlined in the Ground Lease; inclusive of having to repay the County's loan.

These rules are in place to keep homes affordable for people with low-to-moderate incomes, even if you decide to sell or move. The Clark County CLT wants to help more people buy homes in the future, just like they helped you.

The document you are reading is a summary and explains the main rules of the legal documents. **You should, of course, read the entire Homebuyer Ground Lease, County Note and County Deed of Trust and become familiar with them.** (These documents will be referred to as “agreements” for the duration of this document).

B. WHAT DOES IT MEAN TO OWN A CLT HOME

One of the main differences in owning a CLT home is that you own the house but not the land it sits on. The land is leased from the County. While there are similarities to owning a

traditional home, CLT homes come with specific requirements and restrictions, such as those related to reselling and occupancy.

Resale restrictions require you to sell your home to another qualified buyer, ensuring continued affordability. Although there is a cap on the sale price, you can still profit from your home.

These requirements and restrictions are outlined here and detailed in the agreement documents.

C. FOR HOW LONG?

The rules in the agreements last for either 99 years or until you sell or transfer your home according to those rules, whichever happens first.

D. GROUND LEASE FEE

Your Ground Lease of the land underneath your home includes a monthly fee. This fee covers the costs of maintenance of the common areas of the subdivision, much like an HOA fee, as well as other costs associated with the CLT. This fee will be set when you buy your home and can increase.

E. SALES PRICE OF HOME IS RESTRICTED

The County has helped make the cost of buying your home affordable to you, and they want to help others too. That is why, if you sell your home while the Homebuyer Ground Lease is still in effect, there is a limit on how much you can sell it for. The most you can sell it for is either the affordable price you originally paid or what it is worth on the market at the time of the sale, whichever is lower.

1. AFFORDABLE SALES PRICE

The Affordable Sales Price is figured out like this:

- a. First, we calculate the “Monthly Affordable Housing Expense”. We do this by determining your home’s Area Median Income (AMI), located on the first page of your Ground Lease, adjusted according to HUD’s household size standards. We then take 33% of that number, 33% represents the amount of your income you should be spending on housing and divide that by 12, to get a monthly amount of income you could spend on housing.
- b. Next, we subtract certain monthly costs from the Monthly Affordable Housing Expense, like property taxes, insurance, homeowner association fees, and any fees for leasing the land.
- c. We account for the interest rate as well, and from that determine the “Affordable Monthly Mortgage Payment”. This helps us figure out how much you can afford to pay for your mortgage each month.

d. The Affordable Sales Price is the amount of mortgage you can afford plus a 5% down payment from you.

Example 1 shows how the Affordable Sales Price formula works.

2. FAIR MARKET VALUE

In certain circumstances, we need to find out if the fair market value of your home is less than the Affordable Sales Price. We do this by getting the Fair Market Value assessed by a real estate appraiser approved by the County or agreed upon by both you and the County. The cost of the appraisal will be shared between you and the County.

Example 1 AFFORDABLE SALES PRICE ILLUSTRATION

Annual Gross Income for set AMI	\$75,920
Affordable Monthly Housing Expense (At 33% of gross income)	\$2,088
Less: Non-Mortgage Housing Expenses (Includes property taxes, property insurance and County Ground Lease Fee)	\$376
Affordable Monthly Mortgage Payment (First Mortgage)	\$1,712
Supportable Mortgage (Rounded)	\$257,500
Plus: 5% Homebuyer Downpayment (Rounded)	\$13,500
Affordable Sales Price	\$271,000

²For 30-year fixed mortgage at estimated 7% mortgage rate

Note: This is an illustration only. Actual amounts will vary.

² Numerical examples are included in this Disclosure Statement to help you better understand the concepts, terms, and provisions of the Deed Restriction, Homebuyer Ground Lease and, if you received a County Loan, the County Note. Please be aware that these examples are simply to show how things work. They are not intended to represent your specific situation. If you follow along with a calculator, you may not get exactly the same answers. Any differences are probably due to how your calculator “rounds-off” numbers.

