Applications Being Accepted for Air Pollution Control Hearing Board

Applications are being accepted now to fill four positions on Clark County's [Air Pollution Control \(APC\) Hearing Board](#): a licensed attorney, admitted to practice law in Nevada and three lay members. These three-year terms begin Oct. 20, 2026.

The APC Hearing Board is a seven-member board appointed by the Clark County Board of Commissioners. It is responsible for hearing enforcement and permit appeals, assessing civil penalties, and other Department of Environment and Sustainability, Division of Air Quality (DAQ) matters that come before the board for resolution.

Applicants must be a resident of Nevada and shall not be an employee of the State of Nevada or any other political subdivision of the state. These are voluntary appointments with no compensation. The APC Hearing Board generally meets four to six times per year. Applications must be submitted online at the County's Boards & Commissions website <https://boards.clarkcountynv.gov/active-recruitments>. If you have any questions, please call 702-455-0354. **All applications must be submitted no later than Tuesday, July 7, 2026 at 5 p.m. PT.**

###

Located in Clark County, Nevada, the Department of Environment and Sustainability (DES) is the region's air pollution control agency. DES also administers the Desert Conservation Program and leads the All-In Clark County initiative to address climate impacts in Southern Nevada. Whether it's protecting the air we share, protecting species like the desert tortoise or making home and vehicle electrification easier for residents, our team is united by our shared passion to create a cleaner, healthier, more sustainable Southern Nevada.

Clark County is a dynamic and innovative organization dedicated to providing top-quality service with integrity, respect and accountability. With jurisdiction over the world-famous Las Vegas Strip and covering an area the size of New Jersey, Clark is the nation's 11th-largest county and provides extensive regional services to 2.4 million citizens and 45.6 million visitors a year (2023). Included are the nation's 5th-busiest airport, air quality compliance, social services and the state's largest public hospital, University Medical Center. The County also provides municipal services that are traditionally provided by cities to 1 million residents in the unincorporated area. Those include fire protection, roads and other public works, parks and recreation, and planning and development.
