For the meaning of the term "actual residence," see NRS 281.050. Some offices have additional residency requirements. Check the qualifications for each office for more information.

**Elector Status:** Another qualification for all offices other than federal is that a candidate must be a qualified elector according to Nevada law. (Nevada Const. Art. 2, §1 and Art. 15, §3(1); NRS 281.040, 293.055 and 293.177(2))

## Candidate Name Rules

**Name Requirements:** Candidates' names will appear in surname alphabetical order by office on the ballot. Partisan offices will have an indication of each candidate's party or "no political party" (NPP), as applicable. All nonpartisan offices will have NP (nonpartisan) after the name of each candidate (NRS 293.256, 293.2565, 293.263, 293.265, and 293.267).

Names must meet legal requirements for the use of given names, surnames and nicknames:

- **Nicknames:** Candidates' names may include a nickname of 10 letters or less. On the ballot, the nickname will appear in quotation marks immediately before the surname. Nicknames must NOT: (a) Indicate any political, economic, social or religious view or affiliation; (b) Be the name of any living or dead person with a known statewide, nationwide or worldwide reputation; (c) Deceive a voter in any way regarding the candidate or his or her principles (NRS 293.2565(1)).

## **Disqualification and Law Violations**

**Grounds for Disqualification:** If a person willfully files a declaration or acceptance of candidacy knowing it contains a false statement, including about residency, or if a court finds that a candidate fails to meet any required qualification for office, then that person's name will not be on the ballot and he or she is disqualified from taking office. If that person's name is on the ballot because the deadline for making ballot changes has passed, then polling places will post signs indicating the candidate is disqualified from taking office. In addition, knowingly and willfully filing a declaration or acceptance of candidacy that contains a false statement is a gross misdemeanor.

(NRS 293.1755, 293.177(2)(b), 293.181(3), 293.184).

# WHAT'S NEW IN NEVADA ELECTIONS

## Mail Ballot and In-Person Voting (AB321)

**All Mail Ballot Elections:** Starting in 2022, Nevada will have all-mail ballot elections. In-person voting options will still be available too. All “active” voters who registered to vote no later than 14 days before Election Day will receive a mail ballot, unless they opt-out.

- **Opt-Out and Opt-In:** To opt-out of receiving a mail ballot, you must submit an online or printed “Mail Ballot Preference Form.” You may also use the form to opt-in again if you had previously opted out or to request to vote by mail only in specific elections. To electronically submit your mail ballot preferences online, log in to the Secretary of State’s “Registered Voter Services” at [www.nvsos.gov/votersearch](http://www.nvsos.gov/votersearch). A printable form is at [www.ClarkCountyNV.gov/vote](http://www.ClarkCountyNV.gov/vote). The Election Department must receive the printed or online “Mail Ballot Preference Form” no later than 60 days before Election Day (April 15 for the 2022 Primary Election) if you wish to opt-out. The deadline to opt-in if you had already opted-out is May 31, 2022.

**In-Person Voting:** You may still vote in person on a voting machine at any one of the many convenient early voting sites or Election Day vote centers, even if you receive a mail ballot. No matter where you live or what your precinct is, you may vote at any Clark County voting site you choose. An early voting schedule and Election Day vote center listing will be in your mail ballot packet, in your sample ballot, and online at [www.ClarkCountyNV.gov/vote](http://www.ClarkCountyNV.gov/vote).

If you do not opt out of mail ballot voting and vote in person instead of by mail:

- If you have your mail ballot with you, you must surrender it at the voting site; or
- If you do not have your mail ballot with you, you must sign an affirmation that you are not voting twice in the same election.

**Mail Ballot Drop Boxes:** The Election Department will provide secure, easily accessible, and conveniently located mail ballot drop boxes. All early voting sites and all Election Day vote centers will have these drop boxes. It is a felony for anyone other than the Election Department to provide these boxes. You may deposit your mail ballot in a locked, drop box instead of sending it through the postal mail. You must still sign the outside of the envelope of the postage-paid return envelope provided specifically for you, showing your name and address, and seal your ballot inside of this envelope before you deposit it in the drop box (*do not put your ballot in another voter's return envelope*). Drop box locations and hours will be in your sample ballot and online at [www.ClarkCountyNV.gov/vote](http://www.ClarkCountyNV.gov/vote).