F. PROPERTY TAXES

Property taxes will be calculated based on the market value of the land plus the replacement cost of the home, minus depreciation.

The assessed value of the home cannot be higher than its full cash value. All transferable rights and deed restrictions will be considered when determining the full cash value of the home.

G. PRIMARY RESIDENCE AND LEASING YOUR HOME

Your house must be your main place of residence. That means you need to live there for at least 10 months each year. Every year during the 99-year term, you must send a written notice to the County saying you're following this rule. You cannot rent out your house to anyone unless you have written permission from the County, which might be granted in certain situations like a divorce or being deployed in the military. If you get permission to rent it out (up to a year), you have to rent it to someone with a low-to- moderate income, and you can only charge them a limited amount based on their income or what it costs you to pay your mortgage, taxes, and insurance.

If you break these rules, the County may enforce them, and you'll have to pay back any extra rent you collected. You will also be in default under the Homebuyer Ground Lease and the County may require you to sell the home. If you are provided a County Loan, you will also be in default under the County Note, and the County may require you to immediately repay the County Loan. The Homebuyer Ground Lease will remain in effect even if you are required to repay the County Loan or sell the home.

H. CLOSING ON YOUR HOME

Once the County approves your application, you will sign a Sales Agreement to begin the purchase of the home. Within three (3) business days of signing, you will need to make a deposit, and escrow will be opened. However, this Sales Agreement is contingent upon you obtaining official loan approval from your chosen lender. In the case of a resale, it's crucial to meet all the requirements outlined in the Homeowner Ground Lease, as well as address any necessary repairs.

Before the sale can be finalized, the County must approve the Sales Agreement and ensure this Buyer Disclosure is signed. Notably, during the closing process, the Homeowner Ground Lease takes precedence and is recorded first, preceding any other Notes or Deeds of Trust, including those for the First Mortgage.

In the event of a resale, all terms of the sale, such as the sales price and any additional payments for personal property or services, will be clearly outlined in the Sales Agreement. Both you and the Proposed Purchaser are required to provide written certification, in a format acceptable to the County, assuring that the sale will adhere to the approved documents. Furthermore, you must affirm that no additional money or property will be exchanged outside of

what is stipulated in the Sales Agreement. Any deviation from these terms or provision of false information may lead to legal action by the County, with any associated costs or legal fees falling upon you and/or the Proposed Purchaser.

I. MAINTAINING YOUR HOME/ PROPERTY INSURANCE

When you sign the agreements, you promise to take care of your home and yard. That means keeping everything clean and in good shape. You are required to perform and pay for all of the maintenance or repairs, big or small, that the home requires. Since your mortgage payments are fixed and do not increase you should be able to save for any large maintenance or repairs that may be needed over the years. If you decide to sell the home and there are maintenance or repairs that have not been performed, those must be made during the sale process and paid for out of the equity in the home or by you, prior to finalization of the sale of the home.

You also agree to have a standard homeowner's insurance policy, with the County added as an extra person covered. The insurance needs to be enough to replace your home if something bad happens. Every five years (or every year if your policy says so), the amount needed to replace your home will be checked and changed if necessary. It is up to you to make sure the insurance gets renewed and updated.

You may NOT perform any of the following improvements, construction, or additions:

- a. Room addition;
- b. Addition of additional square footage to the Residence primary building, and garage, if present;
- c. In-ground swimming pool or spa;
- d. Accessory dwelling unit; and
- e. Any other structures.

The following are not prohibited but has additional restrictions under the Homebuyer Ground Lease:

- a. Satellite dishes and antenna's;
- b. Signs, banners, posters, etc;
- c. Accumulated rubbish/debris;
- d. Sheds/tents;
- e. Solar panels'
- f. Party Walls.

J. PATIOS

1. You can use your patio for normal outdoor activities, like relaxing or having a meal. You're allowed to place outdoor furniture and other items that aren't permanent. If you want to make permanent or semi-permanent changes, you must follow the rules in the Homebuyer Ground Lease.

