on the following Thursdays:**

**April. 2, 9, 16, 23 & 30, May 7, 14, & 21
Awards Presentations- May 28; 4 – 6pm**

togetherforbetter

Welcome!

All Nevada Youth Trapshooting Teams!

The Clark County Shooting Complex is ground zero for this youth trapshooting league, but all students in Nevada are invited and encouraged to participate!

Those outside of Clark County may partner up with friends from a neighboring county or club to make up their team.

It's recommended each team have a minimum of 4 shooters but having 5 is preferred. This allows the team to drop their low score each week and score their top 4. The goal is to post the best possible score as you're competing against the entire field of other Varsity or Junior Varsity teams. The only requirement is that all students range from grades 6 – 12, and all team scores from outside Clark County are submitted during the 7-day period between 8am Sunday and 5pm Saturday each week of scheduled trapshooting league activity.

Eight Consecutive Weeks of Youth Trapshooting League Competition!

Competition Week ends on the following Saturdays-

April 2, 9, 16, 23 & 30

May 7, 14 & 21

Prize Drawings, Festivities, and Awards Presentations; 4 - 6pm, Thursday, May 28 at the

Clark County Shooting Complex!

Fees

A one-time \$18 Student Athlete Fee will be required from each participant at the Clark County Shooting Complex. This fee will cover the first two weeks of league clays used and contribute 20% of the participants trophy fee. Only additional costs incurred by student athletes would be for weekly ammunition and practice targets. We anticipate local sponsors will cover remaining league target and trophy costs.

Register by scanning the QR code below; or in-person at the Shotgun Center pro shop.

**As this is a state-wide program
Fees may be different at your facility!**

A \$20 registration & trophy fee is required from each out-of-town participant. A check or money order can be mailed directly to:

**Clark County Shooting Complex
11357 N. Decatur Blvd.
Las Vegas, NV 89131
Attn: 2026 Spring ASTL**

League Format

Clark County- one scorekeeper and a minimum of one coach or safety officer will be present on the field when student athletes are participating in league competition.

Up to 5 team-mates shoot 25 clay targets each from the 16-yard line on eight designated Thursday afternoons between 3-6pm **at the Shooting Complex**. All team members must shoot together. No early or late make-up by missing team members!

Outside of Clark County- team members will have until 5pm each Saturday to shoot and submit their scores. They may shoot at different clubs, at different times, and on different days.

The top 4 scores from each team will be used to earn weekly team points!

Please submit a completed copy of the **Official Score Report** by the end of each week as an email attachment and send to:

Steve.Carmichael@ClarkCountyNV.gov

Special Rules!

Teams are welcome to add a 6th member, an alternate, to their roster, but a maximum of only 5 will compete on a weekly basis.

All team rosters and team alternates are considered final following the third week of competition.

Anyone listed as an alternate can compete with only one team but may shoot any week of the league.

In the event a team member is unable to attend a week of competition, the team may elect to use the absent team members average, -2, based on his/her previous two weeks of scores to assist their team in earning weekly points. Using an absent shooters average -2 is referred to as a "blind" score and allowed only one time per team member during the league. Teams also have the option of using a substitute if available. A substitute may shoot for any team with exception of week 7 or 8.

Varsity Teams- Grades 10, 11 & 12. Varsity teams **may** recruit from lower grade levels.

Junior Varsity Teams- Grades 6, 7, 8 & 9. Junior Varsity **may not** recruit from higher grade levels.

Should any scheduled league competition be canceled at any location, for any reason, a make-up round will be required the following week. This will require two rounds be entered the same day. Should adverse conditions prevail during the make-up period, we'll revert to the option below:

Should a scheduled league competition be canceled in weeks 1, 2, 3, or 4, actual scores and points from week 5 will be applied to the canceled week.

Should a scheduled league competition be canceled in weeks 5, 6, 7, or 8, actual scores and points from week 2 will be applied to the canceled week.

Note- due to different geographical locations of the ASTL, conditions at one location may allow competition to proceed but may prohibit competition at others. Any scores that are shot prior to, or on the scheduled day of competition will be used and applied to the official records.

Ear & Eye Protection

is mandatory on all shooting fields!

Waivers

Clark County requires a signed waiver from parent/guardian for all participants under 18 years of age.

To Earn Weekly Team Points

At the end of each competition, points will be awarded to Varsity and Junior Varsity teams:

1st High Team Total- 10 points

2nd High Team Total- 8 points

3rd High Team Total- 6 points

4th High Team Total- 4 points

5th High Team Total- 2 points

Important Notes of Clarification!

The ASTL program was created as a "Prep League" to provide all students the opportunity to learn the popular high-school team sport of trapshooting. As such, we use the following guidelines-

Registration- Everyone that registers without requesting specific groupings (siblings, friends) or team preference will be put into a random team selection pool. At time of registration students will be asked if they prefer to be on a team that shoots early (3:00-4:30pm), late (4:30-6:00pm), or no preference. We'll make every attempt to ensure compatibility amongst team-mates.

Team Placement- Junior Varsity team members may not recruit 10, 11, or 12th graders to shoot with them. However, first-time (Rookie) Varsity age students may be placed on a JV team without changing the team's designation to Varsity. This placement must be approved by two members of the ASTL Committee.

Coaching- Unlike previous youth trapshooting programs, coaching is allowed, and encouraged, on the field during ASTL competition. Coaches should address safety concerns immediately, while offering helpful tips during station changes.

Safety is our Number 1 Priority!

The Silver State Clay Breakers

meet on Thursday nights at the conclusion of the ASTL program!

Carson City- Rob Boehmer

Structured Training & Practice Sessions:

Will be offered at the Shooting Complex for two weeks prior to league competition (refer to dates on the front cover) and limited to 15 students each hour. To secure your Training & Practice Session, contact Steve Carmichael using the information provided above. Email is preferable to allow a response confirming your reservation. Practice targets are \$6.50 per 25, or \$3.00 per 10, payable on your arrival at the facility. Rental firearms are available in 12 and 20-gauge at the Shooting Complex. All firearms rental fees are waived plus ammunition available to purchase at a reduced price for all league participants.

Sponsorships to cover a portion of team target and trophy fees, or Awards Presentation festivities are welcome!