**Mail Ballot Delivery:** Delivery of mail ballots will remain the same. It will begin no later than 20 days before Election Day for in-state voters and no later than 40-45 days before Election Day for out-of-state voters. If you do not receive your mail ballot packet by May 31, 2022, and have not voted but wish to vote by mail, *immediately* call (702) 455-VOTE (8683) or send an e-mail to [MailBallotRequest@ClarkCountyNV.gov](mailto:MailBallotRequest@ClarkCountyNV.gov).

## **Mail Ballot and In-Person Voting (AB321) *Continued***

**Mail Ballot Postmark and Receiving Deadlines:** Voted mail ballots sent through the Post Office must be: (1) Mailed in the postage-paid return envelope provided specifically for you, showing your name and address, and you must also sign the outside of that envelope before mailing it (*do not put your ballot in another voter's return envelope*); (2) Postmarked on or before Election Day; and (3) Received by the Election Department on or before by 5:00 p.m. on the fourth day after Election Day (June 18, 2022).

### **Mail Ballot Signatures:**

- Your signature on the outside of your mail ballot return envelope may be reviewed electronically, manually, or both. Electronic signature verification devices will be tested for accuracy before an election and audited daily during the processing of ballots.
- If an issue arises with your signature on the outside of your mail ballot return envelope, the Election Department will notify you using the contact information in your voter registration. If you need to “cure” your signature by providing an actual signature or a signature confirmation, you must do so by the sixth day after Election Day (June 20, 2022).
- At least once per year, all staff who administer elections must complete a forensic signature verification class approved by the Nevada Secretary of State.

# BALLOTS

## Order

**Order of Offices, Names and Questions in Federal/State Elections:** Partisan federal, state and county offices appear first, nonpartisan state and county offices follow, City offices are next, township nonpartisan office are then listed, and ballot questions are last (NRS 293.268). Candidates' names are in alphabetical order by office and must meet legal requirements for the use of given names, surnames and nicknames (NRS 293.256, 293.2565, 293.263, 293.265, 293.267). You may vote for "None of These Candidates," in presidential and statewide contests (NRS 293.269). Nevada does not permit write-in candidates (NRS 293.270).

**Candidates with the Same Name:** If two or more candidates have the same given name and surname, then their order on the ballot will depend on the following: (a) If none of the candidates is an incumbent, the middle names or initials, if any, of the candidates must be included; (b) If one of the candidates is an incumbent, the incumbent's name must be listed first and the word "Incumbent" must appear next to it (293.2565(2)).

*Nonpartisan contests continued on next page....*

# ELECTION RESULTS

## Unofficial Results on Election Night

After the polls close at 7:00 p.m. on Election Day, Vote Center officials bring the results to the central tabulation facility at the Clark County Election Center in North Las Vegas (see page 23). The unofficial Election Day results are tabulated along with the early voting and mail ballot results. Provisional ballots are not included in the unofficial results.

## Where to Find Results

After all the polling places and Vote Centers in Nevada have closed and all voting has stopped per the Nevada Secretary of State, unofficial election night results will begin appearing online at [www.clarkcountynv.gov/vote](http://www.clarkcountynv.gov/vote). The results will be periodically updated. Refresh your browser to see the most current data. Past election results are also available on the above-referenced website. In addition, Clark County will post election night results as they are tabulated on cable Channel 4.

## Official, Final Election Results

The County Commissioners must “certify” the election results by the tenth working day after Election Day (NRS 293.387 and 293.393, as amended by Section 33 of AB321 of the 2021 legislative session). The final results will include the provisional ballots that were actually counted. The date by which cities must certify results for municipal offices will vary by City.

# EARLY VOTING

## What Candidates Need to Know About Early Voting

**Campaigning:** The rules for early voting and Election Day are now the same. Allowable campaigning will depend on the type of property on which the early voting site is located:

- **Private Property:** If the voting site is located on PRIVATE PROPERTY (mall, supermarket, shopping center, etc.), electioneering is not allowed on the property without the owner's permission (NRS 293.3572(4)). **A list of sites that do and don't allow campaigning will be on the Election Department's website at [www.clarkcountynv.gov/vote](http://www.clarkcountynv.gov/vote).**
- **Public Property:** If the voting site is located on PUBLIC PROPERTY, electioneering is not allowed within 100 feet of the voting area (NRS 293.361). Election workers will post "Distance Marker" signs at the 100 foot limit to distinguish the boundaries.

