

Emergency Preparedness Begins With You!

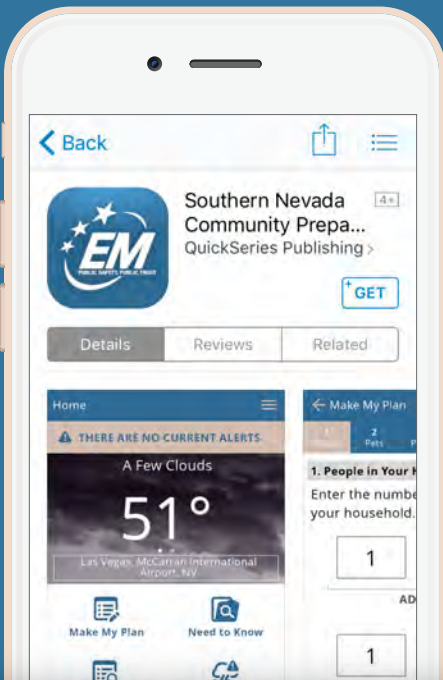

The Southern Nevada Community Preparedness App is a free tool to help you and your family plan for emergencies.

Southern Nevada Community Preparedness App

**Recommended by local emergency managers*

- ✓ Prepare your family's emergency plan and emergency supply kit.
- ✓ Receive emergency warnings.
- ✓ In the event of an emergency, share your status with your selected contacts with the push of a button, locate emergency shelters & get access to evacuation routes.

Download on the App Store
