

Clark County, Comprehensive Planning Department

Application Processing Calendar Modified Appointment Process

(see also Tentative Map (TM) calendar for TM's without companion Land Use Applications)
Beginning 9/16/2024

- Applicants are required to schedule first appointment only.
- Only ONE appointment per APR will be allowed at any given time.
- Reviews of land use application packages will only be conducted for the APR listed on the related appointment.
- See the schedule below for follow-up appointments (2nd and 3rd Appts). The planner will schedule the follow-up appointments.
 - Applicants who miss the first appointment must reschedule for a new first appointment. Follow-up appointments are for those projects that have already had a first review.
 - Applicants not attending the 1st follow-up (2nd Appt) may still schedule the 2nd follow-up (3rd Appt).
- The same planner will conduct all appointments.
- Applicants not meeting the Application Materials Due date will be pushed to the second meeting cycle in order to keep the same planner.
- Separate review by Public Works is required. Applications will not be authorized to submit until all Public Works comments have been addressed.
 - Review of applications by Public Works may occur prior to 1st Appt. and is strongly encouraged.
 - All application packages must be emailed to PWlanduse@clarkcountynv.gov.
 - Major Subdivisions (Tentative Maps) and Vacations and Abandonments application packages must also be emailed to CCPWmapteam@clarkcountynv.gov
- If APRs cannot be completed by the 3rd Appt, applicant will be required to schedule a new appointment and will follow a new 1st, 2nd, and 3rd Appt schedule with a new planner.
- Scheduling appointments under an incorrect appointment level will require the applicant to schedule a new appointment under the correct appointment level. If the applicant arrives to the appointment for the incorrect level, planner will still review the application package to the best of their ability.
- Applications are not officially deemed to be submitted until application materials are uploaded to Accela, hard copies are provided to staff, staff creates the applicable record(s) in Accela, and application fees are paid.
