the new

“Learn to Shoot”

program specifically for an

Adult & Youth 2-Person Team

**A Trapshooting Class Offered Exclusively
only at 12:00 Noon on Saturdays
(11am June through September!)**

Nevada's 5-Star
Outdoor Shooting Facility

C3

Introducing the Latest ***“Learn to Shoot”*** Program!

The **C3** is a trapshooting training program specifically targeting an adult & youth 2-person team. The youth is defined as anyone qualifying as a “Junior” by age.

The **C3 “Learn to Shoot”** trap program may be scheduled in the same manner as existing ***“Learn to Shoot”*** trap classes. However, C3 attendees always consist of a 2-person adult/youth team, now referred to as a “C3 Team”.

During the training, the C3 Team will occupy the same 16yd shooting station, alternating shots throughout the course of the 25-target round, with teams changing stations every 5 targets.

The C3 Team may share the same firearm, or each have their own. Adults **do not** pay for a firearms rental when participating in the C3 Team training.

The fee for a **C3 “Learn to Shoot”** trap program is \$30 which covers **both** attendees. The class is available on Saturdays at 12:00 noon. This includes the 25 shared targets, experienced instructor, and use of two rental target-grade shotguns if needed. Pre-registration is highly recommended.

Once you’ve completed a “C3” class, and demonstrated proficiency and

competence, the instructor will mark your Range Card “C3” and add his initials or stamp. This qualifies the C3 team to practice on a designated field without the instructor’s oversight.

Practice!

Any C3 Team completing a **C3 “Learn to Shoot”** class, with Range Card signed off by the instructor, may practice as a team, sharing a 16yd station, and at the **Junior rate for targets**. A C3 designated practice field will be available Saturday afternoons from 1-3pm and may accommodate up to five adult/youth teams simultaneously. Complimentary firearms rental is available to anyone participating in C3 Team practice. Ammo will be available to purchase for class or practice at the Junior rate.

Pre-registration is highly recommended for the **C3 “Learn to Shoot”** class as it is limited to a maximum of 5 teams. Use the convenient QR code below to pre-register. It’s recommended the adult register both participants at \$15 each. Pre-payment is required to guarantee your place.

Trapshooting is a lifetime sport!

The Clark County Shooting Complex is host to numerous trapshooting events annually.

These include the Nevada State Trapshooting Championships and multiple youth championships.

The traditional Wednesday Night Trap League has been ongoing in the Las Vegas valley for over 35 years, plus new after-school youth trapshooting leagues are offered on Wednesday afternoons in the Spring and Fall.

Over 2,000,000 trap targets are thrown at this facility every year!