Cactus Trails Only

2. Patios in Common Areas

This only applies to homes that don't have a patio built directly on their lot, but instead have a private, fenced patio space in the designated common area. These fenced patios are connected to the home, and you will be informed if your house includes one of these patios.

If your home has one of these patios, you can use it just like a regular patio, but you must follow these extra rules:

- a. You can't build anything that might block underground pipes, drains, or County access.
- b. Fences must all look the same and be approved or installed by the County.
- c. You can't change the slope of the ground or plant invasive plants.

The County can enter the patio area for emergency maintenance, but they will give you notice first if possible.

This private patio space stays with the home and will transfer to the next owner if the home is sold. You can't sell or give away just the patio space on its own.

Cactus Trails

K. PARKING

1. You must use your garage as the main place to park your vehicles. If you have a one-car garage, it must be the primary parking spot for one of your cars. If you have a two-car garage, it must be the primary parking spot for two of your cars.
 2. There is limited street parking in the community, and you can only park on the street where signs say it's allowed.
 3. All vehicles parked in the community must work properly, not leak fluids, and have current registration.
 4. You cannot use guest parking spaces for daily or long-term parking. Guest parking is clearly marked and should only be used for short visits for guests of homeowners.
- You are responsible for making sure your guests follow these parking rules.

K. PARKING

1. You must prioritize your garage and driveway as the main place to park your vehicles. Your car(s) must be parked in your garage and/or your driveway. If you have three (3) cars, two of them must be parked in your garage and/or driveway.
2. There is limited street parking in the community, and you can only park on the street where signs say it's allowed.
3. All vehicles parked in the community must work properly, not leak fluids, and have current registration.

L. MONITORING

The County will check that everything is in order with your home at least once a year, or more often if there is a complaint or problem reported. The County will:

- a. Do a yearly check of the outside of your home and, if needed, check inside too, after giving 48 hours' notice (or sooner in an emergency),
- b. Make sure property taxes are up to date;
- c. Confirm that property insurance is paid for and covers enough to replace the home;
- d. Review the title report to make sure there are no loans or claims on the property that should not be there;
- e. Get monthly updates about any loans on the property from the lender; and
- f. Keep an eye out for notices from the lender about any defaults on loans.

If any problems are found during these checks, the County will send you a written notice, explaining what is wrong and giving you up to 30 days to fix it or start working on fixing it.

M. NOTICE TO COUNTY UPON SALE, ASSIGNMENT, TRANSFER, OR MORTGAGE

If you plan to leave your home, sell it, or do anything important with it like getting a loan or putting a lien on it, you need to tell the County right away in writing. You must send a notice using one of the delivery methods explained in the Homebuyer Ground Lease.

N. COUNTY HAS OPTION TO PURCHASE

In return for being able to purchase your home at an affordable price, you agree that the County can choose to buy your house first if you decide to sell it while the Homebuyer Ground Lease are still in effect. This means the County gets the first chance to buy your house before anyone else. But the County does not have to buy your house if the County does not want to. The County might also let someone else, like a nonprofit organization or another person who meets income requirements, buy your house instead. There are some situations, like transferring the house to a spouse or domestic partner, where the County cannot buy it.

If the County decides to use its option to buy your house, or lets someone else buy it, the County has to tell you within 60 days after you notify them that you want to sell or move. They have to buy your house within 90 days after they tell you they are going to use their option to buy it.

