

WELCOME TO DISTRICT B Newsletter

June 2025 Edition

Welcome to District B!

Summer is here, kids are out of school, and it is hot outside. In this issue we are giving you some tips to stay cool this summer. As you know I sit on the Health District and work with them to let you know the dangers of the heat. Please take some extra steps this summer to stay hydrated.

Our signature events took place in May this year. **Cinco de Mayo**, which was held on May 2, 2025, was a blast! We had a great time. The event was held at Bob Price Park on the east side of town. I would like to thank the community for supporting us. We also want to thank the many people and vendors who helped make it a success. On May 10, 2025, we hosted the **Great Northwest Country Fest** with Commissioner April Becker, and it was a great time. The event was held at the Lone Mt. Equestrian Park. We can't wait to see you next year. **We have already saved the date, April 11, 2026.**

Each summer we host a **Special Needs Pool Party**. For more information, please see the flyer in our newsletter. It is a great time for special need families to enjoy the pool together.

July is such a busy time for so many that we won't be sending out a newsletter, but we will send a reminder about our **"Back to School Splash Party"** held with NLV Councilman Scott Black. As a reminder, we encourage you to buy **"Safe and Sane" fireworks for 4th of July Celebrations** from our non-profits at firework booths throughout District B. It is a busy week with the many animals who get out and are scared of the illegal fireworks. Also, please be aware that many of our residents suffer from PTSD.

SPECIAL NEEDS FAMILIES

YOU ARE
INVITED TO A

A vibrant pool party invitation graphic. The background is a light blue water pattern. At the top, the text 'SPECIAL NEEDS FAMILIES' is written in pink, yellow, and green. Below it, 'YOU ARE INVITED TO A' is in white. The main title 'Pool party' is in large, bubbly letters, with 'Pool' in blue and 'party' in yellow. Various summer items are scattered around: a pink flamingo ring, a giraffe ring, a blue and yellow ring, a pair of blue sunglasses, a glass of orange juice with a straw and lemon, a beach ball, and a blue beach umbrella. The date and time are at the bottom in large yellow and blue letters.

Nevada Legislature

The Legislature meets every other year and writes laws that may impact you. I like to say the Legislature writes policy regarding education, medication, and incarceration. Here are some important bills that we have been tracking. We believe these bills might be of interest to you. Please feel free to let the legislature know how you feel through the [legislative opinion page](#).

On its way to
the Governor

a. Ab 415 - This bill allows government to remove abandoned vehicles in the right of way and to dispose of them much quicker

On its way to
the Governor

b. Ab 211- This allows us to go after bad landlords and appoint someone to fix up the property

Died

c. Ab 231 - Requires a service contract to impose certain duties on the provider of the service contract regarding Home Warranties

On its way to
the Governor

d. Ab 417- This requires a safety inspection on cars that are impounded because of trick driving.

NEW! Nevada DMV Northeast/Mesquite Locations

1. A kiosk is located in the Smith's grocery store at 350 North Sandhill Blvd, that handles registration-related transactions, and we strongly encourage customers to go there before coming into the DMV. It is even available to people on weekends and evenings when the DMV office is closed.
2. With the new Turbo Titles program, customers must bring their paperwork into an office to verify after they complete their online transaction. We have set aside prioritized appointments for these people which is pushing appointments out a bit. This will be fixed soon when the entire Turbo Title transaction can be completed online.
3. Renewing a registration is the #1 transaction at all DMV offices. With kiosks and online renewal being so easy, the DMV is asking folks to try the online or kiosks systems first before heading into the DMV. Whenever someone says they are technology-challenged, we say "do you order things from Amazon?" The answer is usually "yes." 😊 With kiosks, AAA offices and online options, there is little reason for someone to come into an office for a registration renewal
