Intersection Name:

Project #:

Project Funding Number:

Project Engineer:

Notes:

1. This form shall be submitted between July 1st. and December 31st. of each year to procure materials before end of each fiscal year. Material acquisition time is estimated to be 180 days. Plan accordingly and submit this form to ensure that materials are available before NTP for the project.
2. Completed form only if the project construction time is less than 200 days.
3. This form is to be completed and returned to Traffic Management (Massoud Javid and CC: David Smith) at 90% design completion and shall be accompanied by 90% traffic signal design sheets only (must contain Street Name Sign Schedule).
4. Completed one form for each traffic signal intersection for the project.

	Item Description	Qty	Item Description	Qty
1	Internally Illuminated Street Name Signs	29	Signal Head M-2A (School or Ped. Flasher)	
2		30	Signal Head M-2B (School or Ped. Flasher)	
3	Pedestrian Head W-0T (1-A or XX Pole)	31		
4	Pedestrian Head W-0T (XX-A or XX-B Pole)	32
