JUNE 9, 2020, PRIMARY ELECTION
NOTICE OF ALL-MAIL BALLOT ELECTION
Clark County Election Department, 965 Trade Dr., North Las Vegas, NV 89030

OVERVIEW

To help keep you, your family, and our community safer by limiting interactions that could spread the coronavirus, the June 9, 2020, Primary Election is being conducted entirely by mail ballot. **NO VOTING MACHINES WILL BE USED ANYWHERE AT ANY TIME IN CLARK COUNTY, NV.** On or before May 18, 2020, Clark County registered voters will receive a mail ballot packet from the Clark County Election Department which will include:

- A ballot and instructions for voting a mail ballot;
- A pre-addressed, postage-paid envelope that must be used for returning voted mail ballots; and
- A list of mail ballot drop-off sites for voters to drop off their own voted mail ballot in-person, if they are unable to put their ballot in the mail.

Registered Voters who do not receive their packet by May 18, 2020, should contact us at (702) 455-VOTE (8683). We **STRONGLY ENCOURAGE VOTERS TO MAIL THEIR BALLOT** rather than drop it off in-person. Please read this entire notice for important details.

CONTACT INFORMATION WILL HELP US ASSIST VOTERS

We strongly encourage all voters who do not have their current e-mail or phone number listed in their registration records to contact us as soon as possible and no later than **MAY 12, 2020**, to provide that information. This is important because if a mail ballot has no signature on the envelope, or if the signature does not match the one the Election Department has on file, we will need to contact the voter as soon as possible to resolve this issue. To check if your phone number or e-mail is in your voter registration records or to add it if it is not:

- Log-in on the Secretary of State’s website at [www.registertovotenv.gov](http://www.registertovotenv.gov); or
- Send an e-mail to [Elinfo@ClarkCountyNV.gov](mailto:Elinfo@ClarkCountyNV.gov); or
- Call us at (702) 455-VOTE (8683).

Please note that NRS 293.558 requires the Clark County Election Department to keep your e-mail address CONFIDENTIAL. Meaning, it may not be given to third parties.
CLOSE OF STANDARD REGISTRATION

The deadlines to register to vote or update existing voter registration by mail or online in time for the June 9, 2020, Primary Election and still receive a regular mail ballot are below. After those dates pass, voters who wish to register to vote or make changes to their existing voter registration will have to do so through the same-day registration or same-day updates process, either online or in-person. Those voters may only vote a paper provisional mail ballot in-person on the spot at the Clark County Election Department and will need to show current, valid identification, and, if needed, proof of residency. See “Same Day Registration and Same-Day Updates of Existing Registration” starting on page 5 for more information. We strongly urge voters to register to vote or to make any necessary updates as soon as possible so they may avoid having to go to the Election Department offices.

- **May 12, 2020** is the last day to register to vote or update your existing voter registration by mail for the June 9, 2020, Primary Election.

- **May 21, 2020** is the last day to register to vote or update your existing registration on the Secretary of State’s website at [www.registertovotenv.gov](http://www.registertovotenv.gov).

RETURNING YOUR VOTED MAIL BALLOT

The Clark County Election Department will process and count voted mail ballots that are returned in the envelope provided, but only if the outside of the envelope is signed by the voter. This is required for verification purposes.

The ballots must be submitted and received in one of the following ways:

- **Mailed Through the U.S. Post Office:** We STRONGLY ENCOURAGE VOTERS TO RETURN THEIR VOTED MAIL BALLOT THROUGH THE U.S. POST OFFICE rather than drop it off in-person. To send it by postal mail, voters must:
  
  - Seal their voted mail ballot in the pre-addressed, postage-paid, return envelope included in the packet they will receive.
  
  - **Sign the outside of the envelope in the space provided for their signature.**
  
  - Make sure their signed envelope is postmarked by June 9, 2020. Note that we must receive properly postmarked ballots by 5:00 p.m. on June 16, 2020, (7 days after the Election Day) for them to be counted.

- **Dropped-Off In-Person:** Voters may also drop off their own voted mail ballot, but only at one of the locations in the schedules on pages 3-5 during the listed dates and hours. To do this, voters must:
  
  - Seal their voted mail ballot in the return envelope included in the packet they will receive.
  
  - **Sign the outside of the envelope in the space provided for their signature.**
  
  - Drop off their voted mail ballot no later than 7:00 p.m. on Election Day.

SAME-DAY REGISTRATION AND SAME-DAY UPDATES OF EXISTING REGISTRATION

Online Registration and Updates: If you could not register to vote or update your existing voter registration by mail by May 12, 2020, you still may do so through the Secretary of State’s website at www.registertovotenv.gov through June 4, 2020 (Thurs.).

- **May 13 to May 21:** If you register to vote or update your existing registration online between May 13 (Wednesday) and May 21, 2020, (Thursday), within about a week you will receive a regular mail ballot with your updated name, precinct, party, etc., as applicable.

- **May 22 to June 4 (Online Same-Day Registration and Same-Day Updates):** If you register to vote or update your existing registration online between May 22 (Fri.) and June 4, 2020 (Thurs.), you may only vote a **paper provisional mail ballot in-person** on the spot at one of the in-person voting sites (see pages 7-8) and you must immediately turn it in. You may not take your ballot out of the building. You must also show acceptable identification and, if needed, proof of residency (see below). See page 6 for details on provisional ballot voting. **NO VOTING MACHINES WILL BE USED FOR IN-PERSON VOTING.**
Identification and Proof of Residency: If you register to vote or update your existing voter registration online from May 22 to June 4, or in-person from May 23 to June 5 or on June 9, you must provide identification and, if needed, proof of residency, to vote a paper provisional mail ballot in-person on the spot at one of the in-person voting sites (see pages 7-8). **NO VOTING MACHINES WILL BE USED FOR IN-PERSON VOTING.** The identification requirements are:

- Your unexpired Nevada (NV) Department of Motor Vehicles (DMV) Driver’s License with your current residential address which must match the address in your voter registration; or
- Your unexpired NV State Identification Card with your current residential address, which must match the address in your voter registration; or
- Your NV DMV temporary “Interim Document” with your current residential address, which must match the address in your voter registration.

**IF** the address on one of the **three above listed REQUIRED forms of identification** (unexpired Nevada Driver’s License, Nevada State Identification Card, or Nevada DMV “Interim Document”) is not your current residential address, meaning it does not match your voter registration residential address and/or if it is not where you currently live, then you must **additionally** provide proof of current residency along with one of the three specified forms of identification. Acceptable proof of residency includes one of the following:

- A military identification card
- A bank or credit union statement
- A paycheck
- An income tax return
- A property tax statement
- A motor vehicle registration
- A utility bill (electric, gas, oil, water, sewer, septic, phone, cable)
- A mortgage statement, or residential rental or lease agreement
- Any other document issued by a governmental agency

Paper Provisional Mail Ballot Overview and Verification Process: If you register to vote or update your voter registration either online from May 22 to June 4, or in-person from May 23 to June 5 or on June 9, you may only vote a paper provisional mail ballot by appearing in-person at one of the in-person voting sites (see pages 7-8). **NO VOTING MACHINES WILL BE USED FOR IN-PERSON VOTING.** You must also provide the identification indicated above. Your paper provisional mail ballot will have all the contests and candidates that are on a regular ballot. It will differ from a regular ballot in that it will be counted only after verification that:

- You were qualified to cast a ballot in the current election;
- You did not cast multiple ballots in the same election;
- You showed acceptable identification when you voted (see above); and
- **IF** needed, you provided acceptable proof of residency (see above).
