Quarterly Administrator Update

January - March 2009

Desert Conservation Program Multiple Species Habitat Conservation Plan Quarterly Administrator Update

April 2009

Contract & Interlocal Agreement Management

- Awarded contract to PBS & J for biological consulting to support permit amendment, Project No. 1011B.
- Awarded an Interlocal Agreement to University of North Texas for the Impact of Nutritional Stress on Upper Respiratory Tract Disease and Immune Function in Desert Tortoise, Project No. 602A.
- Awarded a contract to Jones and Stokes for Rare Plant Inventories, Project No. 497B.
- Awarded a contract to Jones and Stokes for Las Vegas Buckwheat and Las Vegas Bearpoppy Inventories, Project 606A.
- Met with Bureau of Land Management (BLM) to negotiate Interlocal Agreement language to move forward with Southern Nevada Public Lands Management Act (SNPLMA) Round 6 and 8 projects. Invoice Metrics:

Project Management

The Program currently shows an approximate dashboard of:

Project Status	# of Projects
	54
	4
	0

Four metrics are tracked: 1) budget, 2) schedule, 3) scope, and 4) quality. Green indicates that the project is currently within accepted tolerances for each metric. Yellow signifies there may be or is a problem, but is recoverable. Red signifies that a problem exists that requires immediate attention. Other Operational Accomplishments

- Received an assessment of the action taken to implement recommendations from the 2005 Program Management Analysis. Assessment was overwhelmingly positive. For more information visit: http://www.accessclarkcounty.com/depts/dagem/epd/dcp/Pages/dcp_reports.aspx
- Prepared an analysis of invoice acceptance and payment metrics in response to feedback provided by the federal land managers to the Southern Nevada Public Lands Management Act Partners Working Group. Results:
 - -Sampled 441 invoices
 - -DCP accepts 85% of invoices submitted on first submission
 - -Non-federal contractors make up 9% of all invoices rejected on first submission
 - -Federal agencies make up 6% of all invoices rejected on first submission
 - -Average processing time from invoice submission to payment is 30 days
 - -DCP accepts 80% of deliverables received on first submission
- Began prioritization of parcels along the Virgin River for acquisition in support of Permit Condition K.
- Prepared letter to The Nature Conservancy regarding ownership status and intent for water rights acquired in the Gold Butte area. Discrepancies have since been resolved.
- Updated project charter for the Program's Document Management Plan and worked on reorganizing the electronic file directory.
- Worked on website enhancements and a reorganization of information and content for an upcoming DCP website update.
- Reviewed Southwest Lincoln County Habitat Conservation Plan for implications to the Clark County Multiple Species Habitat Conservation Plan.
- Reviewed Walking Box Ranch development concept and provided comment letter to Bureau of Land Management (BLM). Potential impacts to Paiute-Eldorado Area of Environmental Concern and MSHCP Intensively Managed Area.
- Reviewed Searchlight Wind Energy Project and provided comment letter.
- Provided GIS and data support for Clark County Comprehensive Planning's Trails Projects (Searchlight/ Goodsprings/Moapa Valley)
- Reviewed and provided comments on Clark County Comprehensive Planning's Land Use Update for Enterprise. Enterprise contains the Desert Tortoise Conservation Center and Management Area.
- Provided technical guidance to Clark County Department of Aviation

Boulder City Conservation Easement

- Nevada Department of Transportation (NDOT) repair of tortoise fencing along Highway 95 ceased due to issues between NDOT and Nevada Department of Forestry (NDF). Clark County, as Plan Administrator, met with NDOT to resolve issues and fencing repairs along the highway have resumed.
- Reviewed Boulder City Wastewater Treatment Plant Discharge Permit, Fact Sheet and Maintenance Plan
 and submitted comments to Nevada Department of Environmental Protection requesting clarifications
 in the permit.
- Continued to negotiate with the City of Boulder City and Boulder City Municipal Police Department to provide law enforcement services in the BCCE. Law enforcement is a requirement of the conservation easement agreement between Clark County and the City of Boulder City.
- Participated in an open house in Searchlight regarding the Searchlight Trails Study, which could impact the BCCE by identifying and advertising a trail system within a 20-mile radius around Searchlight.
- Reviewed a proposed Right of Way application.
- Submitted the work order to the Clark County Department of Real Property Management for the expansion of the Boulder City Conservation Easement and are awaiting approval of the proposed legal description from City of Boulder City.
- Created and posted a new web page about the conservation easement. Please visit: http://www.accessclarkcounty.com/depts/daqem/epd/dcp/Pages/dcp_bcce.aspx
- Boulder City Conservation Easement Patrol Statistics:
 - -369 hours of patrol and administrative time
 - -Made contact with 268 visitors
 - -Distributed 162 maps to visitors
 - -Distributed 96 maps to all terrain vehicle dealers in Clark County
 - -Issued 4 citations for violations within the easement
 - -Issued 20 warnings for minor violations
 - -Assisted other law enforcement agencies 12 times
 - -Installed 4 new signs
 - -Reinstalled 15 vandalized or removed signs

Public Information and Education

- Mojave Max Education Program Completed 12 Mojave Max school assemblies providing contest and program information to 3,188 students. Prepared media release for Mojave Max Emergence Contest. Held coordination meeting with the BLM regarding preparations for Max's emergence at the Desert Tortoise Conservation Center. Conducted interview about the emergence contest and Mojave Max with the Las Vegas Review Journal.
- Mass Media Campaign Produced additional Stay on the Trails print ad and published it in BLVDS magazine. Developing two display signs for outreach and public display.

Desert Tortoise Fencing

- Retro-Fencing Continued contracted work with NDF to retrofit high priority roads with tortoise-proof
 mesh. As of April 1, 2009, NDF had completed a total of 48 miles along I-15 (from 93 turnoff going
 north) under this contract. Project is expected to be completed by July, 2009,
- Monitoring and Maintenance of Fencing Completed monitoring and maintenance (by walking entire fence line) of all tortoise-proof fencing along the north and south boundaries of the Large Scale Translocation Site and along Nipton Road in March 2009. Also provided monitoring and maintenance of 80% of tortoise proof fencing in the Boulder City Conservation Easement. Remainder of easement is expected to be completed by May 2009.
- NDOT Interlocal Contract Negotiating scope of work for 2007-2009 Desert Tortoise Fencing, Project
 No. 737, which would provide NDOT funding to monitor and maintain tortoise-proof fencing along
 NDOT right-of-ways in Clark County.

Land Disturbance & Mitigation Fees

- Issued draft report to the City of Boulder City on reconciliation of mitigation fees and acres and met with the City of Boulder City regarding the draft report and how resolve findings and implement recommendations.
- See attached.

Financial

See attached.

Permit Amendment

- Initiated contract with PBS&J for biological work associated with permit amendment process. Received revised project schedule, EIS outline and draft species list from PBS&J. Anticipate final species list recommendation during the next quarter.
- Continue to meet with permittees monthly to review operational status and continue permit amendment process. Permittees are currently reviewing covered activities and anticipated take estimates.
- Continue to meet with FWS monthly regarding permit amendment. Currently working to finalize scoping notice, resolve issues related to transition from current MSHCP to amended plan and permit, and evaluate alternatives for covering NDOT activities related to operations and maintenance.
- Board of County Commissioners created a Community Advisory Committee (CAC) in February 2009.
 CAC has met three times since it was created.
- Finalized Notice of Intent to conduct scoping and submitted to FWS for Federal Register publication. Anticipate 6-8 weeks before publication in Federal Register.
- Met with BLM to discuss permit amendment issues and receive input regarding mitigation strategy.
