## CELEBRATING THE LATEST ADDITION TO JAMES REGIONAL SPORTS COMPLEX

Commissioners Naft and Jones were joined by Governor Sisolak for the opening of the second and third phases of James Regional Sports Park on Nov. 20.

"The completion of phases two and three for this complex makes James Regional Sports Park one of the largest soccer complexes in the state of Nevada. We are excited to have a premier facility that can help meet the demands for field space in Clark County", said Commissioner Naft.

# ALL AROUND A

November was a busy month in **District A**. Commissioner Naft hosted a Coffee and Conversation at **Scooter's Coffee**, located at 6585 S Decatur Blvd. The Commissioner met with area residents to answer questions and address any concerns related to Clark County, our departments, and services.

Commissioner Naft, The West Flamingo Senior Center and the Spring Valley Area Command hosted the annual Turkey Hunt. All attendees received a frozen turkey and a gift basket full of Thanksgiving essentials.

Also in November, Commissioner Naft joined in honoring southern Nevada's veterans at The Veterans Day Parade that took place in downtown Las Vegas. The event is hosted by The Veterans Action Group and their mission is to maintain honor and respect for our nation's Veterans and their families.

Commissioner Naft also joined Gov. Steve Sisolak and Mayor Debra March at the Sun City Anthem Veterans Day Celebration. "It's a tribute befitting our courageous Veterans who, along with their families, sacrificed so much," said Commissioner Naft.

# NEVADA'S FIRST HOLOCAUST MEMORIAL PLAZA BREAKS GROUND

Commissioner Naft along with Gov. Steve Sisolak, Mayor Carolyn Goodman, and other community leaders attended the groundbreaking for Nevada's first Holocaust Memorial.

The Holocaust Memorial Plaza broke ground in Clark County on Friday, Nov. 19. Once built, the memorial will honor those who died, and will contain elements of the Holocaust and Judaism that will educate visitors and allow for a time of reflection. Among the many features planned for the plaza are crumbling antiquated brick walls with steel bars darting from the top, which will symbolize the deterioration of life in the Jewish community during the holocaust.

The memorial will be located on the grounds of the King David Memorial Chapel and Cemetery, 2697 East Eldorado Lane, near Eastern Ave. and Warm Springs Rd. The Holocaust memorial plaza is expected to be completed by April of 2022.

## EXCITING IMPROVEMENTS COMING TO THE DOG PARK AT SILVERADO RANCH PARK

Thanks to a generous donation from Darren Petersen and Diacon, LLC, the dog park at Silverado Ranch Park will undergo much-needed improvements. Beginning Monday, Dec. 6, the dog park will be closed for 90 days as renovations are made. Improvements will include the installation of grass, trees, new benches and shade structures. Silverado Ranch Park is a favorite for dogs and their owners and these enhancements to the existing facility will ensure our canine friends have a space of their own to enjoy. The dog park was initially built in 2001 and the area has seen expansive growth since then. Upon re-opening, It will be named Madison T. Petersen Dog Park.

The remote Interactive Recording Kiosk will allow the public to scan, retrieve copies and record land documents and property records without having to drive to Las Vegas.

"This latest addition to my office in Laughlin will allow area residents to access the full functions of our County Clerk and Records offices while staying close to their home or business. I appreciate the partnership of Clark County Clerk Lynn Goya and Clark County Recorder Debbie Conway who have made these services available to our residents.
