## Kick the Tires on Electric Vehicles at *Electric Vegas Recycle & Ride, April 4*

Kick off Earth Month by dropping off your recyclables and taking an electric vehicle for a spin while enjoying some tunes and a food truck lunch at **Electric Vegas Recycle & Ride** at Allegiant Stadium Saturday, April 4 from 10 a.m. to 2 p.m. Electric Vegas Recycle & Ride is free and open to the public.

**What:** Electric Vegas Recycle & Ride, an All-In Clark County Event

**When:** Saturday, April 4, 10 a.m. to 2 p.m. PDT

**Where:** Allegiant Stadium, 3333 Al Davis Way, Las Vegas (Lot A and Lot B)

“We’re proud to join Sustainability Partners of Southern Nevada and our community partners on the Electric Vegas Recycle & Ride event,” said Jodi Bechtel, deputy director, Clark County Environment and Sustainability. “With fluctuating gas prices and growing interest in electric vehicles (EVs), this is a perfect event to learn about EVs in a relaxed, community setting. Talk to dealers and everyday EV drivers to see if an EV is a good fit for you...and drop off some recyclables while you are at it!”

Electric Vegas Recycle & Ride is hosted at Allegiant Stadium and supported by Clark County Environment & Sustainability, with participation from Blink Charging, Friendly Ford, Gaudin Motor Company, Lexus of Henderson, the Nevada Electric Vehicle Association, Republic Services, Rivian, Southern Nevada Ford Dealers, Sustainability Partners of Southern Nevada, Team Ford and Tesla.

Go to the Sustainability Partners of Southern Nevada’s [website](#) for a detailed list of acceptable recyclables. [Click here](#) for more information about the event.

###

Located in Clark County, Nevada, the Department of Environment and Sustainability (DES) is the region’s air pollution control agency. DES also administers the Desert Conservation Program and leads the All-In Clark County initiative to address climate impacts in Southern Nevada. Whether it’s protecting the air we share, protecting species like the desert tortoise or making home and vehicle electrification easier for residents, our team is united by our shared passion to create a cleaner, healthier, more sustainable Southern Nevada.

Clark County is a dynamic and innovative organization dedicated to providing top-quality service with integrity, respect and accountability. With jurisdiction over the world-famous Las Vegas Strip and covering an area the size of New Jersey, Clark is the nation’s 11th-largest county and provides extensive regional services to 2.4 million citizens and 45.6 million visitors a year (2023). Included are

the nation's 5th-busiest airport, air quality compliance, social services and the state's largest public hospital, University Medical Center. The County also provides municipal services that are traditionally provided by cities to 1 million residents in the unincorporated area. Those include fire protection, roads and other public works, parks and recreation, and planning and development.
