ART EXHIBITS

SONG: ***In Between Worlds***
August 8 - October 31

Join us for our 6th Annual Juried Show, ***In Between Worlds***. In this art exhibition you will be able to explore the hidden worlds of nature - those times and places where lines are blurred and boxes are broken. We're eager to share representations of the liminal spaces where boundaries are less clear than usual.

The Nest: ***Cracked Earth, Blooming Spirit****: A Celebration of Resilience in the Mojave Desert*
August 15 - October 31

"Sun Bleached"

Taylor Pierce, a Las Vegas-based artist, exhibits a collection of paintings and haikus featuring the Mojave Desert. The artists paintings "...are not just representations of a place; they are portraits of its resilience, its spirit, and its enduring connection to all of us who call it home."
