PaymentWorks

Vendor Registration

Clark County has partnered with PaymentWorks to streamline the collection, validation, and management of vendor information.

PaymentWorks is the digital supplier onboarding platform that Clark County uses to verify the identity and compliance of its payees. PaymentWorks offers an onboarding experience for secure, compliant, and optimized business payments.

You will be receiving a registration link from PaymentWorks to register as a Clark County vendor.

If you need any assistance, please do not hesitate to reach out.

Note: Please be sure to check your spam or junk folder for the registration link, as it may have been filtered there.
