TICK TALKS:

Happy Spring District E!

I hope that you and your family have been relishing in the beautiful weather we've been experiencing lately here in the Valley. There are many new and exciting things happening in our district, and I hope you have an opportunity to participate in some of the upcoming events.

There is definitely one thing that we all can participate in, and the **2020 U.S. Census**. Clark County will be hosting a **2020 Census Kick-off Rally on March 12th**, at the Government Center (see flyer on pg. 5 for more information). If you can, come and enjoy the festivities, and learn more about how participating in the Census can help the State of Nevada, and our community.

I am also hosting a Town Hall at the Hollywood Recreation Center on March 12th, at 5:30 p.m. During this time, we will discuss ways to continue improving the district, as well as, update you on projects that are ongoing and forthcoming!

On January 29, 2020, **Commissioner Segerblom**, his staff, along with **Clark County Social Services Manager, Michele Fuller-Halluer**, and others volunteered to count homeless in District E during the 2020 Homeless Census Count. The volunteers tracked demographic information such as gender, age, and ethnicity. They also asked what may have lead the person to becoming homeless, in order to understand their issues, and help alleviate homelessness in the future.

Traffic Alert:

On February 6, Commissioner Segerblom turned on a new traffic signal at Sahara Ave. and Hollywood Blvd. This particular area is undergoing extensive growth with new housing developments being built. "This is a new busy area with lots of neighborhoods all around Las Vegas High School, and this new traffic signal will make the area safer for drivers and pedestrians," said Commissioner Segerblom.

Happy Retirement

On February 4, the Board of County Commissioners took a few moments to thank and recognize outgoing Clark County Fire Department Chief, Greg Cassell, on his retirement. Chief Cassell served Clark County with more than 30 years service, with five (5) of those years as chief. Clark County's new Fire Chief is John Steinbeck. Congratulations Chief Cassell!

Celebrating Black History Month with Juried Exhibits

A Wonderful Black History Month exhibit for "The Impact" is currently underway in the Rotunda Gallery at the Clark County Government Center. The free exhibit is on display through March 20th!

Parks and Recreation Sculpture Dedication

The Rat Pack holds a special place in the history of Las Vegas. Clark County and Commissioner Tick Segerblom recently dedicated Rat Pack-inspired public art in the form of "Spin Baby" by Wayne Littlejohn. The sculpture is located at the intersection of Dean Martin, Sammy Davis, Jr. and Frank Sinatra drives. Spin Baby is a 15-foot-tall, spiraling public art sculpture that celebrates the entertainers of Las Vegas.

Positive Meet and Greet at Paradise Recreation Center

On January 28th, Commissioner Segerblom along with Commissioner Gibson and Commissioner Naft hosted a Meet and Greet with constituents in the area. There was a great turnout and constituents who attended discussed a variety of topics with the Commissioners. There were lots of good question and each commissioner was able to provide helpful information regarding their respective districts. Thank you to everyone who attended and participated.
