Clark County's New Voting Process Explained

Clark County voters will notice a new step to the in-person voting process starting in 2026. The check-in process and voting machines (now called **ballot marking devices**) will remain the same as in recent elections. But now, once a voter makes their selections, they get a **printout of their ballot** to review before submitting it through the new **tabulators**.

Here's a break-down of the new voting process:

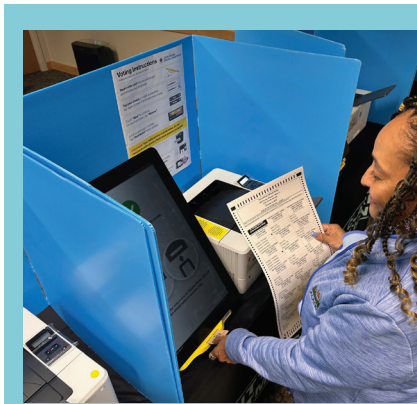

Watch our explainer video here:*

STEP

1

An election worker will confirm your information and issue you a vote card. Take the vote card to the ballot marking device.

STEP

2

Use the touchscreen to make your selections. The machine will then print your choices on a paper ballot, giving you the chance to review your selections before moving to the next step.

STEP

3

Take your printed ballot and vote card to the tabulator. Hand the vote card to an election worker and insert your paper ballot into the tabulator. This is the moment your vote is officially cast.

NOTICES

Assistance is Available at all Voting Sites: Ask any election worker for assistance if you need help reading the ballot or operating the voting machine. Reasonable accommodations will be made to help any voter requesting assistance at a voting site. (This notice is required by NRS 293.565.)

For Voters with Special Needs: Every voting site has a voting machine that can display the ballot in extra large font, provide audio voting, and support “sip and puff” technology.

ADA EASE: Nevada residents with a disability can mark their ballot electronically by going to www.NVEASE.gov. The Nevada’s Effective Absentee System for Election (EASE) is an online application that seamlessly integrates voter registration, electronic ballot delivery, and marking. EASE allows further independence and enables registered voters with a disability to register, request, mark, and return their ballots from the comfort of their own homes. EASE is available for elections no less than 46 days before Election Day at www.NVEASE.gov. If you have any questions regarding this voting method, please contact the Secretary of State of Nevada, Elections Office at (775) 684-5705.

You May Be Asked for Identification at the Voting Site: If the information you provided on your voter registration application did not match the information on file at the Department of Motor Vehicles or the Social Security Administration, as applicable, and you did not respond to the letter that was sent to you notifying you of the discrepancy, you will be required to provide identification when you vote. If you do not provide identification, you will only be allowed to vote provisionally. The words “ID Required” on the address label of your sample ballot indicate you will be required to provide identification at the time you vote.

“None of These Candidates”: In all statewide contests, you have the option to select “None of these candidates.” You may only select “None of these candidates” if you do not vote for any candidate for the office. (This notice is required by NRS 293.269(3).)

No Write-in Candidates: Nevada law (NRS 293.270) does not permit write-in candidates.

Candidate Party Abbreviations: Democratic Party-DEM, Republican Party-REP, Nonpartisan-NP.

WARNING

Voting More than Once in the Same Election is a Crime

A person shall not vote or attempt to vote more than once in the same election. Any person who votes or attempts to vote twice in the same election is guilty of a category D felony and shall be punished as provided in NRS 193.130. *(Publication of this warning is required by NRS 293.780)*

UPDATING YOUR REGISTRATION

You can update your voter registration information online if you have a Nevada driver's license or Nevada DMV-issued identification (ID). Simply go to **RegistertoVote.NV.gov** and update your address if you no longer reside at the address at which you registered or wish to change your political party. Eligible citizens who are not registered may also register online if they have a Nevada driver's license or Nevada DMV-issued ID.

LANGUAGE INFORMATION

In October 2021, Clark County was notified by the Civil Rights Division of the U.S. Department of Justice that in accordance with Section 203 of the Voting Rights Act, all future elections in Clark County must continue to be conducted in English, Filipino, and Spanish. If you wish to receive your future voting materials in Filipino or Spanish, contact us at (702) 455-VOTE (8683), (702) 455-3666 (español), (702) 455-7871 (Filipino), or elinfo@ClarkCountyNV.gov.

ELECTRONIC SAMPLE BALLOTS

You may receive your sample ballot by e-mail instead of through the regular mail. Per Nevada law, your e-mail address will be kept CONFIDENTIAL and it may not be given to third parties. Sign-up today through **www.ClarkCountyNV.gov/vote**.

REGISTRATION AND ELECTION INFORMATION

Register or Update Your Registration: Voting will be easier and faster the sooner you register to vote or make updates to your existing registration. If you need to register to vote or make changes to your existing registration, you may do so online at [RegistertoVote.NV.gov](https://www.RegistertoVote.NV.gov). You may also contact us at (702) 455-VOTE (8683) or ELinfo@ClarkCountyNV.gov to request a form.

You can also check your voter registration online to ensure it is accurate and up-to-date by logging in to Registered Voter Services at www.ClarkCountyNV.gov/vote. There you will see your registration details, including your address, political party, and registration status. If your status shows inactive, it is likely because of an address verification issue. Update your address by visiting the Nevada Secretary of State's website at [RegistertoVote.NV.gov](https://www.RegistertoVote.NV.gov).

Same-day registration and updates of existing registration are offered online at [RegistertoVote.NV.gov](https://www.RegistertoVote.NV.gov) or in-person at any early voting or Election Day voting site. New registrants must provide acceptable unexpired identification (ID) with a current Clark County residential address. These IDs may only be a Nevada Driver's License, Nevada State ID Card, Nevada DMV Interim Document, or Nevada Tribal ID.

If the ID does not have your current address, then you must also provide additional proof of residency (POR) with your name and current Clark County residential address, such as a:

- Utility bill, bank statement, or paycheck (dated within the last 60 days)
- Vehicle registration
- Mortgage, rental, lease, or property tax statement
- Document issued by a government agency
- Temporary ID from the Department of Corrections or any other NV State Agency (with photo)
- Election Department Unhoused Affirmation

Confidentiality Requests: You may request that your address and telephone number in your voter registration records be withheld from the public. (NRS 293.558) Log in to Registered Voter Services at www.ClarkCountyNV.gov/vote and select Make My Address and Phone Number Confidential from the dropdown menu to complete, print, and sign a form to mail. You may also contact us at (702) 455-VOTE (8683) or ELinfo@ClarkCountyNV.gov to request a form.

Nevada's Closed Primaries: Nevada is a closed primary state, which means that during a Primary Election, you may only vote for candidates from the political party you are affiliated with in your voter registration.

For example, registered Democratic voters help decide which Democratic candidates move on to the General Election. Registered Republican voters help decide which Republican candidates advance to represent their party.

If you are registered as nonpartisan or with a minor political party, you will not see partisan contests for Democratic or Republican candidates on your ballot. However, you can still vote in nonpartisan contests, such as judicial offices, and on ballot questions. (NRS 293.257)

Nevada's General Elections: In the General Election, you may vote for any candidate in your precinct, regardless of party affiliation.