O. SELLING YOUR HOME

When you sell your home during the 99-year term, there are two ways it can happen according to the Homebuyer Ground Lease:

- a. First, you can sell it at the Maximum Restricted Sales Price to someone who meets specific income requirements, just like you did. This buyer is called an “Eligible

Purchaser.” The CLT will help find and sell the home to a buyer who has been approved through the CLT program, similar to how you bought it. An Eligible Purchaser is defined as:

- i. First-Time Homebuyer: Must reside in Clark County, have not own a home in the last five years and have no foreclosures in the last five years.
 - ii. Intent to Live in the Home: Must confirm they will live in the home as their main residence for the entire time they own it.
 - iii. Sign agreements and Work with the County: Must agree to sign a Homebuyer Ground Lease, which will restrict future sales of the home. They must also agree to provide any information the County needs to monitor compliance with these agreements.
 - iv. Take Over the County Second Loan, if Necessary: If the home has a County Loan, the potential buyer must agree to take over the loan and sign the necessary documents under the same terms.
- b. Income Eligibility: Your household’s total income must be below the maximum limit set by HUD for your household size. Second, the County can choose to buy your house at the Maximum Restricted Sales Price, or they can let someone else buy it at that price.

Below, is a summary of what happens in these two cases, along with what happens if you sell your home against the rules.

1. SALE TO AN “ELIGIBLE PURCHASER” AT THE RESTRICTED SALES PRICE

When you want to sell your home, you need to tell the County in writing so they can start finding a buyer. This notice is called the “Owner's Notice of Intent to Transfer.” It must include certain details listed in the Homebuyer Ground Lease, like an inspection report and a pest report, and it must be sent according to the rules in the Homebuyer Ground Lease. If you do not send this notice, you will be non-compliant, and the sale of your home might be delayed, canceled, or not counted.

The County will then send you a notice called the “County Response Notice” to say whether or not they want to buy your home. You have to follow the instructions in the Homebuyer Ground Lease once you get this notice.

If the County decides not to buy your home, the County will find an Eligible Purchaser who meets the requirements to buy it at the Affordable Sales Price. An “Eligible Purchaser” is someone who meets the County’s first time homebuyer requirements and is at the same income level, or percentage of the area median income, that you were when you bought the home, based on family size. The County will tell you the income limits of allowed homebuyers and the resale price, based on the formula.

You’re responsible for getting your home ready to sell. After you send the Owner’s Notice of Intent to Transfer, you have to do what is needed to prepare the home for sale as described in the Homebuyer Ground Lease, and you have to let the County conduct a walk-through of your home.

The County will check if potential buyers meet the CLT Eligible Purchaser requirements. Once your home is sold to an Eligible Purchaser, you have to give the County the information and documents listed in the Homebuyer Ground Lease. You must finish any required repairs to your home before selling. If you don't, the County will use money from your escrow to complete them.

2. COUNTY EXERCISES ITS OPTION TO PURCHASE YOUR HOME

Another way your house can be sold is if the County decides to buy it. If the County wants to buy your home, the County will let you know in writing and tell you the prices in a notice called the County Response Notice. The County has to buy your home within 90 days after sending you this notice. Just as explained above, you're in charge of getting your home ready to sell including completing all home repairs.

When the County or someone they assign buys your home, you will have to pay a transaction fee not to exceed 3% of the Maximum Restricted Resale Price. This fee is instead of paying a realtor for their services, since the County will handle everything when they buy your home.

You do not need to hire a realtor to sell your home, but if you would like to hire one, you should wait until the County tells you in writing that the County is not buying your home. If you talk to a realtor and the County decides to buy your home, you will still have to pay the County the transaction fee, and you will be responsible for any extra realtor fees.

3. SALE IN VIOLATION OF THE RESALE AGREEMENT; PAYMENT OF "EXCESS SALES PROCEEDS" TO COUNTY

If you sell your home for more than the Maximum Restricted Resale Price set by the Homebuyer Ground Lease, you will have to give the County the extra money you make. For example, if you sell your home to someone other than the County or an Eligible Purchaser through the CLT program, and you get more money than the Maximum Restricted Resale Price, you will owe the County the extra money you make from the sale.

This extra money you must pay is called "Excess Sales Proceeds." It's calculated as the full amount of money you get from selling your home above the Maximum Restricted Resale Price, as stated in the County Response Notice.

This rule is in place to make sure you don't make more money by violating the Homebuyer Ground Lease than you would have if the County had bought your home at the Maximum Restricted Resale Price. The money you pay as Excess Sales Proceeds goes to the County's other affordable housing programs. You got the chance to buy your home at a price you could afford, and when you pay the Excess Sales Proceeds, it helps other families like yours to also purchase an affordable home with the help of the CLT.

