Clark County Building Department

4701 West Russell Road, Las Vegas, NV 89118 ~ (702) 455-3000

Application For Phased Design and Construction

James Gerren, P.E., Director
Werner Hellmer, P.E., Deputy Director · Scott Telford, P.E., Deputy Director

The Building Official may authorize projects to be constructed using the Phased Design Building Program. Consideration will be given to size, complexity, construction schedule and other related factors to determine if this approach is acceptable. Authorization must be obtained prior to submitting any initial building permit applications/documents.

Please complete the following information and submit this application to The Building Department, Manager Building Permits. A preliminary meeting is required prior to submittal of this application.
