

Clark County Department of Public Works Clark County Code

Clark County Code 14.10.010 establishes restriction on the size and types of displays that may appear on vehicles. Clark County Code 14.46.040 restricts commercial vehicles on certain streets within Clark County including Las Vegas Boulevard. Below are the portions of the Codes that may affect your outdoor advertising. Please read and sign this acknowledgement that you have read and received a copy of these code sections.

14.10.010 Signs on vehicles in the public right-of-way.

With the exception of vehicles operated by governmental agencies, no vehicle traveling in the public right-of-way shall display or exhibit exterior signage in excess of the following limitations:

(A) Cars, taxicabs, limousines, and all vehicles that do not exceed twenty feet in length shall not display or exhibit signs or a combination of signs which exceed a total of twenty square feet per vehicle.

(B) Trucks and buses in excess of twenty feet in length shall not display or exhibit signs or a combination of signs that exceed a total of one thousand six hundred square feet per vehicle. Other vehicles in excess of twenty feet in length shall not display or exhibit signs or a combination of signs that exceed a total of five hundred twenty square feet per vehicle

(C) No vehicle shall display or exhibit any signage that contains moving or flashing lights or animation of any kind.

(D) The size limitations of subsection (B) shall not apply to trucks engaged in interstate commerce, which are not licensed in Clark County or any passenger motor carrier subject to the jurisdiction of the Nevada Public Service Commission. (Ord. 3159 § 1, 2004: Ord. 1487 § 1, 1993)

14.46.040 Pickups and deliveries off routes.

No commercial vehicle shall be operated or moved upon any public road, highway or alley within the unincorporated area of Clark County that is maintained by Clark County, or upon Las Vegas Boulevard South from Sahara Avenue to Tropicana Avenue, except designated truck routes, unless the use of such road is required in the pickup or delivery of merchandise, freight or other supplies or in some essential use at some point not served by a truck route but served by such direct road. (Ord. 1190 § 2, 1990: Ord. 1020 § 1 (part), 1986)