**What Is Early Voting:** In the 2022 elections, more than 80 long-term and short-term early voting sites will operate throughout the County. The many neighborhood early voting sites provide eligible voters an opportunity to cast their ballot at a time and place convenient for them. Sites include shopping malls, supermarkets, libraries, and community centers.

**Who May Vote Early and Where:** All voters registered in Clark County may vote before Election Day at any early voting site, whether or not they have received a mail ballot. If you were sent a mail ballot have it with you, you must surrender it. If you do not have it with you, then you must sign an affirmation that you will not vote more than once in the same election.

Early voting sites are either "long-term," "neighborhood" (short-term), or "permanent."

- **Long-Term Sites:** At these sites, early voting is conducted at the same location for long durations, e.g., the entire 14 days of early voting or for an extended number of days. They are usually in high-traffic areas, such as major shopping malls and centers, the Clark County Government Center, or City Clerks' offices. These sites have 20 to 40 touch-screen voting machines.
- **Neighborhood (Short-Term) Sites:** These are short-term sites, i.e., early voting is conducted at an individual location for one to a few days and then moves on. The sites are in smaller facilities (local supermarkets, libraries, community centers, etc.) and ensure all voters in the County have access to a site located in their neighborhood. These sites have 6 to 15 touch-screen voting machines.
- **Permanent Sites:** Each County and City will have at least one "permanent" early voting site. The days and hours of operation for permanent sites are specified in NRS 293.3568): The required days and hours are: (1) Monday-Friday, open for at least 8 hours, during times established by the county or city clerk; and (2) Saturday, open for at least 4 hours, during times established by the county or city clerk.

**When Early Voting Occurs:** It begins the Saturday, 17 days before Election Day, and continues everyday for 14 days, ending the Friday before Election Day (NRS 293.3568):

- **May 28-June 10, 2022:** Early voting for the June 14 Primary Election
- **October 22-November 4, 2022:** Early voting for the November 8 General Election

## What Candidates Need to Know About Early Voting *(Continued)*

**Site Schedules:** Hours and days for early voting vary by site. A few months before an election, the complete schedule with specific sites, dates, and hours will be available by various means:

- **Internet:** [www.clarkcountynv.gov/vote](http://www.clarkcountynv.gov/vote)
- **E-Mail:** [elinfo@ClarkCountyNV.gov](mailto:elinfo@ClarkCountyNV.gov)
- **Early Voting Schedule Brochures:** Available anywhere you find Voter Registration Applications, e.g., Department of Motor Vehicles, post offices, libraries, etc.
- **Sample Ballots:** The front section of your sample ballot contains an early voting schedule. Sample ballots are mailed before early voting begins.
- **Newspapers:** The schedule is published the week before early voting begins and at least once each week during early voting.

**Turnout and Results:** Daily early voting turnout (total voters at each site) will be available every night after 11:00 p.m. at [www.clarkcountynv.gov/vote](http://www.clarkcountynv.gov/vote). For a current election, you may also find the names of those who voted early and where they voted on the Election Department's website at [www.clarkcountynv.gov/government/departments/elections/reports\\_data\\_maps/early\\_voting\\_turnout\\_data.php](http://www.clarkcountynv.gov/government/departments/elections/reports_data_maps/early_voting_turnout_data.php). Tabulated results will be available on Election Day at [www.clarkcountynv.gov/vote](http://www.clarkcountynv.gov/vote) or on television cable Channel 4 after the Secretary of State has indicated all statewide voting has ended at all Vote Centers and polling places in Nevada after the polls close at 7:00 p.m.

# POSTING LOGS

## **What Is a Posting Log and How to View It**

**What Is a Posting Log:** Posting Logs must be available as public information for each Election Day Vote Center (NRS 293.301). Posting Logs contain the names of people who voted on Election Day (in alphabetical order), their address (if not confidential), their registration number, their precinct number, and where they voted.

**How and When to View a Posting Log:** Posting Logs will be available exclusively online by Vote Center location, after 7:00 a.m. on Election Day. A link will be on the Election Department's home page at [www.ClarkCountyNV.gov/vote](http://www.ClarkCountyNV.gov/vote). Posting Logs are immediately updated live and are sortable.