P. REPAYMENT OF COUNTY LOAN

If the County gives you a County Loan when you buy your home, it's called a "deferred" loan. This means you don't have to make any payments on it, or pay it back as long as you own the home and follow all the rules in the agreements. But if you break any of these rules, you may

have to pay back the loan right away, with interest. If your loan includes Down Payment Assistance, this too has the same requirements and process.

1. DEFAULT PROVISIONS

When you agree to take the County Loan, you're agreeing to follow all the rules in the County agreements. If you break any of these rules, it's considered a default under these agreements. Also, if you don't keep up with payments on any other loans you have for your home, like your first mortgage, it's also considered a default under the County agreements. The Homebuyer Ground Lease gives your mortgage lender permission to notify the County of any occurrence of event of default, including but not limited to late payments or non-payments.

If you don't fix the problem, including catching up on your payments, the County could end your Homebuyer Ground Lease and decide to buy your home. They could also take legal action, like going to court, to make sure the rules in the County agreements are followed. This might lead the County to take your home through foreclosure. Though you must be aware of the possibility of losing your home if you do not make your payments or comply with the Ground Lease, the County will also closely track your payments and monitor the homes, and it is our intent to stay in communication with you and support you in becoming and staying current on payments and complying with the Ground Lease.

Q. REFINANCE OF YOUR FIRST MORTGAGE

If you want to refinance your first mortgage loan, you need to get written approval from the County first. There are limits on how much money you can get from the refinancing. The County will only approve your refinance if the total amount you owe on your home (including the new refinanced loan, any other loans, and the County Loan) is not more than 95% of the Affordable Sales Price at that time. If you refinance for more than this amount, you will break the rules in the agreements.

Before you talk to your bank about refinancing, you should contact the County to give them the information the County needs, as explained in the Ground Lease. The County will tell you the maximum amount you can refinance for and will put you in touch with County preferred lenders, who have already agreed to the terms of the CLT program. The County will not approve any mortgage loan that includes negative amortization, interest-only payments, balloon payments, or that does not subordinate to the Ground Lease.

Example 3 shows how the County refinance requirements work. The County will also charge a refinance fee to the Homeowner; the amount of that fee will be posted on the CLT website.

If you refinance your first mortgage without approval from the County or if you break any terms in Section 7 of the Ground Lease, you will be in default, and the County might decide to buy your home or take other actions listed in the agreements.

R. JUNIOR LOAN AND EQUITY LINES OF CREDIT

The Ground Lease lets you get a junior mortgage or a home equity loan on your home, but there are limits: removing home equity from your home is only allowed for the following

reasons: 1) to pay for approved capital improvements and maintenance on the home and 2) to use to dissolve a marriage if you are getting a divorce. Also, all the debt you owe on your house cannot be more than the Affordable Sales Price set by the County at that time. If you are thinking about getting a home equity loan, you should talk to the County first and provide the info the County needs, as detailed in the Ground Lease. The County will tell you the maximum amount you can borrow before you talk to your bank. Also, the County will not approve any mortgage loan that includes negative amortization, interest-only payments, balloon payments, or Home Equity Lines of Credit (HELOCs) or anything that does not comply with other terms of the Ground Lease.

If you get an extra mortgage on your home without the County's written approval beforehand, you'll be breaking the rules in the Homebuyer Ground Lease. In that case, the County might decide to buy your home, or take other legal actions listed in agreements, or any other legal actions available to them.

Example 3 FIRST MORTGAGE REFINANCING ILLUSTRATION

	Scenario 1	Scenario 2
Affordable Sales Price at Time of Refinance	\$240,000	\$200,000
Maximum Permitted Debt ¹	\$228,000	\$190,000
Less: County Loan	\$20,000	\$20,000
Maximum Permitted First Mortgage at Time of Refinance ²	\$208,000	\$170,000

At 95% of the Affordable Sales Price.

