

SUPPORTING THE CLARK COUNTY WETLANDS PARK

Today, there is an increasing need for community parks to take a leadership role in improving health and wellness by preserving wildlife habitat, protecting clean water and air, and providing open space for current and future generations. The Clark County Wetlands Park offers abundant opportunities for recreation, environmental stewardship, and an essential connection for people of all ages and abilities to the life-enhancing benefits of nature and the outdoors.

The Clark County Wetlands Park inspires and engages families, children, adults, students, teachers, and others to make a positive impact on the natural world around them. These efforts would not be possible without your support. Working together, we can ensure that our community and future generations have the opportunity to enjoy all that the Clark County Wetlands Park has to offer.

Your donation will be used to directly benefit Wetlands Park visitors. Donations support recreational activities and events, educational programs, and resources that enhance educational and recreational experiences.

THE WETLANDS PARK DONOR WALL
