Disqualification and Law Violations

If that person's name is on the ballot because the deadline for making ballot changes has passed, then voting sites will post signs indicating the candidate is disqualified from taking office. In addition, knowingly and willfully filing a declaration or acceptance of candidacy that contains a false statement is a gross misdemeanor. (NRS 293.1755, 293.177(2)(b), 293.181(3), 293.184).

- **PRIVATE PROPERTY (Malls, Shopping Centers, Supermarkets, etc.):**

If the early voting site or Election Day Vote Center is located on private property, electioneering and petitions are not allowed on the owner's property without the owner's permission. **A list of sites that do and don't allow campaigning and gathering signatures for petitions will be on the Election Department's website at www.clarkcountynv.gov/vote.** (NRS 293.3572(4) and 293.437(4))

PUBLIC OBSERVATION OF VOTING

What Is a Public Observer

Description: NRS 293.274, 293.305, 293.730, and NAC 293.245 contain provisions for observation of voting at polling places. Anyone may observe voting at a voting site, i.e., no credentials are required. Upon arrival, an observer must ask for the voting site Team Leader. The Team Leader will direct the observer to a designated location within the voting site where the observer must remain at all times. Limited special provisions are made for the media.

Required Form: NAC 293.245 requires observers to sign an acknowledgment before beginning observation which confirms they understand they may: (a) Not talk to voters within the voting site; (b) Not use a cell phone or computer within the voting site; (c) Not advocate for or against a candidate, political party, or ballot question (wearing identifying clothing, buttons, or other paraphernalia is not allowed); (d) Not argue for or against or challenge any decisions of election personnel; and (e) Not interfere with the conduct of voting. Observers must also wear a name tag displaying their full name. Observers may be removed from a voting site for violating state or federal laws or regulations.

Procedures and Restrictions

Public Observers May NOT:

- **Disrupt Voting or Election Workers:** No one may disrupt the voting process or the work of voting site staff, e.g., observers must minimize conversation with election workers.
- **View Personal Information or Ballots:** Voters' personal information and ballot selections are private.
- **Listen to Conversations:** Election worker conversations between themselves or voters are private.
- **Converse with Voters:** Conversation with voters within the polling place is not allowed.
- **Electioneer/Campaign:** No one may electioneer/campaign inside the polling place, i.e., wearing or bringing any campaign item into the voting area is prohibited. Restrictions also apply to the outside of the polling place or voting area. See the previous page for details.
- **Use Electronic Communication Devices:** Observers and voters must turn off two-way radios and cell phones inside the voting area. Note that voters may use their cell phone to view their sample ballot online.
- **Photograph, Videotape, or Sound Record Voting:** The general public may not make a visual or audio reproduction of the conduct of voting at a polling place. Cameras, audio recorders, video cameras, etc., must be deposited with the Team Leader. Owners may retrieve their property when they leave the voting area.

Public Observers May Sit or Stand in the Public Viewing Area: The Team Leader will designate the location and observers may view election activities from this area as long as they do not disrupt the election process. Observation may include viewing the identification of voters, the distribution of a ballot or voting machine card, the movement of a voter to a voting booth, the return of a ballot or voting machine card, and the exiting of a voter.

Media Representatives with Proper Credentials May:

- **Film Willing Persons Inside the Voting Area:** Filming must not violate the secrecy of a voter's ballot (no direct or clear shots of the ballot) and must not disrupt the election process.
- **Interview Willing Persons:** Willing persons may be interviewed outside of the voting site.

Online Election Day Posting Logs: Election Day Posting Logs show who voted where and when. Vote Centers have replaced traditional polling places countywide and consequently Posting Logs will exclusively be available online. See page 30 for more information.

- When the office will appear on the ballot:
 - If only one candidate files before the Primary Election for a District Court Judge Department, then Nevada law requires that the candidate go forward unopposed to the General Election, i.e., the contest and candidate will not appear on the Primary Election ballot. (Nevada Const. Art. 6, §3A(2), NRS 293.260(3)(a))
 - If two candidates file before the Primary Election for a District Court Judge Department, then that contest will not appear in the Primary Election, only in the General Election. (NRS 293.260(4))
 - If three or more candidates file before the Primary Election for a District Court Judge Department, then the contest will appear in the Primary Election. The top two candidates who receive the most votes will go forward to the General Election. However, if one of the candidates receives a majority of the votes in the Primary Election, then that candidate's name will be the only one to appear in the General Election. (NRS 293.260(5)(a))
- No term limits. See the Nevada Secretary of State's current "Election Information Guide" for candidates for details. It is available online at www.nvsos.gov/sos/sos-information/forms-all-divisions/election-forms.
- A District Court Judge may not engage in the private practice of law. (NRS 3.120)
- Nonpartisan office, no party designation required. (NRS 293.195)
- See pages 25-26 for more information about when and why a candidate or office may or may not appear on a ballot.
- District Court Judges are ineligible for any office, other than a judicial office, during the term for which they have been elected or appointed. All elections or appointments to any office other than judicial are void. (Nevada Const. Art. 6, §11)

BALLOTS IN PRIMARY AND GENERAL ELECTIONS

Order (Primary and General Elections)

Order of Offices, Names and Questions in Federal/State Primary and General Elections: Partisan federal, state and county offices appear first, nonpartisan state and county offices follow, City offices are next, township nonpartisan office are then listed, and ballot questions are last (NRS 293.268). Candidates' names are in alphabetical order by office and must meet legal requirements for the use of given names, surnames and nicknames (NRS 293.256, 293.2565, 293.263, 293.265, 293.267). You may vote for "None of These Candidates," in presidential and statewide contests (NRS 293.269). Nevada does not permit write-in candidates (NRS 293.270).

