

Mobile Food Vendor Community Workshop

July 17, 2025

In an effort to meet the needs of the business community, additional business license categories will soon be eligible for a Multi-Jurisdictional Business License (MJBL), including Mobile Food Vendors (food trucks). Clark County, the City of Las Vegas, the City of Henderson, and the City of North Las Vegas will collaborate and develop MJBLs that will be valid across all participating jurisdictions.

We're inviting the Mobile Food Vendor (food truck) community to share feedback on upcoming changes to the mobile food vendor license category. Your input is essential to help ensure the MJBL license structure is the best fit for the Mobile Food Vendor community's business needs.

This workshop will provide updates on progress, present preliminary concepts for the new fee structure, and offer an opportunity for public feedback. A dedicated time for public comments will also be included.