Any other existing mortgage debt is also subtracted from the maximum permitted debt to determine the maximum first mortgage permitted.

S. THINGS YOU CANNOT DO WITH OR AT YOUR HOME

There are a handful of things that you cannot do with or at your home:

1. Fail to comply with all local, state and federal laws pertaining to your property;
2. You must occupy your home, you may not lease it;
3. Additions to the homes are not allowed, to the home or garage, nor are additional or accessory units, pools, spas, or any other structures;
4. Any modifications to the exterior of the homes, including things like painting a different color, landscaping, changes to fencing and walls, and installation of solar panels are not allowed unless approved by the County.;
5. Sell your home without notifying the County;
6. Sell your home at market price and to a non-eligible homebuyer.

7. You may not park RVs, boats, trailers, commercial vehicles, or large vehicles in driveways, streets, or guest parking. The only exception is for short-term (24hr) loading or unloading.

8. Abandoned, broken-down, or unlicensed vehicles are not allowed on the street.

LETTER OF AGREEMENT AND ATTORNEY'S ACKNOWLEDGMENT

Letter of Homebuyer Acknowledgement

To: Clark County, a political subdivision of the State of Nevada

Re: Welcome Home Community Land Trust (CLT) Home Purchase

Date: _____

This letter is given to the County to become an exhibit to a Lease on the residence located at _____. I will be leasing a parcel of land from the County and will be buying the Residence that sits on that parcel of land. I will therefore become what is described in the Lease as “the Owner.”

I acknowledge that I have the opportunity, at my own expense to have an attorney review the terms and conditions of the Homebuyer Ground Lease and other legal documents that are part of this transaction, if I so choose. I have either declined to exercise this opportunity, or my legal counsel, _____, has explained to me the terms and conditions of the Homebuyer Ground Lease and other legal documents that are part of this transaction. I understand the way these terms and conditions will affect my rights as a homeowner, now and in the future.

In particular I understand and agree with the following points.

One of the goals of the CLT is to keep CLT homes affordable for lower income households from one CLT homeowner to the next. I support this goal as a CLT homeowner and as a homebuyer in the CLT.

The terms and conditions of this Lease will keep my home affordable for future Designated Income Households (as defined in the this Ground Lease). If and when I want to sell my home, I am required to sell it either to the County or to another income-qualified person. The terms and conditions of the Lease also limit the price for which I can sell the home, in order to keep it affordable for the next Designated Income Household.

It is also a goal of the CLT to promote resident ownership of CLT homes. For this reason, the Lease require that, if I and my family move out of our home permanently, we must sell it. We cannot continue to own it as absentee owners.

I understand that I can leave my home to my child or children or other members of my household and that, after my death, they can own the home for as long as they want to live in it and abide by the terms of the Homebuyer Ground Lease, or they can sell it on the terms permitted by the Homebuyer Ground Lease.

As a CLT homeowner, it is my desire to see the terms of the Homebuyer Ground Lease and related documents honored. I consider these terms fair to me and others.

Sincerely

Letter of Attorney's Acknowledgment

I, _____, have been independently retained by _____ (hereinafter "the Client") who intends to purchase a house and other improvements (the "Residence") on land to be leased from Clark County as a part of the Welcome Home Community Land Trust. The house and land are located at _____.

- a) this Letter of Attorney's Acknowledgment and a Letter of Acknowledgement from the Client;
- b) the Homebuyer Ground Lease, leasing the property underneath the Residence that the Client is will purchase to the Client;
- c) a proposed Deed conveying the Residence to the Client;
- d) other written materials provided by the CLT.

The Client has received full and complete information and advice regarding this conveyance and the foregoing documents. In my review of these documents, my purpose has been to reasonably inform the Client of the present and foreseeable risks and legal consequences of the contemplated transaction.

The Client is entering the aforesaid transaction in reliance on his or her own judgment and upon his or her investigation of the facts. The advice and information provided by me was an integral element of such investigation.