Candidates with the Same Name: If two or more candidates have the same given name and surname, then their order on the ballot will depend on the following: (a) If none of the candidates is an incumbent, the middle names or initials, if any, of the candidates must be included; (b) If one of the candidates is an incumbent, the incumbent's name must be listed first and the word "Incumbent" must appear next to it (293.2565(2)).

When and Why a Candidate or Office May or May not Appear on a Primary or General Election Ballot

Partisan Contests:

- **If a major party has only one candidate for a partisan office**, the name of that candidate will not appear in the Primary Election, only in the General Election. (NRS 293.260)
- **If a major political party has two or more candidates for a partisan office**, the person who receives the highest number of votes in the Primary Election will go forward to the General Election ballot. (NRS 293.260(3)(a))
- **Minor party candidates and candidates with no political party** running for partisan offices will only appear in the General Election. (NRS 293.257)

Nonpartisan Contests (*Except Special District and General Improvement District Contests*):

- **If not more than the number of candidates to be elected file for a nonpartisan office**, the names of those candidates will appear in the Primary Election. If a candidate receives at least one vote in the Primary Election, the candidate will be declared elected and that contest will not appear in the General Election. *This does not apply to Justice of the Supreme Court, Judge of the Court of Appeals, District Court Judge, or Town Advisory Board Member.* (NRS 293.260(3)(b))
 - **Supreme Court, Court of Appeals, and District Court:** If only one candidate files for a Justice of the Supreme Court seat, Court of Appeals Judge seat, or District Court Judge department, then that contest will not appear in the Primary Election, only in the General Election. (NRS 293.260(3)(a))
 - **Town Advisory Board:** If not more than the number of candidates to be elected file for Town Advisory Board member, the candidate(s) will be declared elected and the office will not appear in the Primary or General Election. If there are fewer candidates than seats up for election, then, after the election, new members will be appointed to fill the vacant seats. (NRS 269.576(7)(a) and 293.260(3)(c))

Nonpartisan contests continued on next page....

When and Why a Candidate or Office May or May not Appear on a Primary or General Election Ballot *(Continued)*

Nonpartisan Contests *(Continued)*:

- If not more than twice the number of candidates to be elected file for a nonpartisan office, then that contest will not appear in the Primary Election, only in the General Election. (NRS 293.260(4))
- If more than twice the number of candidates to be elected file for a nonpartisan office, then that contest will appear in the Primary Election. The candidates who receive the most votes, not exceeding twice the number to be elected, will go forward to the General Election. However, if one candidate receives a majority of the votes in the Primary Election, then that candidate will be declared elected and the contest (in contests where you may vote for one candidate, which are most) OR the candidate (in contests where you may vote for multiple candidates, such as Town Advisory Boards and the Moapa TV Maintenance District) will not appear in the General Election. *This does not apply to Justice of the Supreme Court, Judge of the Court of Appeals, or District Court Judge.* (NRS 293.260(5))
 - *Supreme Court, Court of Appeals, and District Court:* If three or more candidates file for a Justice of the Supreme Court seat, Court of Appeals Judge seat, or District Court Judge Department, that contest will appear in the Primary Election. The top two candidates who receive the most votes will go forward to the General Election. However, if one of the candidates receives a majority of the votes in the Primary Election, then that candidate's name will be the only one to appear in the General Election. (NRS 293.260(5)(a))

Special District Contests (Moapa Valley Water District and Virgin Valley Water District):

- If a candidate is an incumbent and unopposed in seeking election for a Special District office, that candidate must be declared elected without a formal election. If there are fewer candidates than seats up for election in Special Districts, then, after the election, new members will be appointed to fill the vacant seats (Special Acts Chap. 100, §8(4); Special Acts Chap. 477, §7(4))
- Special District offices only appear in the General Election, but only if there are more candidates than seats up for election in the Special District. (Special Acts Chap. 100, §5(2); Special Acts Chap. 477, §5(1))

General Improvement District Contests (Moapa Valley TV Maintenance District and Overton Power District):

- If only one candidate files for an office, that candidate must be declared elected and no Primary or General Election will be held. If there are fewer candidates than seats up for election, then, after the election, new members will be appointed to fill the vacant seats (NRS 318.090(5), NRS 318.095(1); NRS 318.09523)
- General Improvement District offices may appear in the Primary or General Election and only when two or more candidates file for office. (NRS 318.095(2); NRS 318.09523)

ELECTION RESULTS

Unofficial Results on Election Night

After the polls close at 7:00 p.m. on Election Day, Vote Center officials bring the results to the central tabulation facility at the Clark County Election Department in North Las Vegas (see page 21). The unofficial Election Day results are tabulated along with the early voting and mail ballot results. Provisional ballots are not included in the unofficial results.

