NOTICE OF ROAD CONSTRUCTION

Residential Streets Pavement Reconstruction #106

Clark County Department of Public Works (CCPW) is reaching out to inform you of upcoming construction activity between Stewart Avenue and Christy Lane.

The project is located in various locations between Stewart Avenue and Christy Lane and consists of residential street rehabilitation. **(See impacted streets attached.)** Work includes asphalt reconstruction, concrete sidewalk, curb, gutter, ADA ramps, drainage features, pavement striping and signs. In general, work on your street will be phased in the order below over the course of approximately 2 weeks:

- Concrete saw cutting activities
- Concrete removal and replacement
- Milling and paving of the roadway surface

Please drive safely in the work zone areas and be advised of the following:

- Residents who will be affected directly by restricted driveway access will be notified by the Contractor.
- NO PARKING signage will be placed in advance of construction activities starting.
- On-street parking will be prohibited during construction activities.
- Local traffic is encouraged to use alternate routes whenever possible.
- Additional notices will be distributed to your specific address 72 hours prior to construction activity impacts near residents or business.
- The contractor will ensure that driveway access within traffic control setups will be maintained. The contractor will coordinate with properties whose driveways will be directly affected.
- We will have flaggers to help maintain access to the neighborhoods, please be mindful of the workers to keep everything moving efficiently as possible.

For any general questions or concerns, please contact Clark County Public Works at (702) 455-6000, via email to InTheWorks@clarkcountynv.gov, or submit a request through the **FixIt Clark County** app.