Where to Find Results

After all the polling places and Vote Centers in Nevada have closed and all voting has stopped per the Nevada Secretary of State, unofficial election night results will begin appearing online at www.clarkcountynv.gov/vote. The results will be periodically updated. Refresh your browser to see the most current data. Past election results are also available on the above-referenced website. In addition, Clark County will post election night results as they are tabulated on cable Channel 4.

Official, Final Election Results

The County Commissioners must “certify” the election results by the tenth working day after Election Day (NRS 293.387 and 293.393). The final results will include the provisional ballots that were actually counted.

EARLY VOTING IN PRIMARY AND GENERAL ELECTIONS

What Candidates Need to Know About Early Voting

What Is Early Voting: Since 2000, more people in Clark County have voted before Election Day (including by mail) than on Election Day and Clark County's Early Voting Program has significantly contributed to this. In the 2024 elections, more than 60 long-term and short-term early voting sites will operate throughout the County. The many neighborhood early voting sites provide eligible voters an opportunity to cast their ballot at a time and place convenient for them. Sites include shopping malls, supermarkets, libraries, and community centers.

Who May Vote Early and Where: All voters registered in Clark County may vote before Election Day at any early voting site, whether or not they have received a mail ballot. If you were sent a mail ballot and have it with you, you must surrender it. If you received it but do not have it with you, then you must sign an affirmation that you will not vote more than once in the same election.

Early voting sites are either "long-term," "neighborhood" (short-term), or "permanent."

- **Long-Term Sites:** At these sites, early voting is conducted at the same location for long durations, e.g., the entire 14 days of early voting or for an extended number of days. They are usually in high-traffic areas, such as shopping malls, shopping centers, and larger community centers. These sites have 20 to 40 touch-screen voting machines.
- **Neighborhood (Short-Term) Sites:** At these sites, early voting is conducted at an individual location for one to a few days. The sites are in smaller facilities (local supermarkets, libraries, smaller community centers, etc.) and ensure all voters in the County have access to a site located in their neighborhood. These sites have 6 to 15 touch-screen voting machines.
- **Permanent Sites:** Each Nevada County and City is required to have at least one "permanent" early voting site. The days and hours of operation for permanent sites are specified in NRS 293.3568), i.e.: (1) Monday-Friday, open for at least 8 hours, during times established by the county or city clerk; and (2) Saturday, open for at least 4 hours, during times established by the county or city clerk.

When Early Voting Occurs in Primary and General Elections: It begins the Saturday, 17 days before Election Day, and continues everyday for 14 days, ending the Friday before Election Day (NRS 293.3568):

- **May 25-June 7, 2024:** Early voting for the June 11 Primary Election
- **October 19-November 1, 2024:** Early voting for the November 5 General Election

Site Schedules: Hours and days for early voting vary by site. A few months before an election, the complete schedule with specific sites, dates, and hours will be available by various means:

- **Internet:** www.clarkcountynv.gov/vote
- **E-Mail:** elinfo@ClarkCountyNV.gov
- **Early Voting Schedule Brochures:** Available anywhere you find Voter Registration Applications, e.g., Department of Motor Vehicles, post offices, libraries, etc.
- **Sample Ballots:** The front section of your sample ballot contains an early voting schedule. Sample ballots are mailed before early voting begins.
- **Newspapers:** The schedule is published the week before early voting begins and at least once each week during early voting.

What Candidates Need to Know About Early Voting (Continued)

Turnout and Results: Daily early voting turnout (total voters at each site) will be available every night after 11:00 p.m. at www.clarkcountynv.gov/vote. For a current election, you may also find the names of those who voted early and where they voted on the Election Department's website at www.clarkcountynv.gov/government/departments/elections/reports_data_maps/early_voting_turnout_data.php. Tabulated results will be available on Election Day at www.clarkcountynv.gov/vote and on television cable Channel 4 after the Secretary of State has indicated all statewide voting has ended at all Vote Centers and polling places in Nevada after the polls close at 7:00 p.m.

POSTING LOGS

What Is a Posting Log and How to View It

What Is a Posting Log: Posting Logs must be available as public information for each Election Day Vote Center (NRS 293.301). Posting Logs contain the names of people who voted on Election Day (in alphabetical order), their registration number, their precinct number, and where they voted.

How and When to View a Posting Log: Posting Logs will be available exclusively **online** by Vote Center location, after 7:00 a.m. on Election Day. A link will be on the Election Department's home page at www.ClarkCountyNV.gov/vote. Posting Logs are immediately updated live and are sortable. Paper Posting Logs will not be available at individual Vote Centers.
